the other one is not really listening. Someone can look like they are but they’re actually thinking about something they want to say, or their minds are just wandering. Or they’re looking at that little box people hold in their hands these days. And people get discouraged, so they

Listening To Others Quotes (70 quotes) - Goodreads

Central to this growth is an openness to the “other” perspective that is offered by both friend and stranger. This growth cannot happen unless we truly listen to each other. So the next time you find yourself saying how “wrong” another person is, whether it’s about the causes of violence in the Middle East or the issue of racism in America, pause and listen to what the other person is saying.

Spotify: Listening Together

Listening to an opposing side of an argument can be very uncomfortable, especially if it's one that touches on something very personal to you or is being argued in an aggressive manner. Enough to make you not want to look into it at all. But then why is it important to force yourself to investigate where the opposition is coming from?

The Importance Of Listening To Both Sides Of An Argument

About Active Listening The way to improve your listening skills is to practice "active listening." This is where you make a conscious effort to hear not only the words that another person is saying but, more importantly, the complete message being communicated. In order to do this you must pay attention to the other person very carefully.
