Biliteracy from the Start

Literacy Squared in Action *Caslon Publishing*
Biliteracy from the Start: Literacy Squared in Action shows bilingual education teachers, administrators, and leadership teams how to plan, implement, monitor, and strengthen biliteracy instruction that builds on students' linguistic resources in two languages, beginning in kindergarten. Escamilla and her team present a holistic biliteracy framework that is at the heart of their action-

oriented Literacy Squared school-based project. Teachers learn to develop holistic biliteracy units of instruction, lesson plans, and assessments that place Spanish and English side by side. Educators also learn to teach to students' potential within empirically based, scaffolded biliteracy zones and to support emerging bilinguals' trajectories toward biliteracy.

Get Better Faster

A 90-Day Plan for Coaching New Teachers *John Wiley & Sons*

“Make sure your students follow your instructions.” That sounds like a straightforward instruction, but in fact, it’s fairly abstract. What does a teacher actually have to do to make sure students are following? Even the leader delivering this direction may not know, and the first-year teacher almost certainly doesn’t. The vast majority of teachers are only observed one or two times per year on average—and even among those who are observed, scarcely any are given feedback as to how they could improve. The bottom line is clear: teachers do not need to be evaluated so much as they need to be developed and coached. In *Get Better Faster: A 90-Day Plan for Coaching New Teachers*, Paul Bambrick-Santoyo shares instructive tools of how school leaders can effectively guide new teachers to success. Over the course of the book, we break down the most critical actions leaders and teachers must enact to achieve exemplary results. Designed for coaches as well as beginning teachers, *Get Better Faster* is an integral coaching tool for any school leader eager to help their teachers succeed. It’s the book’s focus on the actionable—the practice-able—that drives effective coaching. By practicing the concrete actions and micro-skills listed here, teachers will markedly improve their ability to lead a class, producing a steady chain reaction of future teaching success. Though focused heavily on the first 90 days of teacher development, it’s possible to implement this work at any time. New and old teachers alike can benefit from the guidance of *Get Better Faster* and close their existing instructional gaps. Packed with practical training tools, including agendas, presentation slides, a coach’s guide, handouts, planning templates, and 35 video clips of real teachers at work, *Get Better Faster* will teach you: The core principles of coaching: Go Granular, Make Feedback More Frequent, Top action steps to launch a teacher’s development in an easy-to-read scope and sequence guide The four phases of skill building: Phase 1 (Pre-Teaching): Dress Rehearsal Phase 2: Instant Immersion Phase 3: Getting into Gear Phase 4: The Power of Discourse

The Odyssey *Oxford University Press*

'Tell me, Muse, of the man of many turns, who was driven far and wide after he had sacked the

sacred city of Troy' Twenty years after setting out to fight in the Trojan War, Odysseus is yet to return home to Ithaca. His household is in disarray: a horde of over 100 disorderly and arrogant suitors are vying to claim Odysseus' wife Penelope, and his young son Telemachus is powerless to stop them. Meanwhile, Odysseus is driven beyond the limits of the known world, encountering countless divine and earthly challenges. But Odysseus is 'of many wiles' and his cunning and bravery eventually lead him home, to reclaim both his family and his kingdom. The *Odyssey* rivals the *Iliad* as the greatest poem of Western culture and is perhaps the most influential text of classical literature. This elegant and compelling new translation is accompanied by a full introduction and notes that guide the reader in understanding the poem and the many different contexts in which it was performed and read.

Your Life in Christ

Foundations in Catholic Morality

Your Life in Christ: Foundations in Catholic Morality introduces students to a traditional understanding of morality, encouraging them to undergo a deep and regular examination of conscience while making daily decisions to live a moral life.

The Church

Christ in the World Today

The Church: Christ in the World Today guides the students in exploring and understanding the Catholic Church, as well as its origin, structure, and mission. Additionally, the course addresses the roles of the hierarchy, those in religious life, and the laity in supporting the mission of the Church. Particular attention is paid to the global presence of the Church as a light to all people. The second edition of our popular Living In Christ series offers updated navigation, organizing and synchronizing curriculum across both teacher guides and student books. The student books have shifted from a section-part-article structure to a unit-chapter-article structure where sections become units and a part is now a chapter.
