prejudice and discrimination ...

While prejudice is an implicit concept that has to do with mindsets, attitudes and mental frameworks, discrimination is an animated version of this, which we see happening around us. As we do know, discrimination, or the overt expression of prejudiced behaviour, is basically what could potentially cause damage.

The Psychology of Prejudice and Discrimination

The relationship between prejudice and discrimination is stronger than most attitude-behavior relationships. The prejudice-discrimination relationship is weaker when people can control their responses to social groups. People are more likely to discriminate against

individuals who do not fit their personal stereotypes. Answer: c, pp. 376-377

Chapter 10: From Prejudice to Discrimination

In the first comprehensive textbook on prejudice with a strong psychological research base, Whitley and Kite cover a broad range of topics including race and ethnicity, gender, sexual orientation, and ageism. By integrating theory and research with students' own experiences, the authors increase students' awareness of influences that shape prejudices. As students are asked to evaluate research ...
