Trafalgar: The Nelson Touch ...

Nelson is portayed as a leader with uncommon touch for bold military strategy and even more uncommon touch for leading men with affection and

raport. This was very unusual in 1800. This book also portrays the battle of Trafalgar in the terrible ways of naval battle with 800 men ships demolishing eachother at point blank range.

While on shore leave, in August 1805, Nelson told his friend, Lord Sidmouth, about his ideas for his next sea battle. This collection of ideas he dubbed the Nelson Touch. Nelson planned to divide his fleet into three sections. The largest part would engage closely with one section of the enemy's fleet crushing it with greater numbers. The other ships, sailing in two columns, would cut the enemy line and prevent them from coming to the aid of their comrades.

The book touches upon Nelson's personal life, but more so Nelson's admiration of his shipmates in the Royal Navy fleet, and the impact and aftermath of his demise after the Battle of Trafalgar. The details and placement of the ships throughout the battle is necessarily dry and slows the read a bit, but it brings with it the understanding of how the fleet was devastated by storm after the battle.
