In Achieving Our Country Leftist

Achieving Our Country: Leftist Thought in Twentieth-Century America is a 1998 book by American philosopher Richard Rorty, in which the author differentiates between what he sees as the two sides of the left, a cultural left and a reformist left.

Achieving Our Country - Wikipedia

Achieving Our Country criticizes academic theorists and reminds us that left-wing reformers in previous periods of American history either made their careers outside the university or, at least, developed strong links with the decidedly non-academic labor movement... Rorty's distinction between a 'cultural Left' and a 'reformist Left' is useful.

But Rorty pulled no punches in the his first Massey lecture, "*American National Pride: Whitman and Dewey*," which would later become *Achieving Our Country*, a book that argues that the U.S. once had a genuine social democratic left but has since been eclipsed by a new kind of left that he sees as having exhausted its political potential. This old, social democratic left "collapsed during the late sixties under the burden of the conflagration surrounding the Vietnam War" and was ...

Lessons for the Left: Achieving Our Country Revisited ...

Richard Rorty's *Achieving Our Country* attempts both to establish a distinction between the "Old" and "New" Left in American politics and to try to protect and reinvigorate the former from the assaults of the latter. His complaint is that the Old Left, also called the "Reformist Left," suffered setbacks in the sixties as a New Left emerged that felt the Old Left was complicit in the greatest of crimes, namely, the Vietnam War.
