As a restaurant manager, interviewing new employees can be a stressful situation. Many of the standard restaurant interview questions can be found online so candidates can prepare ahead of time to give the best answer. There's nothing wrong with that. But do those answers necessarily translate into real-life skills and abilities?

The 20 Best Restaurant Interview Questions | Sling

1. As a hospitality manager, what is your management style? Answer tips: Try to avoid labels. Some of the more common labels, like progressive, consultative, persuasive, can have several meanings or descriptions depending on which management guru you listen to. The situational style is safe, because it says you will manage according to the situation, instead of one size fits all.
