Leader standard work exists to enable leaders to better support other people in the organization who are closer to the customer in creating value. It's about servant leadership. With leadership standard work, I think it's important for any organization to start simple and then evolve.

Leader Standard Work: Where to Start
The first one is a production capacity sheet to define what capacity you have available. The second one is a standard work combination table to define when the operator is doing what. The third one is a standard work layout sheet to help with the layout and arrangement of the machines.
