Love and Space Dust *CreateSpace*
"And in the end we are nothing more than love and space dust." From the author of Lilith's Tears, The Travelling Circus of Lacrimosa and Could You

Ever Live Without? Love & Space Dust is a poetry anthology exploring love and eternity. Timeless poetry of feeling and emotion, Love & Space Dust carries readers on a journey through love, life and relationships, and then far beyond, into the stars and the far flung galaxies, where all that remains of the feelings we once felt and the lives we once lived is love and space dust.

Love And Space Dust Volume II *Independently Published*
A long awaited sequel to the international best seller Love And Space Dust, Volume II continues the journey into the stars. Heartfelt poetry of raw emotion, Love And Space Dust II brings the narrative of the first volume to a conclusion. It's a story of healing, of hope, of searching for true love and how, in the infinite cosmos, through galaxies and time, soulmates always find each other. David Jones is an internationally best selling author of six poetry books and a novella. He runs the popular @storydj Instagram account which is followed by over a quarter of a million poetry lovers from around the world.

Love As the Stars Went Out *CreateSpace*
'How strange to dream of you, even when I am wide awake.' From the author of 'Love and Space Dust' and 'Could You Ever Live Without?', 'Love As The Stars Went Out' is a collection of poetry from the end of the world. Poems of love, feeling and emotion, the collection encompasses all of life, and even beyond. Simple and elegant, the book contains all the poetry of existence.

Loud World, Quiet Thoughts
From the author of the best selling poetry collection Love And Space Dust and the writer behind the internationally famous poetry account @storydj comes a book about love, heartbreak, life - and how to survive all three amongst the noise of our modern world. Loud World, Quiet Thoughts is divided into two parts. The first consists of short prose, aphorisms and quotes focused on the deafening noise of the modern world; of social media, of television, and pressure. It embodies the endless anxiety of contrasting voices and white noise so loud that it drowns out our own thoughts. The second consists of beautiful poetry drawn from our quietest thoughts and the depths of our souls, thoughts about love and heartbreak and, most of all, hope. Above all else, Loud World, Quiet Thoughts is a book about reconciling the secret spaces of your heart with the white noise of the world outside.

The Space of Love *Ringling Cedars Press LLC*
Nothing you have read in Books 1 and 2 has prepared you for Book 3-The Space of Love.

Moonlight and You *Createspace Independent Publishing Platform*
"You were never my dream to dream." Moonlight And You is not only about dreams, but what remains of those dreams after the dawn, and what is left of our wildest hopes, our most vivid fantasies and our fairytale loves. The book explores themes of love, relationships, heartbreak and loss but also hope, and the search for happiness. Its setting is ethereal night's beneath the moon, when time stands still and anything in the world seems possible. Moonlight And You blurs the boundaries between love, dreams and reality. It delves into our dreams, and how we might hold onto them after the embers of the dawn. David Jones is the author of the best selling Love And Space Dust, Could You Ever Live Without, Highway Heart, Love As The Stars Went Out, and Death's Door.

Pale Blue Dot

A Vision of the Human Future in Space *Ballantine Books*
“Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan’s books.”—The Washington Post Book World (front page review) In Cosmos, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel, Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In Pale Blue Dot, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race. “Takes readers far beyond Cosmos . . . Sagan sees humanity’s future in the stars.”—Chicago Tribune

Her Happy Ever After

Book Three of the Love's Territory Series *Createspace Independent Publishing Platform*

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Some humor is interjected to soften the dryness of the subject matter. Delightful illustrations will welcome you along for the fun. Come along for the ride and begin your adventure into light science. Find out why some ideas from days past are no longer considered correct and how that changes the way we will all look at the science of the stars in the future.

Naturally Composed

The Art of Using the Love of Aesthetics We Are Born With to Keep Our Viewer's Interest in Our Image. *Createspace Independent Publishing Platform*

A look at why we are interested in what we see in art. Are we born with aesthetic preferences that are shaped by cultural influences? Is our natural attraction to Beauty another weapon in our arsenal of species' survival? This book examines many so-called rules of composition in the visual arts to find natural reasons for their existence. It is designed to aide the visual artist and those who appreciate their work by bringing attention to subtle cues of attraction cultivated by our ancient and immediate ancestors. It calls upon recent work in neuroaesthetics and other scientific disciplines to back up its speculative claims, and asks the reader to contribute opinions of their own on the books' website at naturallycomposed.com. There are many

examples of photos in the book, and the reader is again asked to insert their own examples to enforce or refute the claims.

No Place Like Earth *Createspace Independent Publishing Platform*

A child's dream takes us on a journey through space. The child looks for a place to land while exploring each planet, but some are too hot, some are too cold, and some are just made of liquid and gas. Only planet Earth is just right. Fun rhyming text introduces children to each planet and basic facts about it. The text is accompanied by stunning images of a rocket traveling through the solar system, interspersed by close up images of each planet in order. Walking Into Love

Grief put her down. Can love pick her up?Newlyweds Renny and Adam Carter have been married for six wonderful months. One evening their peaceful ride down a misty two-lane road in Whisper, North Carolina is tragically interrupted. They're hit by a truck carrying tree logs. Renny's husband is instantly killed. She escapes with a broken life, a broken heart, and a fractured mind.Merek Spencer's mother was kidnapped fifteen years ago. The event shocked the small and idyllic town of Whisper. But soon the spectacular crime lost its luster, and things returned to normal for everyone except Merek and his father, James, who blames himself for the crime. For this reason, Merek has had to play role reversal with his father. And despite Merek's model good looks, he is a loner by choice, working late hours as an architect. At age 36, he has had plenty of opportunities to open himself up to love, but for some reason he cannot. All of that changes when he meets Renny Carter on the worst night of her life. He pulls her out of a wrecked car and his long dormant feelings awaken from their deep sleep. Reluctantly and ashamedly, Renny also feels the connection.Merek and Renny part ways never expecting to see one another again. Fate has another plan. How soon should love arise after a devastating loss? Can such a love be

legitimate? What about the guilt? Can such a love be of God?

Prose & Cons

A Collection of Prose & Poetry Following the Evolution of Love Createspace Independent Publishing Platform

Introduction -The phenomena that is falling in love is a journey. Like all journeys, as love finds us, we also find ourselves. We are awakened to our dreams, our fears, our insecurities. Our eyes are opened to another reality where we are no longer alone and our actions don't solely affect us. There are things we must give up: control, fear, our past to name a few, and we have infinite things to gain. Love is like getting on a rollercoaster for the first time. The apprehension almost strong enough to make you think twice, but you get over that fear. You wait in line, you learn patience and how to calm your irrational fears. Then you are strapped in and a new wave of fear washes over you. Then it begins, and it is much too late to turn back. In that moment you wonder what the hell you were thinking. It starts, you endure the ups and down, the twists and turns, the ugly feelings in your belly, and then it's over. You realize it wasn't so bad and that the experience made all that came with it worthwhile. This book is a collection of prose and poetry focused on the unique experience of falling in love. Though we will all experience love differently, I hope these words touch, heal, and encourages its readers to be fearless in the face of love.

Forbidden Love in the Land of Sheba

15 year old Hana has a crush on her 20 year old cousin Farook. However, he leaves to study medicine in Scotland. Her parents force her to marry another cousin, twice her age, a fat abusive chauvinistic brute. Ten years later, she has no children, and sinks into depression. Farook returns to Sanaa to set up an eye clinic next door. She attempts suicide with sleeping pills, but Farook rushes over with his Indian nurse, with a gastric pump and rescues her. During follow up visits, the embers of her teenage love are reignited, and she declares her love to Farook, who learns about Jihad's brutality. She also confides stories about the involvement of her husband, and his brother Hamed, in arms sales, gang rapes and murder for organ harvesting from female medical students. Farook is asked to inspect the body of one such student at the university hospital morgue, and has to testify at the trial of the suspected Kenyan morgue attendant, who had escaped from Nairobi accused of armed robbery there. Farook detects a scar below the lowest rib of Faten, typically seen after nephrectomy. He is warned to keep his nose out of the case by police captain Tahhan, as well as by Jihad and Hamed. He has to choose between heeding their advice and his medical conscience. Farook also suspects that the gang rapes are committed against girls who are first made addicts of cocaine snorting, by some very prominent untouchables from the national security apparatus, and the ruling family. His suspicions are strengthened when the courageous defense lawyer of the Kenyan morgue technician is murdered, together with his wife and three children on a dirt road. Farook's loses his nurse who has to seek an abortion in her native India because Jihad bullies her into sex and gets her pregnant. As Farook begins to respond to Hana's solitude, and her advances, and begins to fall in love with her, obese hypertensive Jihad is hospitalised in the intensive care unit with massive brain hemorrhage. Hana and Farook indulge in forbidden love. But because Jihad's millions are stashed in foreign banks, Hana realizes that she is in mortal danger from Hamed, who feels entitled to the millions of his partner, Jihad, and who stands to inherit all, but only if Hana is dead. She needs to escape from the Land of Sheba before Jihad's impending but unpredictable death. In that patriarchal society, she can only hope to do so with help from a man like Farook, who is beginning to get to know many people who might help the woman he now wants to marry, to fulfill her teenage fantasies.

Seeds Planted in Concrete

Through illustration and poetry, Seeds Planted in Concrete is Bianca Sparacino's raw testament to the beauty that is found within the contrasts of life. Death's Door CreateSpace

"She was like the dawn, insubstantial and somehow transient, as though she would fade from reality at any moment." A novella of love, life and death. Every day the villagers watch as Death, a spectral suit of black armour mounted upon a horse, rides through the valley beneath their mountain top home. After a lifetime living on the edge of Death's domain, his close proximity is neither terrible or threatening, rather he has become a simple fact of life and a familiar neighbour. Nothing seems to change until one night a young boy, alone in the meadows beneath a summer moon, watches a mysterious figure in white approaching the village through the tall grass. That fateful night culminates in a love story that crosses the borders between the village and the valley, childhood and adulthood, and even life and death.

The Cosmic Dust Connection Springer Science & Business Media

Solid particles are followed from their creation through their evolution in the Galaxy to their participation in the formation of solar systems like our own, these being now clearly deduced from observations by the Hubble Space Telescope as well as by IR and visual observations of protostellar disks, like that of the famous Beta Pictoris object. The most recent observational, laboratory and theoretical methods are examined in detail. In our own solar system, studies of meteorites, comets and comet dust reveal many features that follow directly from the interstellar dust from which they formed. The properties of interstellar dust provide possible keys to its origin in comets and asteroids and its ultimate origin in the early solar system. But this is a continuing story: what happens to the solid particles in space after they emerge from stellar sources has important scientific

consequences since it ultimately bears on our own origins - the origins of solar systems and, especially, of our own earth and life in the universe.
