A Novel *Macmillan*

Paul Auster's greatest, most heartbreaking and satisfying novel—a sweeping and surprising story of birthright and possibility, of love and of life itself: a masterpiece. Nearly two weeks early, on March 3, 1947, in the maternity ward of Beth Israel Hospital in Newark, New Jersey, Archibald Isaac Ferguson, the one and only child of Rose and Stanley Ferguson, is born. From that single beginning, Ferguson's life will take four simultaneous and independent fictional paths. Four identical Fergusons made of the same DNA, four boys who are the same boy, go on to lead four parallel and entirely different lives. Family fortunes diverge. Athletic skills

and sex lives and friendships and intellectual passions contrast. Each Ferguson falls under the spell of the magnificent Amy Schneiderman, yet each Amy and each Ferguson have a relationship like no other. Meanwhile, readers will take in each Ferguson's pleasures and ache from each Ferguson's pains, as the mortal plot of each Ferguson's life rushes on. As inventive and dexterously constructed as anything Paul Auster has ever written, yet with a passion for realism and a great tenderness and fierce attachment to history and to life itself that readers have never seen from Auster before. 4 3 2 1 is a marvelous and unforgettably affecting tour de force.

Leviathan Penguin

A "compelling" (Los Angeles Times) tale of friendship, betrayal, estrangement, and the unpredictable intrusions of violence in the everyday – from the author of the forthcoming 4 3 2 1: A Novel "Six days ago, a man blew himself up by the side of a road in northern Wisconsin. . . ." So begins the story by Peter Aaron about his best friend, Benjamin Sachs. Sachs had a marriage Aaron envied, an intelligence he admired, a world he shared. And then suddenly, after a near-fatal fall that might or might not have been intentional, Sachs disappeared. Now Aaron must piece together the life that led to Sach's death. His sole aim is to tell the truth and preserve it, before those who are investigating the case invent an account of their own.

Burning Boy

The Life and Work of Stephen Crane

Henry Holt and Company

Booker Prize-shortlisted and New York Times bestselling author Paul Auster's comprehensive, landmark biography of the great American writer Stephen Crane. With *Burning Boy*, celebrated novelist Paul Auster tells the extraordinary story of Stephen Crane, best known as the author of *The Red Badge of Courage*, who transformed American literature through an avalanche of original short stories, novellas, poems, journalism, and war reportage before his life was cut short by tuberculosis at age twenty-eight. Auster's probing account of this singular life tracks Crane as he rebounds from

one perilous situation to the next: A controversial article written at twenty disrupts the course of the 1892 presidential campaign, a public battle with the New York police department over the false arrest of a prostitute effectively exiles him from the city, a star-crossed love affair with an unhappily married uptown girl tortures him, a common-law marriage to the proprietress of Jacksonville's most elegant bawdyhouse endures, a shipwreck results in his near drowning, he withstands enemy fire to send dispatches from the Spanish-American War, and then he relocates to England, where Joseph Conrad becomes his closest friend and Henry James weeps over his tragic, early death. In *Burning Boy*, Auster not only puts forth an

immersive read about an unforgettable life but also, casting a dazzled eye on Crane's astonishing originality and productivity, provides uniquely knowing insight into Crane's creative processes to produce the rarest of reading experiences—the dramatic biography of a brilliant writer as only another literary master could tell it.

The Book of Illusions *Macmillan*

A man's obsession with a silent-film star

sends him on a journey into a shadow world of lies, illusions, and unexpected love Six months after losing his wife and two young sons in an airplane crash, Vermont professor David Zimmer spends his waking hours mired in a blur of alcoholic grief and self-pity. Then, watching television one night, he stumbles upon a clip from a lost silent film by comedian Hector Mann. Zimmer's interest is piqued, and he soon finds himself embarking on a journey around the world to research a book on this mysterious figure, who vanished from sight in 1929 and has been presumed dead for sixty years. When the book is published the following year, a letter turns up in Zimmer's mailbox bearing a return address from a small town in New Mexico-supposedly written by Hector's

wife. "Hector has read your book and would like to meet you. Are you interested in paying us a visit?" Is the letter a hoax, or is Hector Mann still alive? Torn between doubt and belief, Zimmer hesitates, until one night a strange woman appears on his doorstep and makes the decision for him, changing his life forever. Invisible

A Novel *Henry Holt and Company*

"One of America's greatest novelists" dazzlingly reinvents the coming-of-age story in his most passionate and surprising book to date Sinuously constructed in four interlocking parts, Paul Auster's fifteenth novel opens in New York City in the spring of 1967, when twenty-year-old Adam Walker, an aspiring poet and student at Columbia University, meets the enigmatic

Frenchman Rudolf Born and his silent and seductive girlfriend, Margot. Before long, Walker finds himself caught in a perverse triangle that leads to a sudden, shocking act of violence that will alter the course of his life. Three different narrators tell the story of Invisible, a novel that travels in time from 1967 to 2007 and moves from Morningside Heights, to the Left Bank of Paris, to a remote island in the Caribbean. It is a book of youthful rage, unbridled sexual hunger, and a relentless quest for justice. With uncompromising insight, Auster takes us into the shadowy borderland between truth and memory, between authorship and identity, to produce a work of unforgettable power that confirms his reputation as "one of America's most spectacularly inventive

writers."

Conversations with Paul Auster *Univ. Press of Mississippi*

Paul Auster (b. 1947) is one of the most critically acclaimed and intensely studied authors in America today. His varied career as a novelist, poet, translator, and filmmaker has attracted scholarly scrutiny from a variety of critical perspectives. The steadily rising arc of his large readership has made him something of a popular culture figure with many appearances in print interviews, as well as on television, the radio, and the internet. Auster's best known novel may be his first, *City of Glass* (1985), a grim and intellectually puzzling mystery that belies its surface image as a "detective novel" and goes

on to become a profound meditation on transience and mortality, the inadequacies of language, and isolation. Fifteen more novels have followed since then, including *The Music of Chance*, *Moon Palace*, *The Book of Illusions*, and *The Brooklyn Follies*. He has, in the words of one critic, "given the phrase 'experimental fiction' a good name" by fashioning bona fide literary works with all the rigor and intellect demanded of the contemporary avant-garde. This volume--the first of its kind on Auster--will be useful to both scholars and students for the penetrating self-analysis and the wide range of biographical information and critical commentary it contains. *Conversations with Paul Auster* covers all of Auster's oeuvre, from *The New York Trilogy*--of which *City of Glass*

is a component--to *Sunset Park* (2010), along with his screenplays for *Smoke* (1995) and *Blue in the Face* (1996). Within, Auster nimbly discusses his poetry, memoir, nonfiction, translations, and film directing.

Talking to Strangers

Selected Essays, Prefaces, and Other Writings, 1967-2017 *Picador*

Talking to Strangers is a freshly curated collection of prose, spanning fifty years of work and including famous as well as never-before-published early writings, from 2018 Man Booker Prize-finalist Paul Auster. Beginning with a short philosophical meditation written when he was twenty and concluding with nine political pieces that take on such issues

as homelessness, 9/11, and the link between soccer and war, the 44 pieces gathered in this volume offer a wide-ranging view of celebrated novelist Paul Auster's thoughts on a multitude of classic and contemporary writers, the high-wire exploits of Philippe Petit, how to improve life in New York City (in collaboration with visual artist Sophie Calle), and the long road he has traveled with his beloved manual typewriter. While writing for the *New York Review of Books* and other publications in the mid-1970s, young poet Auster gained recognition as an astute literary critic with essays on Laura Riding, John Ashbery, Samuel Beckett, Franz Kafka, Paul Celan, and others. By the late seventies and early eighties, as the poet was transforming himself into a novelist,

he maintained an active double life by continuing his work as a translator and editing the groundbreaking anthology, *The Random House Book of Twentieth-Century Poetry*. His prefaces to some of these books are included in *Talking to Strangers*, among them a heart-wrenching account of Stéphane Mallarmé's response to the death of his eight-year-old son, Anatole. In recent years, Auster has pushed on with explorations into the work of American artists spanning various periods and disciplines: the notebooks of Nathaniel Hawthorne, the films of Jim Jarmusch, the writings of painter-collagist-illustrator Joe Brainard, and the three-hit shutout thrown by journeyman right-hander Terry Leach of the Mets. Also included here are several rediscovered

works that were originally delivered in public: a 1982 lecture on Edgar Allan Poe, a 1999 blast against New York mayor Rudolph Giuliani, and one of the funniest introductions a poetry reading ever heard in the state of New Jersey. A collection of soaring intelligence and deepest humanity, *Talking to Strangers* is an essential book by "the most distinguished American writer of [his] generation . . . indeed its only author . . . with any claim to greatness." (The Spectator)

Sunset Park

A Novel *Henry Holt and Company*

Luminous, passionate, expansive, an emotional tour de force *Sunset Park* follows the hopes and fears of a cast of

unforgettable characters brought together by the mysterious Miles Heller during the dark months of the 2008 economic collapse. An enigmatic young man employed as a trash-out worker in southern Florida obsessively photographing thousands of abandoned objects left behind by the evicted families. A group of young people squatting in an apartment in Sunset Park, Brooklyn. The Hospital for Broken Things, which specializes in repairing the artifacts of a vanished world. William Wyler's 1946 classic *The Best Years of Our Lives*. A celebrated actress preparing to return to Broadway. An independent publisher desperately trying to save his business and his marriage. These are just some of the elements Auster magically weaves

together in this immensely moving novel about contemporary America and its ghosts. *Sunset Park* is a surprising departure that confirms Paul Auster as one of our greatest living writers.

The New York Trilogy *Faber & Faber*

The New York Trilogy is perhaps the most astonishing work by one of America's most consistently astonishing writers. The Trilogy is three cleverly interconnected novels that exploit the elements of standard detective fiction and achieve a new genre that is all the more gripping for its starkness. It is a riveting work of detective fiction worthy of Raymond Chandler, and at the same time a profound and unsettling existentialist enquiry in the tradition of Kafka or Borges. In each story the search

for clues leads to remarkable coincidences in the universe as the simple act of trailing a man ultimately becomes a startling investigation of what it means to be human. The New York Trilogy is the modern novel at its finest: a truly bold and arresting work of fiction with something to transfix and astound every reader. 'Marks a new departure for the American novel.' Observer 'A shatteringly clever piece of work . . . Utterly gripping, written with an acid sharpness that leaves an indelible dent in the back of the mind.' Sunday Telegraph 'The New York Trilogy established him as the only author one could compare to Samuel Beckett.' Guardian

From the author of the forthcoming 4 3 2 1: A Novel – a spare, powerful, intensely visionary novel about the bare-bones conditions of survival In a distant and unsettling future, Anna Blume is on a mission in an unnamed city of chaos and disaster. Its destitute inhabitants scavenge garbage for food and shelter, no industry exists, and an elusive government provides nothing but corruption. New York Times-bestselling author Paul Auster (The New York Trilogy) shows us a disturbing Hobbesian society in this dystopian, post-apocalyptic novel.

In the Country of Last Things Man in the Dark

A Novel *Henry Holt and Company*

A new novel with a dark political twist from "one of America's greats."* *Man in the Dark* is Paul Auster's brilliant, devastating novel about the many realities we inhabit as wars flame all around us. Seventy-two-year-old August Brill is recovering from a car accident in his daughter's house in Vermont. When sleep refuses to come, he lies in bed and tells himself stories, struggling to push back thoughts about things he would prefer to forget—his wife's recent death and the horrific murder of his granddaughter's boyfriend, Titus. The retired book critic imagines a parallel world in which America is not at war with Iraq but with itself. In this other America the twin towers did not fall and the 2000 election results led to secession, as state

after state pulled away from the union and a bloody civil war ensued. As the night progresses, Brill's story grows increasingly intense, and what he is so desperately trying to avoid insists on being told. Joined in the early hours by his granddaughter, he gradually opens up to her and recounts the story of his marriage. After she falls asleep, he at last finds the courage to revisit the trauma of Titus's death. Passionate and shocking, *Man in the Dark* is a novel of our moment, a book that forces us to confront the blackness of night even as it celebrates the existence of ordinary joys in a world capable of the most grotesque violence. **Time Out* (Chicago)

lyricism and wit. Here is the most entertaining and moving novel yet from an author well known for his breathtaking imagination. From New York Times-bestselling author Paul Auster (*The New York Trilogy*).

Book of Human Folly, in which he proposes "to set down in the simplest, clearest language possible an account of every blunder, every pratfall, every embarrassment, every idiocy, every foible, and every inane act I had committed during my long and checkered career as a man." But life takes over instead, and Nathan's despair is swept away as he finds himself more and more implicated in the joys and sorrows of others. The Brooklyn Follies is Paul Auster's warmest, most exuberant novel, a moving and unforgettable hymn to the glories and mysteries of ordinary human life.

Moon Palace *Faber & Faber*

Hand to Mouth

A Chronicle of Early Failure *Holt Paperbacks*

This is the story of a young man's struggle to stay afloat. By turns poignant and comic, Paul Auster's memoir is essentially an autobiographical essay about money--and what it means not to

have it. From one odd job to the next, from one failed scheme to another, Auster investigates his own stubborn compulsion to make art and describes his ingenious, often far-fetched attempts to survive on next to nothing. From the streets of New York City and Paris to the rural roads of upstate New York, the author treats us to a series of remarkable adventures and unforgettable encounters and, in several elaborate appixes, to previously unknown work from these years.

Invisible *Faber & Faber Limited*

Sinuously constructed in four interlocking parts, *Invisible* opens in New York City in the spring of 1967 when twenty-year-old Adam Walker, an aspiring poet and student at Columbia

University meets the enigmatic Frenchman Rudolf Born, and his silent and seductive girlfriend Margot. Before long, Walker finds himself caught in a perverse triangle that leads to a sudden, shocking act of violence that will alter the course of his life. Three different narrators tell the story, as it travels in time from 1967 to 2007 and moves from New York to Paris and to a remote Caribbean island in a story of unbridled sexual hunger and a relentless quest for justice. With uncompromising insight, Auster takes us to the shadowy borderland between truth and memory, authorship and identity to produce a work of unforgettable power that confirms his reputation as one of America's most spectacularly inventive writers.

I Thought My Father Was God

And Other True Tales from NPR's National Story Project *Henry Holt and Company*

One of America's foremost writers collects the best stories submitted to NPR's popular monthly show--and illuminates the powerful role storytelling plays in all our lives When Paul Auster and NPR's Weekend All Things Considered introduced The National Story Project, the response was overwhelming. Not only was the monthly show a critical success, but the volume of submissions was astounding. Letters, emails, faxes poured in on a daily basis--more than 4,000 of them by the time the project celebrated its first birthday. Everyone, it seemed, had a story to tell. I Thought My Father Was God gathers 180 of these personal, true-life accounts in a single, powerful volume. They come from people of all ages, backgrounds, and walks of life. Half of the contributors

are men; half are women. They live in cities, suburbs, and rural areas, and they come from 42 different states. Most of the stories are short, vivid bits of narrative, combining the ordinary and the extraordinary, and most describe a single incident in the writer's life. Some are funny, like the story of how a Ku Klux Klan member's beloved dog rushed out into the street during the annual KKK parade and unmasked his owner as the whole town looked on. Some are mysterious, like the story of a woman who watched a white chicken walk purposefully down a street in Portland, Oregon, hop up some porch steps, knock on the door-and calmly enter the house. Many involve the closing of a loop, like the one about the woman who lost her mother's ashes in a burglary and

recovered them five years later from the mortuary of a local church. Hilarious blunders, wrenching coincidences, brushes with death, miraculous encounters, improbable ironies, premonitions, sorrows, pains, dreams-this singular collection encompasses an extraordinary range of settings, time periods, and subjects. A testament to the important role storytelling plays in all our lives, *I Thought My Father Was God* offers a rare glimpse into the American soul.

Paul Auster and the Influence of Maurice Blanchot *McFarland*

Poet, writer and filmmaker Paul Auster is one of the great contributors to American postmodern literature. Influenced by authors like Poe and the

hardboiled detective stories of the 1950s, Auster's novels represented a new genre of "anti-detective fiction," in which the case itself loses direction and is overshadowed by existential questions. Analyzing three of his novels—*Ghosts* (1986), *The Music of Chance* (1990) and *Mr. Vertigo* (1994)—this critical study explores the intertextual relationship between Auster's work and the oeuvre of French writer and critic Maurice Blanchot. The author explores Auster's work as a fictionalization of Blanchot's concept of inspiration and the construction of imaginary space.

Beyond the Red Notebook

Essays on Paul Auster *University of*

Pennsylvania Press

The novels of Paul Auster—finely wrought, self-reflexive, filled with doublings, coincidences, and mysteries—have captured the imagination of readers and the admiration of many critics of contemporary literature. In *Beyond the Red Notebook*, the first book devoted to the works of Auster, Dennis Barone has assembled an international group of scholars who present twelve essays that provide a rich and insightful examination of Auster's writings. The authors explore connections between Auster's poetry and fiction, the philosophical underpinnings of his writing, its relation to detective fiction, and its unique embodiment of the postmodern sublime. Their essays provide the fullest analysis

available of Auster's themes of solitude, chance, and paternity found in works such as *The Invention of Solitude*, *City of Glass*, *Ghosts*, *The Locked Room*, *In the Country of Last Things*, *Moon Palace*, *The Music of Chance*, and *Leviathan*. This volume includes contributions from Pascal Bruckner, Marc Chenetier, Norman Finkelstein, Derek Rubin, Madeleine Sorapure, Stephen Bernstein, Tim Woods, Steven Weisenburger, Arthur Saltzman, Eric Wirth, and Motoyuki Shibata. The extensive bibliography, prepared by William Drenttel, will greatly benefit both scholars and general readers.

Routledge

This book focuses upon the literary and autobiographical writings of American novelist Paul Auster, investigating his literary postmodernity in relation to a full range of his writings. Martin addresses Auster's evocation of a range of postmodern notions, such as the duplicitous art of self-invention, the role of chance and contingency, authorial authenticity and accountability, urban dislocation, and the predominance of duality.

Mr. Vertigo *Penguin*

An enduringly brilliant tale of trial and triumph, set in America in the 1920s,

from the author of 4 3 2 1: A Novel Paul Auster, the New York Times-bestselling author of The New York Trilogy, presents a dazzling, picaresque novel set in the late 1920s – the era of Babe Ruth, Charles Lindbergh, and Al Capone. Walter Claireborne Rawley, renowned nationwide as "Walt the Wonder Boy," is a Saint Louis orphan rescued from the streets by a mysterious Hungarian Jew, Master Yehudi, who teaches Walt to walk on air. Master Yehudi brings Walt into a Kansas circus troupe consisting of Mother Sioux and Aesop, a young black genius. The vaudeville act takes them across a vast and vibrant country, through mythic Americana where they meet and fall prey to sinners, thieves, and villains, from the Kansas Ku Klux Klan to the Chicago mob. Walt's rise to

fame and fortune mirrors America's own coming of age, and his resilience, like that of the nation, is challenged over and over and over again.

Travels in the Scriptorium *Faber & Faber*

An old man sits in a room, with a single door and window, a bed, a desk and a chair. Each day he awakes with no memory, unsure of whether or not he is locked into the room. Attached to the few objects around him are one-word, hand-written labels, and on the desk is a series of vaguely familiar black-and-white photographs and four piles of paper. Then a middle-aged woman called Anna enters and talks of pills and treatment, but also of love and promises. Who is this Mr Blank, and what

is his fate? What does Anna represent from his past - and will he have enough time to ever make sense of the clues that arise? After the huge success of *The Brooklyn Follies*, his new novel sees Auster return to the metaphysical territory familiar from his enormously influential *The New York Trilogy*. A dark puzzle, and a game that implicates both reader and writer alike, *Travels in the Scriptorium* is a mind-altering exploration of language, responsibility and the passage of time. 'Travels in the Scriptorium returns to . . . the nihilistic gaiety of Beckett (in particular Krapp) or the sub-dermal violence of Pinter.' *New Statesman*

The Music of Chance *Penguin Books*

Time passes, their debts mount, and anger builds as the two struggle to dig themselves out of their Kafkaesque serfdom. New York Times-bestselling author Paul Auster (The New York Trilogy) brings us back into his strange,

Paul Auster *Manchester University Press*

Paul Auster provides the first extended analysis of Auster’s essays, poetry, fiction, films and collaborative projects. It explores his key themes of identity; language and writing; metropolitan living and community; and storytelling and illusion. By tracing how Auster's representations of New York and city life have matured from a position of urban nihilism to qualified optimism, the book shows how the variety of forms he works in influences the treatment of his central concerns. The chapters are organised around gradually extending spaces to

reflect the way in which Auster's work broadens its focus, beginning with the poet's room and finishing with the global metropolis of New York: his home city and often his muse. The book uses Auster's published and unpublished literary essays to explain the shifts from the dense and introspective poems of the 70s, through the metropolitan fictions of the 80s and early 90s, to the relatively optimistic and critically acclaimed films, and his return to fiction in recent years.

Conversations with Paul Auster *Univ. Press of Mississippi*

Paul Auster (b. 1947) is one of the most critically acclaimed and intensely studied authors in America today. His varied career as a novelist, poet, translator, and

filmmaker has attracted scholarly scrutiny from a variety of critical perspectives. The steadily rising arc of his large readership has made him something of a popular culture figure with many appearances in print interviews, as well as on television, the radio, and the internet. Auster's best-known novel may be his first, *City of Glass* (1985), a grim and intellectually puzzling mystery that belies its surface image as a "detective novel" and goes on to become a profound meditation on transience and mortality, the inadequacies of language, and isolation. Fifteen more novels have followed since then, including *The Music of Chance*, *Moon Palace*, *The Book of Illusions*, and *The Brooklyn Follies*. He has, in the words of one critic, "given the phrase

‘experimental fiction’ a good name” by fashioning bona fide literary works with all the rigor and intellect demanded of the contemporary avant-garde. This volume—the first of its kind on Auster—will be useful to both scholars and students for the penetrating self-analysis and the wide range of biographical information and critical

commentary it contains. *Conversations with Paul Auster* covers all of Auster's oeuvre, from *The New York Trilogy*—of which *City of Glass* is a component—to *Sunset Park* (2010), along with his screenplays for *Smoke* (1995) and *Blue in the Face* (1996). Within, Auster nimbly discusses his poetry, memoir, nonfiction, translations, and film directing.
