How To Write A Scientific Report

Primary Science Journal

Primary Science (PS) is a themed journal for all those involved in primary science education for children aged 3-12, including primary teachers, primary science co-ordinators, primary schools, local authority advisers and inspectors and science teacher trainers and trainees. It is a forum for sharing information and ideas and includes articles about teaching, learning and assessing science.

Primary Science | www.ase.org.uk

Primary Science (PS) is

the journal for primary members of the ASE and is published five times a year. Primary Science aims to share information and ideas that support effective practice in science education focused at the primary school level through transition to early secondary education. It includes articles about teaching, learning and assessing science for all children in the 3 – 12 year age range.

**Primary Science Magazine -

The Primary Science Teaching Trust helps improve the teaching and learning of science to children and young people in the UK. Discover more today.

Primary Science Teaching Trust - PSTT

Background This paper compares the findings from a recent, large-scale UK-wide survey of primary teachers'

confidence in teaching science with the results of a seminal report carried out 10 years ago by Wynne Harlen in Scotland. Recent reports from across the UK have indicated there are still serious concerns relating to primary teachers' confidence and ability to teach science effectively.
