It was the highest capacity baler at the time, and the largest small square baler New Holland made. When that baler phased out, we went to a 575. The 575 Baler was built for over 25 years. That was the Cadillac of small square balers. Industry-standard number one baler in the industry. We're going to look at that baler and see some of the changes they made from a 326 to a 575. Then we're going ...
