Race Nation And Religion In

Yet scholars and others still tend to believe that religious identities thrive only in "non-Western" societies. By exploring the ties between race, nation, and religion in the Americas, this volume forces us to reevaluate the reductive opposition between secular modernity and its religious others. Keywords: race, nation, religion, collective identity, secularization, modernity, United States, the Americas, interdisciplinary, anthropology, history, religious studies, American studies ...

Race, Nation, and Religion in the Americas - Oxford ...

The introduction to the collection offers a theoretical overview of the relationships among race, nation, and religion as categories of collective identity formation. It argues, in brief, that these categories are always already inextricably linked and cannot be studied in isolation from each other—that they are, in fact, co-constituted categories, wholly dependent on each other for their ...
