Find Me

A Novel *Farrar, Straus and Giroux*

A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller *Call Me by Your Name* revisits its complex and beguiling

characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman's haunting *Call Me by Your Name*. First published in 2007, it was hailed as "a love letter, an invocation . . . an exceptionally beautiful book" (Stacey D'Erasmus, *The New York Times Book Review*). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In *Find Me*, Aciman shows us Elio's father,

Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. *Find Me* brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever

dies.

Enigma Variations

A Novel *Macmillan*

A passionate portrait of love's contradictory power, in five illuminating stories Andre Aciman, who has been called "the most exciting new fiction writer of the twenty-first century" (New York Magazine), has written a novel in *Enigma Variations* that charts the life of Paul whose loves remain as consuming and covetous throughout adulthood as they were in adolescence. Whether in southern Italy, where as a boy he has a crush on his parents' cabinet maker, or on a snowbound campus in New England, where his enduring passion for a girl he'll meet

again and again over the years is punctuated by anonymous encounters with men; on a tennis court in Central Park, or a sidewalk in early spring New York, his attachments are ungraspable, transient and forever underwritten by raw desire—not for just one person's body but, inevitably, for someone else's as well. In mapping the most inscrutable corners of desire, Aciman proves to be an unsparing reader of the human psyche and a master stylist of contemporary literature. With language at once lyrical, bare-knuckled, and unabashedly candid, he casts a sensuous, shimmering light over each facet of desire to probe how we ache, want, and waver,

and ultimately how we sometimes falter and let go of those who may want only to offer what we crave from them. Behind every step the hero takes, his hopes, denials, fears, and regrets are always ready to lay their traps. Yet the dream of love always casts its luminous halo. We may not always know what we want. We may remain enigmas to ourselves and others. But sooner or later we discover who we've always known we were.

Nobody's Perfect

Writings from The New Yorker *Vintage*

Anthony Lane on Con Air— “Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load.

Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.” Anthony Lane on *The Bridges of Madison County*— “I got my copy at the airport, behind a guy who was buying *Playboy's Book of Lingerie*, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on *Martha Stewart*— “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn

it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton. *Nobody’s Perfect* is an unforgettable collection of Lane’s trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar.

Four by Truffaut

The Adventures of Antoine Doinel *Simon & Schuster*
 “These four films about adolescence, youth

and first love range from the brutal realism of *The 400 Blows* to the subtle comedy of *Stolen Kisses*, each of them built around one central character, Antoine Doinel, who grows from an embattled and rejected child. in the first and most famous of these films, to the puzzled, sympathetic and always hopeful young man of the later ones”-Page 4 of cover.

False Papers *Farrar, Straus and Giroux*

Essays on memory by the author of *Our of*

Egypt "We remember not because we have something we wish to go back to, nor because memories are all we have. We remember because memory is our most intimate, most familiar gesture. Most people are convinced I love Alexandria. In truth, I love remembering Alexandria. For it is not Alexandria that is beautiful.

Remembering is beautiful." Celebrated as one of the most poignant stylists of his generation, André Aciman has written a witty, surprising series of linked essays that ponder the experience of loss, moving from his forced departure from Alexandria as a teenager, through his brief stay in Europe, and finally to the home he's made (and half

invented) on Manhattan's Upper West Side.

Everything Is Cinema

The Working Life of Jean-Luc Godard *Metropolitan Books*

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age. When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd

businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women

and fellow New Wave filmmakers. Everything Is Cinema confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

Eight White Nights

A Novel *Farrar, Straus and Giroux*

A LUSHLY ROMANTIC NOVEL FROM THE AUTHOR OF CALL ME BY YOUR NAME *Eight White Nights* is an unforgettable journey through that enchanted terrain where passion and fear and the sheer craving to ask for love and to show love can forever alter who we are. A man in his late twenties goes to a large Christmas party in Manhattan where a woman introduces herself with three

words: "I am Clara." Over the following seven days, they meet every evening at the same cinema. Overwhelmed yet cautious, he treads softly and won't hazard a move. The tension between them builds gradually, marked by ambivalence, hope, and distrust. As André Aciman explores their emotions with uncompromising accuracy and sensuous prose, they move both closer together and farther apart, culminating on New Year's Eve in a final scene charged with magic and the promise of renewal. *Call Me by Your Name*, Aciman's debut novel, established him as one of the finest writers of our time, an expert at the most sultry depictions of longing

and desire. As The Washington Post Book World wrote, "The beauty of Aciman's writing and the purity of his passions should place this extraordinary first novel within the canon of great romantic love stories for everyone." Aciman's piercing and romantic new novel is a brilliant performance from a master prose stylist.

A Novel of China at War *Open Road Media*

A New York Times–bestselling historical novel about the Japanese invasion of Nanking from the author of *The Good Earth*. Farmer Liang Tan knows only a quiet, traditional life in his remote Chinese farming community. When news filters in that Japanese forces are invading the country, he and his fellow villagers believe that if they behave decently to the Japanese soldiers, the civilians might remain undisturbed. They're in for a shock, as the attackers lay waste to the country and install a puppet government designed to

In response, the Chinese farmers and their families form a resistance—which not only carries grave risk, but also breaks their vow of nonviolence, leading them to wonder if they're any different than their enemy. Later adapted into a film featuring Katharine Hepburn, *Dragon Seed* is a brilliant and unflinching look at the horrors of war. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Wesley is a fabulous kid, whose equally fabulous best friend Theo has just won a big school election and simultaneously surprises everyone in his life by announcing that he is gay. Phil

The Rip-Roaring (and Unauthorized!) Biography of Golf's Most Colorful Superstar *Simon and Schuster*

A juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial

life—as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida

Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield as leverage against the

PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

Lie With Me

A Novel Scribner

The award-winning, bestselling French novel by Philippe Besson—"the French Brokeback Mountain"

(Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed

actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the

relationship he's never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.

Sentenced to a psychiatric institution, David's obsession metastasizes, and upon his release, he sets out to win the Butterfields back by any means necessary. Brilliantly written and intensely sexual, *Endless Love* is the deeply moving story of a first love so powerful that it becomes dangerous—not only for the young lovers, but for their families as well. Death is Nothing at All

An Illustrated Ode to Grief, Loss, Pain, Resilience, and Healing

Grief is extraordinarily complex. How one copes with loss varies from person to person, moment to moment. Sorrow is one's own. *Death is Nothing at All* is an illustrated ode to grief, sorrow, loss, pain, resilience, and healing. After losing her daughter, Author Mamamaja sought out an outlet for the waves of emotions she suffered in the aftermath of her tremendous loss. She created this illustrated book using words she combined from Henry Scott Holland's moving

writings about grief. *Death is Nothing at All* pays homage to all who've been lost and those left grappling with pain, sorrow, and the void left in their lives. This extended version joins Holland's *The King of Terror* with *Death is Nothing at All* and creates a moving narrative of the shifting emotions and visceral realities of life after loss. It's Mamamaja's hope that the words and accompanying illustrations will provide comfort, inspire healing, and speak to the grief and pain of loss. "Death is nothing at all. It doesn't count. I have only slipped away into the next room."

Now sixteen, Zoe is a passionate, intelligent girl, chafing against her mother's protectiveness, yearning to find intensity and a bit of danger. Barging into this world as itinerant fruit-pickers come a desperate brother and sister from Sydney. The hard-bitten Sheena has kidnapped her wild, ebullient eighteen-year-old brother Kieran and dragged him out west, away from trouble in

the city. Kieran and Zoe are drawn to each other the instant they meet, sparking excitement, worry, lust, trouble . . . How do we protect people we love? How do we bear watching them go out into the perilous world with no guarantee of safety or happiness? What bargains do people make with darkness in order to survive? From the creator of *Offspring* and author of *Useful*, *The Whole Bright Year* is a gripping, wry and tender novel about how holding on too tightly can cost us what we love.

meditation . . . and more! A stylish, stunningly precise, and suspenseful meditation on adolescent desire, female friendship, and the female body that shimmers with rage, wit, and fierce longing—an audacious, darkly observant, and mordantly funny literary debut for fans of Emma Cline, Ottessa Moshfegh, and Jenny Offill. One year ago, the person Olivia adores most in the world, her father, left home for a meditation retreat in the mountains and never returned. Yearning to make sense of his shocking departure and to escape her overbearing mother—a woman as grounded as her father is mercurial—Olivia runs away from home and retraces his path to a place known as the Levitation Center. Once there, she enrolls in their summer program for troubled teens, which Olivia refers to as “Buddhist Boot Camp for Bad Girls”. Soon, she finds herself drawn into the company of a close-knit trio of girls determined to transcend their circumstances, by any means necessary. Led by the elusive and beautiful Serena, and her aloof, secretive acolytes, Janet and Laurel, the girls decide this is the summer they will finally achieve enlightenment—and learn to levitate, to defy the weight of their bodies, to experience ultimate lightness. But as desire and danger intertwine, and Olivia comes ever closer to discovering what a body—and a girl—is

capable of, it becomes increasingly clear that this is an advanced and perilous practice, and there's a chance not all of them will survive. Set over the course of one fateful summer that unfolds like a fever dream, *The Lightness* juxtaposes fairy tales with quantum physics, cognitive science with religious fervor, and the passions and obsessions of youth with all of these, to explore concepts as complex as faith and as simple as loving people—even though you don't, and can't, know them at all. "A suspenseful debut."

Essays on Gender and Sexuality in Glee *McFarland*

These new essays examine the many ways that issues of gender and sexuality intersect with other identities and practices--including race, religion, disability, music and education--on the Fox hit program Glee. With gender and sexuality concerns at the crux, the authors tackle such specific aspects of the show as the coming out narrative, Glee fandom and fan fiction, representation of sex education, and the intersection of Broadway music and queerness. The aim of these essays is to open

up a dialogue about Glee--which is often dismissed by critics and fans alike--and to reveal how scholars are critically engaging with the show around issues of gender and sexuality.

The Privileged Poor

How Elite Colleges Are Failing Disadvantaged Students

Harvard University Press

An NPR Favorite Book of the Year Winner of the Critics' Choice Book Award, American Educational Studies Association Winner of the Mirra Komarovsky Book Award Winner of the CEP-Mildred García Award for Exemplary Scholarship "Eye-opening...Brings home the pain and reality of on-campus poverty and puts the blame squarely on elite institutions."

—Washington Post
"Jack's investigation redirects attention

from the matter of access to the matter of inclusion...His book challenges universities to support the diversity they indulge in advertising." —New Yorker "The lesson is plain—simply admitting low-income students is just the start of a university's obligations. Once they're on campus, colleges must show them that they are full-fledged citizen." —David Kirp, American Prospect "This book should be studied closely by anyone interested in improving diversity and inclusion in higher education and provides a moving call to action for us all." —Raj Chetty, Harvard University The Ivy League looks different than it used to. College presidents and deans of admission

have opened their doors—and their coffers—to support a more diverse student body. But is it enough just to admit these students? In this bracing exposé, Anthony Jack shows that many students' struggles continue long after they've settled in their dorms. Admission, they quickly learn, is not the same as acceptance. This powerfully argued book documents how university policies and campus culture can exacerbate preexisting inequalities and reveals why some students are harder hit than others.

I Left It on the Mountain

A Memoir *St. Martin's Press*

On his 53rd birthday, Kevin Sessums woke up in his L.A. hotel room wondering how he would get through his scheduled interview with Hugh Jackman. For years he had interviewed the bright lights: Madonna, Courtney Love, Jessica Lange, and all the

other usual suspects; but, Kevin knew that his rapidly unraveling life was as shallow as the hotel's hip furniture and he was hanging on by his fingertips. In *I Left It on the Mountain*, Sessums chronicles his early days in NY as an actor, his years working for Andy Warhol at Interview and Tina Brown at Vanity Fair, countless nights of anonymous sex, his HIV Positive diagnosis and his descent into addiction. It's also the chronicle of one man's spiritual redemption found while climbing to the top of Mt. Kilimanjaro, walking the Camino de Santiago de Compostelo and trudging across the cold, lonely winter beaches of Provincetown. Peopled with the famous like

Daniel Radcliffe and Diane Sawyer as well as anonymous companions corporeal and otherwise whom he met while mountain climbing and hiking, *I Left It on the Mountain* is the story of one man's fall and rebirth, the next moving chapter in Kevin Sessums' extraordinary life that takes him from the high to the low and back again. For readers who loved Mississippi Sissy and want to know what happened to that tenacious little boy with the baseball mitt, *I Left It On the Mountain* is the sometimes very dark, but ultimately hopeful answer.
