Constitution Vocabulary - School of Information Technology

The United States Constitution is considered the supreme law of the land in the U.S. It went into effect on September 25, 1789 and is the oldest constitution still in use in the world. It was created to replace the Articles of Confederation, the first set of laws that governed the new United States of America after the Revolutionary War.

The United States Constitution - Softschools.com
social studies programs should

include experiences that provide for the study of the ideals, principles, and practices of citizenship in a democratic republic. KNOWLEDGE
- Learners will

understand: Concepts and ideals such as: individual dignity, fairness, freedom, the common good, rule of law, civic life, rights, and responsibilities.
