Stark and realistic."—RTBooks Penelope (Lo) Marin has always loved to collect beautiful things. Her dad's consulting job means she's grown up moving from one rundown city to the next, and she's learned to cope by collecting (sometimes even stealing) quirky trinkets and souvenirs in each new place--possessions that allow her to feel at least some semblance of home. But in the year since her brother Oren's death, Lo's hoarding has blossomed into a full-blown, potentially dangerous

obsession. She discovers a beautiful, antique butterfly pendant during a routine scour at a weekend flea market, and recognizes it as having been stolen from the home of a recently murdered girl known only as "Sapphire"--a girl just a few years older than Lo. As usual when Lo begins to obsess over something, she can't get the murder out of her mind. As she attempts to piece together the mysterious "butterfly clues," with the unlikely help of a street artist named Flynt, Lo quickly finds herself caught up in a seedy, violent underworld much closer to home than she ever imagined--a world, she'll ultimately discover, that could hold the key to her brother's tragic death.

As Georgia sifts through Dena's 42,000 Facebook followers, she discovers that unknown enemies hiding behind fake profiles have infiltrated the group. She finds others who will do whatever it takes—including murder—to shield right-wing, wealthy elites. Threats and bruises have never frightened Georgia, but she's side-swiped by the sudden reappearance of the mother who abandoned her when she was a child. Fans of all political stripes will enjoy this combination of intricate family relationships and realistic crime fiction." Julie Whiteley, *Library Journal* "Entertaining...(Georgia is) a shrewd investigator... for readers who watch the nightly news with dismay, the novel offers a satisfying alternate reality." *Publishers Weekly* "HIGH CRIMES is the P.I. novel for our moment, not just because of its backdrop of

political tension, but because of the resilient strength of its characters. Georgia Davis is a terrific lead, and Libby Fischer Hellmann calls on her own journalism background to add layers of realism to this all-too plausible plot." Michael Koryta, *NY Times Bestselling Author of HOW IT HAPPENED* "In this ripped from the headlines and rocket-paced thriller, Libby Fischer Hellmann is at the top of her game. You won't stop turning the pages, gripped by every twist and turn. And the tough, smart Georgia Davis is sure to take her place among the top female PIs in crime fiction." Lisa Unger, *NY Times Bestselling Author of UNDER MY SKIN* "More than just a murder investigation, but even if you ignore the broader truths, it's a fun read. How Hellmann managed to write this novel as if it was pulled from today's headlines is beyond me. Maybe she has a time machine. I highly recommend it." Pat Balester, *Picks by Pat* "While the story is politically driven, this is still a solid mystery filled with familiar characters who act without political motives...This series continues to improve with each novel." Ted Hertel, *Deadly Pleasures Magazine*

As news of the production spreads, setting off an outpouring of protest that threatens the possibility of the show itself, Eleanor is forced to confront her own naive beliefs about the world.
