Political Parties Study Guide Answers

Political parties in the United States are porous, decentralized institutions that can be joined readily by people who choose to adopt the party label, usually Democrat or Republican. [10] American parties are not mass membership organizations that require people to pay dues if they want to belong, which is the case in many European democracies.

Reading: Political Parties Today | American Government

Political parties are uniquely placed to address many of the political challenges that arise with natural resource wealth, from authoritarian tendencies to local grievances and impacts. This section examines some of these challenges and the role that parties can play in mitigating risks and advantage of opportunities.

Political parties and natural resource governance

Thus, a party is known by which part it stands for, which policies it supports and whose interests it upholds. A political party has three components: The leaders; The active members; The followers; Functions of Political Parties. Political parties fill political offices and exercise political power.
