Rethinking What Works with Offenders - 1st Edition ...

Rethinking What Works with Offenders. This important and original new book reports on a major investigation of the outcomes of probation supervision, is concerned with the key question of what works in probation, and comes at an important moment of change and development for the probation service in the UK. Unlike previous studies which have relied mostly on official data, this book makes use of over 200 interviews with men and women on

probation, and their supervising Probation Officers.
