The character is encoded in Unicode as U+00A7 § SECTION SIGN and HTML entities §, §, or §. Origin. Two possible origins are

often posited for the section sign: most probably, that it is a ligature formed by the combination of two S glyphs (from the Latin *signum sectiōnis*). Some scholars, however, are skeptical of this explanation.

Chapter definition and meaning | Collins English

Dictionary

The term comes from Section VIII of the World War II -era United States Army Regulation 615-360, concerning the separation of enlisted men from military service. Section VIII provided for the discharge of men who were deemed mentally unfit for military service. The term "Section 8" eventually came to mean any service member given such a discharge, or behaving as if deserving such a discharge, as in the expression, "he's a Section 8".

Section 8 (military) - Wikipedia

'Now a chapter of history is closing and for very many children, teachers and other staff, memories come

flooding back, some happy and some, of course, not so happy.' 'As such, this marks the beginning of a new chapter in the history of the school and signals a significant increase in the resources and staffing for physical education and sport.'
