Patriots

A Novel of Survival in the Coming Collapse *Simon and Schuster*

In this post-apocalyptic thriller, a group of American friends search for safety following disaster, but danger is hunting for them. America faces a full-scale socioeconomic collapse—the stock market plummets, hyperinflation cripples commerce, and the mounting crisis passes the tipping point. Practically overnight, the fragile chains of supply and high-technology infrastructure fall, and wholesale rioting and looting grip every major city. As hordes of refugees and looters pour out of the cities, a small group of friends living in the Midwest desperately tries to make their way to a safe-haven ranch in northern Idaho. The journey requires all their skill and training since communication, commerce, transportation and law enforcement have all disappeared. Once at the ranch, the group fends off vicious attacks from outsiders and then looks to join other groups that are trying to restore true Constitutional law to the country. Patriots is a thrilling narrative depicting fictional characters using authentic survivalist techniques to endure the collapse of the American civilization. Reading this compelling, fast-paced novel could one day mean the difference between life and death. Praise for James Wesley, Rawles “Rawles is an amazingly gifted author who has singlehandedly reignited the postapocalyptic thriller.” —Brad Thor, #1 New York Times–bestselling author

Patriots *Baen Publishing Enterprises*

REVOLT ON A FRONTIER PLANET The corrupt Earth government is sending an army to Greenwood to remove the pioneers who discovered and settled the planet: the potential profits are too great to leave the world to scraggly ne'er-do-wells! Though the rugged individualists of Greenwood may be fractious and disinclined to agree on most things, the greedy politicians of Earth will learn a harsh lesson if they think the settlers won't join together to save their livelihoods and homes! Under Yerby Bannock, who never walked away from a drink or a fight, the Greenwood patriots will face thugs in the night, lawyers in a distant court, traitors in their own ranks¾ And, if they have to, a fortress built to shrug off the assault of a battlefleet! At the publisher's request, this title is sold without DRM (Digital Rights Management).

Patriots

Surviving the Coming Collapse : a Novel of the Turbulent Near Future

Patriots: Surviving the Coming Collapse is novel set in the near future that describes a full scale socioeconomic collapse. More than just an exciting read, it is packed with useful survival and preparedness tips. It was described by one reviewer as "A survival manual neatly dressed as fiction." An earlier short draft edition of the novel was distributed as shareware on the Internet in the early 1990s. At the time, despite the relatively small readership of the Internet, it had more than 82,000 downloads, making it the nets most popular shareware novel of the decade. It was hosted at seven mirror sites on three continents. "Patriots" is distinctly pro-Christian, pro-preparedness, pro-gun ownership, and anti-racist. It is considered a "must read" by those are concerned with the fragility of our society, and those interested in preparedness. It is also popular in Libertarian circles. "Patriots" was authored by James Wesley, Rawles, the editor of www.SurvivalBlog.com

Survivors

A Novel of the Coming Collapse *Simon and Schuster*

Follows a group of people struggling in the face of a full-scale socioeconomic collapse in America that has caused the breakdown of all technology and supply chains while unleashing riots and predatory gangs throughout the country.

Expatriates

A Novel of the Coming Global Collapse *E P Dutton*

A survivalist thriller follows the efforts of two American expat families to survive in the midst of a global economic collapse marked by the powerful rise of a radicalized Islamic government.

Liberators

A Novel of the Coming Global Collapse *Plume*

"The latest survivalist thriller from the New York Times bestselling author and founder of survivalblog.com gives readers an unprecedented look into a post-apocalyptic world resulting from an all-too-real disaster scenario. When looting and rioting overwhelm all the major US cities, Afghanistan War vet Ray McGregor makes his way from Michigan's Upper Peninsula to his parents' cattle ranch in Bella Coola, British Columbia, in remote western Canada. Joining him is his old friend Phil Adams, a Defense Intelligence Agency counterintelligence case officer based in Washington State. Reckless banking practices, hyperinflation, and government negligence have led to an unprecedented socioeconomic collapse in America that quickly spreads throughout the world. Lightly populated Bella Coola is spared the worst of the chaos, but when order is restored it comes in the form of a tyrannical army of occupation. Ray and Phil soon become key players in the resistance movement, fighting the occupiers in a war that will determine not only their own personal survival, but also the future of North America. Liberators depicts a world that is all too conceivable and terrifyingly familiar. Fastpaced and packed with authentic information on outdoor survival, self-sufficiency, and small-unit tactics, James Wesley, Rawles's latest thriller will resonate with his dedicated fanbase and encourage new readers to prepare for anything from lesser disasters to the dreaded worst-case scenario"--

Founders

A Novel of the Coming Collapse *Simon and Schuster*

A former U.S. Army intelligence officer and editor of SurvivalBlog.com returns readers to the postapocalyptic world of Patriots, where a full-scale socioeconomic breakdown has eliminated all legal and technological infrastructure and subjected the world's survivors to constant violence and chaos.

How to Survive the End of the World as We Know It

Tactics, Techniques, and Technologies for Uncertain Times *Penguin*

Read James Wesley, Rawles's posts on the Penguin Blog In the vein of Sam Sheridan's The Disaster Diaries, a comprehensive guide to preparing for the apocalypse! With the recent economic crisis, formerly unimaginable scenarios have become terrifyingly real possibilities- learn how to prepare for the worst Global financial collapse, a terrorist attack, a natural catastrophe-all it takes is one event to disrupt our way of life. We could find ourselves facing myriad serious problems from massive unemployment to a food shortage to an infrastructure failure that cuts off our power or water supply. If something terrible happens, we won't be able to rely on the government or our communities. We'll have to take care of ourselves. In How to Survive the End of the World as We Know It, James Rawles, founder of SurvivalBlog.com, clearly explains everything you need to know to protect yourself and your family in the event of a disaster-from radical currency devaluation to a nuclear threat to a hurricane. Rawles shares essential tactics and techniques for surviving completely on your own, including how much food is enough, how to filter rainwater, how to protect your money, which seeds to buy for your garden, why goats are a smart choice for livestock, and how to secure your home. It's the ultimate guide to total preparedness and self-reliance in a time of need.

We live in precarious times, and sensible people all around the world are recognizing that preparedness could mean the difference between life and death. Author John Wesley, Rawles—one of the world’s leading survivalist experts—explains how to survive in the short term as society begins to collapse, and how to thrive in the long term. Practical, easy-to-follow instructions are included to instruct you on the preparations you can make today, as well as advice on the mental and emotional resilience required to help you not just cope but prosper in the new world.

Survivors

A Novel of the Coming Collapse *Simon and Schuster*

Follows a group of people struggling in the face of a full-scale socioeconomic collapse in America that has caused the breakdown of all technology and supply chains while unleashing riots and predatory gangs throughout the country.

World Made by Hand *Grove/Atlantic, Inc.*

In this “richly imagined” dystopian vision, mankind must find a way to survive as modern civilization slowly comes apart (O, The Oprah Magazine). When Earth ran dry of oil, the age of the automobile came to an end; electricity flickered out. With deprivation came desperation—and desperation drove humanity backward to a state of existence few could have imagined. In the tiny hamlet of Union Grove, New York, every day is a struggle. For Mayor Robert Earle, it is a battle to keep the citizens united. As the bonds of civilization are torn apart by war, famine, and violence, there are some who aim to carve out a new society: one in which might makes right—a world of tyranny, subjugation, and death. A world Earle must fight against . . . In his shocking nonfiction work, The Long Emergency, social commentator James Howard Kunstler explored the reality of what would happen if the engines stopped running. In World Made by Hand, he offers a stark glimpse of that future in a work of speculative fiction that stands as “an impassioned and invigorating tale whose ultimate message is one of hope, not despair” (San Francisco Chronicle). “Brilliant.” —Alan Cheuse, Chicago Tribune “It frightens without being ridiculously nightmarish, it cautions without being too judgmental, and it offers glimmers of hope we don’t have to read between the lines to comprehend.” —Baltimore City Paper

American Apocalypse

The Collapse Begins *Ulysses Press*

Amid the chaos after the federal government is left powerless after an economic collapse, a teenager tries to survive alone, forced to adapt to homelessness and the constant threats of violence and starvation.

One Second After *St. Martin's Press*

One man struggles to save his family and his small North Carolina town after America loses a war in one second, a war based upon an Electro Magnetic Pulse (EMP) weapon that will send America back to the Dark Ages.

The Next Civil War

Dispatches from the American Future *Simon and Schuster*

The United States is coming to an end. The only question is how. “Well researched and eloquently presented.” —The Atlantic * “It’s not a matter of if but when: A civil war is on the way...In a time of torment, this is a book well worth reading.” —Kirkus Reviews In this deeply researched work of speculative nonfiction that reads like Ezra Klein’s Why We’re Polarized crossed with David Wallace-Wells’ The Uninhabitable Earth, a celebrated journalist takes a fiercely divided America and imagines five chilling scenarios that lead to its collapse, based on in-depth interviews with experts of all kinds. On a small two-lane bridge in a rural county that loathes the federal government, the US Army uses lethal force to end a standoff with hard-right anti-government patriots. Inside an ordinary diner, a disaffected young man with a handgun takes aim at the American president stepping in for an impromptu photo-op, and a bullet splits the hyper-partisan country into violently opposed mourners and revelers. In New York City, a Category 2 hurricane plunges entire neighborhoods underwater and creates millions of refugees overnight—a blow that comes on the heels of a financial crash and years of catastrophic droughts— and tips America over the edge into ruin. These nightmarish scenarios are just three of the five possibilities most likely to spark devastating chaos in the United States that are brought to life in The Next Civil War, a chilling and deeply researched work of speculative nonfiction. Drawing upon sophisticated predictive models and nearly two hundred interviews with experts—civil war scholars, military leaders, law enforcement officials, secret service agents, agricultural specialists, environmentalists, war historians, and political scientists—journalist Stephen Marche predicts the terrifying future collapse that so many of us do not want to see unfolding in front of our eyes. Marche has spoken with soldiers and counterinsurgency experts about what it would take to control the population of the United States, and the battle plans for the next civil war have already been drawn up. Not by novelists, but by colonels. No matter your political leaning, most of us can sense that America is barreling toward catastrophe—of one kind or another. Relevant and revelatory, The Next Civil War plainly breaks down the looming threats to America and is a must-read for anyone concerned about the future of its people, its land, and its government.

Patriots

Surviving the Coming Collapse *Huntington House Pub*

A fast-paced novel that follows a group of Christian survivalists through a stock market crash, an economic collapse, and a second civil war. This novel doesn't just tell readers what could happen in the near future, it explains exactly how to prepare for it. It is packed with useful information on how to survive a disaster.

299 Days: The Preparation *Prepper Press*

Book 9 in the 299 Days Series

Collapse (Sneak Peek First Seven Chapters) *Richard Stephenson*

America is falling, ready to join the Roman Empire as a distant memory in the annals of history. The year is 2027. Tired and desperate, the American people are deep in the middle of The Second Great Depression. The Florida coastline is in ruins from the most powerful hurricane on record; a second just like it is bearing down on the state of Texas. For the first time in history, the Middle East has united as one and amassed the most formidable army the world has seen since the Third Reich. A hidden army of terrorists are on American soil. This is the story of three men - Howard Beck, the world's richest man, also diagnosed with Asperger's Syndrome, Richard Dupree, ex-Navy SEAL turned escaped convict, and Maxwell Harris, a crippled, burned out Chief of Police of a small Texas town. At first they must fight for their own survival against impossible odds. Finally, the three men must band together to save their beloved country from collapse.

Last Stand

Surviving America's Collapse *Alamo*

After a collapse of government following an electromagnetic pulse (EMP), the people of a Tennessee neighborhood find themselves fighting the spreading anarchy that results. John Mack, a former soldier and prepper, hopes his years of training will help him and his fellow community members survive.

American Exit Strategy *CreateSpace*

Liberty minded individuals and those who believe in the Constitution will find this near future, Christian dystopian novel to be right up their alley. Those who are looking to be more informed about the potential threats to America's financial stability will learn what to watch for and how to prepare themselves for an economic collapse. America is on the cusp of financial annihilation. Matt and Karen Bair face the challenges of Main Street during a full scale financial meltdown. Government borrowing and monetary creation have reached their limits. When funds are no longer available for government programs, widespread civil unrest erupts across the country. Matt and Karen are forced to move to a more remote location and their level of preparedness is revealed as being much less adequate than they believed prior to the crisis. Meanwhile, Paul Randall, a third party presidential candidate arises to push back against the welfare and warfare spending that have bankrupted our country. While he has gained expansive acceptance, the fight has just begun. Paul Randall proposes a plan to mitigate the coming hyper-inflationary collapse which is a mathematical certainty. His plan is known as The American Exit Strategy. American Exit Strategy uses survival fiction to take an in-depth look at the real life politics and economics behind the issues that are likely to trigger a currency collapse or financial meltdown in the near future. American Exit Strategy is a work of fiction... until it becomes history.

Last Stand

Patriots *Alamo*

Three months after the EMP cripples the United States, John Mack and his family find their peaceful new existence shattered when a tyrant seizes control of the nearby town of Oneida. Charles Augustus Morgan is a presidential envoy, sent to restore law and order to the area. But his first order of business is to demand the confiscation of all firearms from the local population. Morgan's offer is as ugly as the man himself: disarm or die. When John and his family get caught in the middle, the threat jeopardizes everything they've struggled to rebuild. Soon John encounters a group of Patriots who've sworn to stand against Morgan's growing despotism. But John will learn that nothing in this new post-EMP America is what it seems-and that the deadliest threats are often the ones you didn't see coming.

Surviving Home

A Novel *Plume*

Book 2 of The Survivalist Series No electricity. No running water. No food. No end in sight. If life as you knew it changed in an instant, would you be prepared? In A. American's first novel, Going Home, readers were introduced to Morgan Carter, the resourceful, tough-as-nails survivalist who embarks on a treacherous 250-mile journey across Florida following the collapse of the nation's power grid. Now reunited with his loving wife and daughters in this follow-up to Going Home, Morgan knows that their happiness is fleeting, as the worst is yet to come. Though for years Morgan has been diligently preparing for emergency situations, many of his neighbors are completely unready for life in this strange new world--and they're starting to get restless. With the help of his closest companions, Morgan fights to keeps his home secure--only to discover shocking information about the state of the nation in the process. Fans of James Wesley Rawles, William R. Forstchen's One Second After, and The End by G. Michael Hopf will revel in A. American's apocalyptic tale.

When All Hell Breaks Loose

Stuff You Need to Survive When Disaster Strikes *Gibbs Smith*

A survival expert’s guide for every family to prepare and educate themselves about the skills and mentality necessary to survive a disaster anywhere. This is not your father’s scout manual or a sterile FEMA handout. Entertaining and informative, When All Hell Breaks Loose describes how to maximize a survival mindset necessary for self-reliance. According to the book, living through an emergency scenario is 90 percent psychology, and 10 percent methodology and gear. Relevant quotes and tips are placed throughout the pages to help readers remember important survival strategies while under stress and anxiety. Lundin also addresses basic first aid and hygiene skills and makes recommendations for survival kit items for the home, office, and car. Watch naturalist Cody Lundin in Dual Survival on The Discovery Channel as he uses many of the same skills and techniques taught in his books. When All Hell Breaks Loose provides solutions on how to survive a catastrophe. Lundin addresses topics such as: · Potable drinking water · Storing super-nutritious foods · Heating or cooling without conventional power · How to create alternative lighting options · Building a makeshift toilet & composting the results · Catching rodents for food · Safely disposing of a corpse “The essential survival guide for the twenty-first century.”—Jim Mulvaney, Pulitzer Prize-winning journalist

Going Home

A Novel *Penguin*

When Morgan Carter's car breaks down 250 miles from his home, he figures his weekend plans are ruined. But things are about to get much, much worse: the country's power grid has collapsed. There is no electricity, no running water, no Internet, and no way to know when normalcy will be restored-if it ever will be. An avid survivalist, Morgan takes to the road with his prepper pack on his back. During the gruelling trek from Tallahassee to his home in Lake County, chaos threatens his every step but Morgan is hell-bent on getting home to his wife and daughters.

EMP: Equipping Modern Patriots

With a Story of Survival

The United States has been attacked by an electromagnetic pulse and the populace has been thrown off the electric grid. Chaos and incivility ensue as it becomes clear the government can't control, protect, or even feed the masses. Some were prepared for this event but they must stand against those who are panicking, attacking, and trying to bring down the survivors.

Madhouse at the End of the Earth

The Belgica's Journey Into the Dark Antarctic Night *Crown Publishing Group (NY)*

In August 1897 young Belgian commandant Adrien de Gerlache set sail for a three-year expedition aboard the good ship Belgica with dreams of glory. His destination was the uncharted end of the earth: the icy continent of Antarctica. After a series of costly setbacks the commandant faced two bad options: turn back in defeat and spare his men the devastating Antarctic winter, or recklessly chase fame by sailing deeper into the freezing waters. Sanction tells the harrowing true survival story of an expedition that went terribly awry, of the ship stuck fast in the icy hold of the Bellingshausen

Sea, the crew trapped inside for the entire sunless, Antarctic winter. -- adapted from jacket

Absolute Anarchy *New America Books*

DESCRIPTION: Absolute Anarchy Is The Preppers Bible. Learn the things you must know and acquire the skills you need to survive a state of Absolute Anarchy. There is a strong sense permeating the psyche of millions of Americans that our country is currently experiencing a constitutional crisis, an economic collapse, and the potential for a major Islamic terrorist attack, any of which will bring about a societal collapse. Such a collapse will thrust our nation into a state of absolute anarchy, destroy the American way of life, and lead to the extermination of as much as ninety percent of our citizens. To increase their chances of survival, many Americans have undertaken the task of preparing for the collapse; they have become preppers. Some have been prepping for years but many are new to the idea and experience difficulty determining how to go about it. Absolute Anarchy provides you with the knowledge and a set of practical exercises that will allow you to gain the skills necessary to become a self-reliant prepper, fully capable to contend with a complete societal collapse. Absolute Anarchy answers the following questions: -What am I preparing for? -What duration should I prepare for? -What is the difference between preppers, self-reliant preppers, and survivalist preppers? -Why should I be a prepper? -What are the necessary basic prepper knowledge and skills? -What are the things a prepper must do to be fully prepared? -Should I join a prepper group, commonly referred to as a MAG (mutual assistance group)? -Should I Bug Out or Bug In when the Schumer hits the fan (SHTF)? -What are the basic requirements for selecting a bug-out location BOL? -Do I need a Bug-Out Bag (BOB) and/or Get-Home Bag (GHB)? -How Does a Prepper Know When to Bug Out or Bug In? -What action do I take if trapped far away from home when the SHTF? -What are the moral standards toward which a prepper should strive? -Must I make changes in the way I think? -How much food should I stockpile? -Should I keep a cash reserve? -Should I learn to barter? -What are the options for power if the grid fails? -What should I do when the SHTF? -How do I contend with martial law? -What are the suggested prepper firearms?

A Time for Patriots

A Novel *Harper Collins*

“A master....[Brown] puts readers right into the middle of the inferno.” —Larry Bond New York Times bestselling thriller-master Dale Brown delivers a story for our times. A Time for Patriots is one of his most explosive novels to date—a frightening, all-too-possible look into the near future, when the nation’s economic collapse turns thousands of Americans against their own government. In the midst of chaos, Patrick McLanahan—hero of Executive Intent, Rogue Forces, and many other previous adventures—must enlist the aid of his son and his fellow citizens to hunt down terrorists any way they can. In A Time for Patriots, Dale Brown brings the battle home!

Patriot Dawn

The Resistance Rises *Createspace Independent Pub*

The United States has descended into Civil War. A terrorist attack on the United States leads to war with Iran, followed by collapse, as the economy goes over the cliff. The final blow is a widespread opportunistic Chinese cyber attack, taking down the North American Power Grid. From the ashes, the Regime emerges and what remains of the United States of America is polarized. Soon after, the Resistance Rises. Jack Berenger is a former Army Ranger Captain, living in northern Virginia with his family. Following the collapse, they evacuate to the farm of an old Army friend. Jack is recruited into the resistance, to train the fledgling forces in the Shenandoah Valley. Soon after, the fight quickly begins.

Emergency

This Book Will Save Your Life *Harper Collins*

Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. **I've started to look at the world through apocalypse eyes.** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller The Game, and one of the most original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes-and now of world financial meltdown-Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked The Game, The Dirt, and How to Make Love Like a Porn Star, Emergency traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world-and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

Survival Retreats & Relocation

A Guide to Finding Your Secure and Sustainable Home

Families and individuals across the country are seeking refuge from the Covid panic and social disintegration. The work from home revolution and massive economic changes are motivating thousands to search for a more secure and sustainable location. In challenging times it is imperative to select an area that will provide liberty, security, natural resources, favorable climate, food production, productivity, and a resilient community. Co-authored by preparedness expert James Wesley, Rawles, this guidebook will equip you to establish a resilient homestead and lifestyle anywhere in the US.

On the Move! *Simon and Schuster*

Rita, Dan, Max and Ted are on the move in Trucktown! Kids will have hands-on fun with a movable part on each spread! Swing Wrecker Rosie's wrecking ball, spin Monster Truck Max's wheel, dump gravel from Dump Truck Dan's bed, and move Tow Truck Ted's hook up and down as he saves a good friend!

A Patriot's History of the United States

From Columbus's Great Discovery to the War on Terror *Penguin*

For the past three decades, many history professors have allowed their biases to distort the way America’s past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America’s patriots and the achievements of “dead white men.” As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot’s History of the United States corrects those doctrinaire biases. In this groundbreaking book, America’s discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America’s true and proud history.

The Modern Survival Manual: Surviving the Economic Collapse

The Modern Survival Manual is based on first hand experience of the 2001 Economic Collapse in Argentina. In it you will find a variety of subjects that the author considers essential if a person wants to be prepared for tougher times: -How to prepare your family, yourself, your home and your vehicle -How to prepare your finances so that you don't suffer what millions in my country went through -How to prepare your supplies for food shortages and power failures -How to correctly fight with a chair, gun, knife, pen or choke with your bare hands if required -Most important, how to reach a good awareness level so that you can avoid having to do all that These are just a few examples of what you will find in this book. It's about Attitude, and being a more capable person and get the politically correct wimp out of your system completely.

One Year After

A Novel *Macmillan*

"Months before publication, William R. Forstchen's One Second After was cited on the floor of Congress as a book all Americans should read. Hundreds of thousands of people have read the tale. One Year After is the thrilling follow-up to that smash hit. The story picks up a year after One Second After ends, two years since the detonation of nuclear weapons above the United States brought America to its knees. After suffering starvation, war, and countless deaths, the survivors of Black Mountain, North Carolina, are beginning to piece back together the technologies they had once taken for granted: electricity, radio communications, and medications. They cling to the hope that a new national government is finally emerging. Then comes word that most of the young men and women of the community are to be drafted into an "Army of National Recovery" and sent to trouble spots hundreds of miles away. When town administrator John Matherson protests the draft, he's offered a deal: leave Black Mountain and enter national service, and the draft will be reduced. But the brutal suppression of a neighboring community under its new federal administrator and the troops accompanying him suggests that all is not as it should be with this burgeoning government"--

Ex-Patriots

A Novel *Crown*

The second novel in Peter Clines' bestselling Ex series. It's been two years since the plague of ex-humans decimated mankind. Two years since the superheroes St. George, Cerberus, Zzzap, and Stealth gathered Los Angeles’s survivors behind the walls of their fortress, the Mount. Since then, the heroes have been fighting to give the Mount’s citizens hope, and something like a real life. But now supplies are growing scarce, the zombies are pressing in . . . and the heroes are wondering how much longer they can hold out. Then hope arrives in the form of a surviving US Army battalion--and not just any battalion. The men and women of the Army's Project Krypton survived the outbreak because they are super-soldiers, created before mankind's fall to be better, stronger, faster than normal humans--and their secure base in Arizona beckons as a much needed refuge for the beleaguered heroes and their charges. But a dark secret lies at the heart of Project Krypton, and those behind it wield an awesome and terrifying power.

Tools for Survival

What You Need to Survive When You're on Your Own *Penguin*

Essential survival advice from a former U.S. Army Intelligence Corps Officer and the world’s preeminent expert in preparedness. For years, James Wesley, Rawles has lived a self-sufficient lifestyle along with his family on a property surrounded by National Forest. In his earlies bestselling nonfiction book, How to Survive the End of the World as We Know It, Rawles outlined the foundations for survivalist living. Now, he details the tools needed to survive anything from a short-term disruption to a long-term, grid-down scenario. Here, Rawles covers tools for every aspect of self sufficient living, including: • Food preservation and cooking • Welding and blacksmithing • Timber, firewood, and lumber • Firefighting • Archery and less-than-lethal defense tools • And more... Field-tested and comprehensive, Tools for Survival is a must-have reference for anyone who wants to know how to prepare for the worst.

The Next Fifty Years

Science in the First Half of the Twenty-first Century *Vintage*
A brilliant ensemble of the world’s most visionary scientists provides twenty-five original never-before-published essays about the advances in science and technology that we may see within our lifetimes. Theoretical physicist and bestselling author Paul Davies examines the likelihood that by the year 2050 we will be able to establish a continuing human presence on Mars. Psychologist Mihaly Csikszentmihalyi investigates the ramifications of engineering high-IQ, genetically happy babies. Psychiatrist Nancy Etcoff explains current research into the creation of emotion-sensing jewelry that could gauge our moods and tell us when to take an anti-depressant pill. And evolutionary biologist Richard Dawkins explores the probability that we will soon be able to obtain a genome printout that predicts our natural end for the same cost as a chest x-ray. (Will we want to read it? And will insurance companies and governments have access to it?) This fascinating and unprecedented book explores not only the practical possibilities of the near future, but also the social and political ramifications of the developments of the strange new world to come. Also includes original essays by: Lee Smolin Martin Rees Ian Stewart Brian Goodwin Marc D. Hauser Alison Gopnik Paul Bloom Geoffrey Miller Robert M. Sapolsky Steven Strogatz Stuart Kauffman John H. Holland Rodney Brooks Peter Atkins Roger C. Schank Jaron Lanier David Gelernter Joseph LeDoux Judith Rich Harris Samuel Barondes Paul W. Ewald

The Enforcement of Morals *Amagi*
Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

Resistance to Tyranny

A Primer *Createspace Independent Pub*
This book is a primer on armed resistance to tyranny. It is intended to answer questions the reader might not think of asking, and to direct the reader to sources of more detailed information. Topics covered include justifying revolt, conditions for success, possible government responses, strategy & tactics, the overt and covert organizations, weapons, equipment, survival skills, land navigation, camouflage, boobytraps, weapons caching, training, secure camps, safe houses, communications, encryption & codes, gaining public support, sniping, sabotage, raids, intelligence and counter-intelligence. It is intended for scholarly information purposes only.

Unintended Consequences
A rising by the pro-gun lobby brings the government to its knees. The story begins when Henry Bowman, a geologist in Iowa, fires on federal agents, thinking they are terrorists. The conflict escalates, agents and congressmen die, and to bring peace the president agrees to repeal anti-gun laws and pardon the rebels.
