Eva Trammel, plagued by her own insecurities, is drawn into an intense, obsessive relationship with the wealthy and arrogant Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart." --Back cover.

Captivated by You

A Crossfire Novel by Sylvia Day: Summary & Analysis

Captivated by You: Crossfire Series, Book 4, is built using alternating chapters from the two main characters', Gideon's and Eva's, first-person perspectives. Captivated by You uses a unique and most refreshing literary device for romance genre, and one which proves emotional-ly anchoring for the reader and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier, real-life issues. The narrative in this book is female focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking - and (bonus, cherry-on-top) yes ladies he cooks in the kitchen - not just in bed! Eva and most fe-male readership will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so, that the book's title Captivated By You is understated and might be better renamed, Can't Live an Hour Without You. (Yes, it's a tongue in cheek title - or at least his tongue in her cheek(s) title.) The two main characters are, Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy. Largely, their neediness stems from their abusive sexual pasts. While, both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue holds all chapters together. There is Monday-night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, after work sex, and sex after sex And, yes, this sex starts to wear thin (as likely so do the sheets) about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another, as even the primal nature of the page garners Gideon's "Angel mine," and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today! As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my

addiction... my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... *Entwined with You* From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... *Captivated by You* Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...
