The simple act of voting has often been contested—in some countries, now more than ever amid the challenges of the COVID-19 pandemic. In addition to protecting voter rights and addressing issues of campaign finance and electoral reform, we support groups that monitor government action and promote transparency and accountability as a check on corruption and abuse in the democratic process.

Democratic Practice - Open Society Foundations

The University of Reading's research is divided into five open-ended and overlapping themes: Environment, Food and Health, Heritage and Creativity, and Prosperity and Resilience.

Themes - University of Reading

How we engage. Social justice, equity, transparency and inclusion are vital to achieving IUCN's vision and mission. Rights-based and socially inclusive approaches to conservation are fundamental for effective natural resource management and its contribution to human wellbeing and biodiversity.

Governance and Rights | IUCN

How can international institutions

contribute to the implementation of SDGs and the promotion of peace, democracy, and economic development? The governance and institutions theme tries to get at these questions using state-of-the-art qualitative and quantitative empirical research methods for low and middle-income countries, including fragile and (post)-conflict societies.

UNU-MERIT » 4. Governance and institutions

4. Key themes of liberalism – liberalism as key form of idealism (belief that international politics should be based on morality); optimism about human progress, cooperation and peace; biases in favour of international cooperation (complex interdependence; tendency towards regional and global governance, etc), etc.
