The Sixteen Pleasures : Robert Hellenga : 9781616955809
This is my favorite comfy book ever. I love Robert Hellenga's work
and have all his books. But the Sixteen Pleasures is a favorite
because I remember being in elementary school when the flood
occurred. I remember my teacher commenting that the Italians
"didn't deserve to have all that art if they didn't have the sense
to take care of it".
