So what are you waiting for? Begin checking out the globe of Richard Belzer Hit List PDF downloads today and capitalize on the wide range of info at your fingertips. **Download and install Richard Belzer Hit List PDF complimentary** and improve your understanding experience!

Hit List

An In-Depth Investigation into the Mysterious Deaths of Witnesses to the JFK Assassination *Skyhorse*

A New York Times Best Seller! Richard Belzer and David Wayne are back to set the record straight after *Dead Wrong*; this time they're going to uncover the truth about the many witness deaths tied to the JFK assassination. For decades, government pundits have dismissed these "coincidental" deaths, even regarding them as "myths" as "urban legends." Like most people, Richard and David were initially unsure about what to make of these 'coincidences'. After all, events don't "consult the odds"

prior to happening; they simply happen. Then someone comes along later and figures out what the odds of it happening were. Some of the deaths seemed purely coincidental; heart attacks, hunting accidents. Others clearly seemed noteworthy; witnesses who did seem to know something and did seem to die mysteriously. Hit List is a fair examination of the evidence of each case, leading to (necessarily) different conclusions. The findings were absolutely staggering; as some cases were clearly linked to a "clean-up operation" after the murder of President Kennedy, while others were the result of 'other forces'. The impeccable research and writing of Richard Belzer and David Wayne show that if the government is trying to hide anything, they're the duo who will uncover it. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Dead Wrong

Straight Facts on the Country's Most Controversial Cover-Ups *Skyhorse Publishing Inc.*

For years, the government has put out hits on people that they found "expendable," or who they felt were "talking too

much,"covering up their assassinations with drug overdoses and mysterioussuicides. In *Dead Wrong*, David Wayne argues that MarilynMonroe was murdered, that the person who shot Martin LutherKing Jr. was ordered to do so by the government, and examinesmany other terrifying cover-ups throughout our country's history.The extensive research shows how our government has taken mattersinto its own hands, plotting murder whenever it saw fit. "Big Brother" is watching you—through the scope of a sniper rifle.Dead Wrong will give you the straight facts on some of the mostcontroversial and famous deaths this country has ever seen. Theharsh reality is that our government only tells us what we wantto hear, as they look out for their own best interests and eliminateanyone who gets in their way.

Someone Is Hiding Something

What Happened to Malaysia Airlines Flight 370? *Simon and Schuster*

A year after the disappearance and commencement of the international search for Malaysia Airlines Flight 370, no sign of the plane has been found—no debris, no bodies, no sign of the much-talked-about black box. Richard Belzer, George Noory, and David Wayne want to know why. Scrutinizing the theories the media and politicians claim are the "most likely" reasons the plane crashed, Belzer, Noory, and Wayne argue that if a year after a huge Boeing 777 has gone missing, and there's still no sign of it whatsoever, it's time to think outside the box. The public needs to stop being misled. If a plane and its passengers

went "missing" once, what's to stop it from happening again? Some of the theories the authors consider seem implausible on the surface, but the thorough research they've done and the continual failure of politicians, aviation authorities, and military members around the world to give any indication they're wrong makes their arguments as good—if not better—than the more widely shared ones. The title of this thought-provoking volume, *Someone is Hiding Something*, is a line spoken by former Malaysian Prime Minister Mahathir Mohamad—perhaps the only government official to publicly acknowledge the true reason that neither Flight 370 nor the 239 people onboard have been found.

I Am Not a Psychic!

A Novel *Simon and Schuster*

Comedy legend Johnny Leland has called in his chips. He's organizing a charity telethon and needs TV cop Richard Belzer to cohost. Not one to let down an old friend -- much less the guy who gave him his start in stand-up comedy -- The Belz gets ready to head out to Las Vegas for the headlining event when he receives a mysterious phone call. Twenty-six years ago, beautiful starlet Bridget Burgeon was found dead in her Hollywood apartment. Sleeping pills, the coroner ruled, but many questioned whether her relationship with handsome, up-and-coming California congressman Mark Kaye played a role. Kaye's death in a tragic auto accident put an end to any investigation but not to the speculation. Conspiracy theorists have been working overtime ever since, and Paul Venchus, an old newspaper colleague whom Richard hasn't seen in thirty years, claims to

have made a breakthrough in the case. A well-known conspiracy theorist himself, The Belz can't resist hearing him out and agrees to meet. When Venchus turns up dead and a wacky, self-proclaimed female psychic shows up at his hotel in Vegas insisting that Belzer continue their investigation, he reluctantly relents. Relying on The Belz's TV cop know-how and celebrity status, they begin to piece together a series of mysterious deaths that, while rooted a quarter of a century in the past, present some very real dangers in the present. As the bodies start piling up, Belzer finds a legendary hit man hot on his trail and must utilize all of his talents not only to pull off a successful telethon but to solve one of our history's most scandalous conspiracies before his Vegas stint becomes his closing act.

I Am Not a Cop!

A Novel *Simon and Schuster*

IN THIS CAPTIVATING, OFTEN HILARIOUS DEBUT MYSTERY, ONE OF THE GREAT COMEDIANS OF OUR TIME BLENDS FACT WITH FICTION, AS LAW & ORDER: SVU'S RICHARD BELZER'S OFF-CAMERA PERSONA COMES TO LIFE ON THE PAGE, EMPLOYING INVESTIGATIVE KNOW-HOW AND COMEDIC TIMING IN EQUAL MEASURE TO SOLVE THE MYSTERY SURROUNDING THE DISAPPEARANCE OF A TRUSTED FRIEND. When Richard Belzer meets Rudy Markovich, nyc medical examiner, for dinner in Brighton Beach, he has little reason to expect anything more than a friendly bull session. But in the next twenty-four hours Belzer finds himself in the middle of a vicious street brawl, splashed across the tabloid headlines as an out-of-control celeb,

and fearing for the life of his good pal Rudy -- who police assume is sleeping at the bottom of the East River. As Belzer finds himself increasingly required to call upon the resources he taps to portray Detective Munch on nbc, he maintains his sense of humor and carries us along on a rollicking ride through the underworld of New York City. With Rudy kidnapped, or worse, it falls to The Belz to track him down and solve the riddle to the vanishing act. The lives of Detective Munch and Richard Belzer collide and mesh in *I Am Not a Cop!* as one of America's great comics and TV cops brings all of his talents to bear in book form and provides a triumph of the mystery genre.

A Farewell to Justice

Jim Garrison, JFK's Assassination, and the Case That Should Have Changed History *Skyhorse*

Working with thousands of previously unreleased documents and drawing on more than one thousand interviews, with many witnesses speaking out for the first time, Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison, the only public official to have indicted, in 1969, a suspect in President John F. Kennedy's murder. Garrison began by exposing the contradictions in the Warren Report, which concluded that Lee Harvey Oswald was an unstable pro-Castro Marxist who acted alone in killing Kennedy. *A Farewell to Justice* reveals that Oswald, no Marxist, was in fact working with both the FBI and the CIA, as well as with US Customs, and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government. Garrison's suspects included CIA-sponsored

soldiers of fortune enlisted in assassination attempts against Fidel Castro, an anti-Castro Cuban asset, and a young runner for the conspirators, interviewed here for the first time by the author. Building upon Garrison's effort, Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover-up. In this revised edition, to be published in time for the fiftieth anniversary of the president's assassination, the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22, 1963. More than one hundred new pages add critical evidence and information into one of the most significant events in human history.

They Killed Our President

63 Reasons to Believe There Was a Conspiracy to As *Skyhorse*

Unless you've been living under a rock for the past fifty years, you're aware of the many hypotheses that the assassination of President John F. Kennedy was not done by one man. Whether you've read one or a dozen of the books on this topic, there's no way to fully grasp the depth of this conspiracy. For the first time ever, New York Times bestselling authors Jesse Ventura and Dick Russell have teamed up with some of the most respected and influential assassination researchers to put together the ultimate compendium that covers every angle—from the plot to the murder—of JFK. *They Killed Our President* will not only discuss the most famous of theories, but will also bring to light new and

recently discovered information, which together shows that the United States government not only was behind this egregious plot, but took every step to make sure that the truth would not come out. With 2013 marking the fiftieth anniversary of JFK's assassination, this is the perfect time for *They Killed Our President* to be available to readers. The research and information in this book are unprecedented, and there's nobody better to bring this to everyone's attention than the former governor of Minnesota and US Navy SEAL, Jesse Ventura.

UFOs, JFK, and Elvis

Conspiracies You Don't Have to Be Crazy to Believe *Ballantine Books*

The distinguished statesman of stand-up comedy tackles some of the biggest conspiracies and cover-ups this side of Roswell. "A must-read . . . You gotta love the Belz. . . . His sharp sense of humor doesn't allow him to miss an opportunity for laughs."—Playboy I'm not asking you to believe every single conspiracy theory you find in this book. . . . I didn't write this book to give you all the answers. I wrote this book to inspire you to do what the powers that be wish you wouldn't: question authority . . . and to keep an eye out for Elvis Just what is it that they don't want you to know about the assassination of John F. Kennedy, Area 51, and what the American astronauts really found on the moon? The unexplained crash at Roswell and the mysterious "face" on Mars? The link between the Nazis and the U.S. space program? Evidence of extraterrestrial experimentation? Finally, one lone "nut" exposes the conspiracy

to keep conspiracies a dirty little secret, standing up to the shadowy forces that would have us believe that Oswald acted alone, those lights in the sky are weather balloons, and fluoridated water is good for you (yeah, right). “Some of the smartest people I know . . . find it easier—and certainly more comforting—to believe that America is the only country on earth with no conspiracies at all.” Just remember: do not ask on whom The Belz has told—he’s told on them.

Last Word

My Indictment of the CIA in the Murder of JFK *Skyhorse*

Mark Lane tried the only U.S. court case in which the jurors concluded that the CIA plotted the murder of President Kennedy, but there was always a missing piece: How did the CIA control cops and secret service agents on the ground in Dealey Plaza? How did federal authorities prevent the House Select Committee on Assassinations from discovering the truth about the complicity of the CIA? Now, New York Times best-selling author Mark Lane tells all in this explosive new book—with exclusive new interviews, sworn testimony, and meticulous new research (including interviews with Oliver Stone, Dallas Police deputy sheriffs, Robert K. Tanenbaum, and Abraham Bolden) Lane finds out first hand exactly what went on the day JFK was assassinated. Lane includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin. The officer testified that he drew his gun and pointed it at the suspect who showed Secret Service ID. Yet, the Secret Service later reported that there were no Secret Service agents

on foot in Dealey Plaza. The Last Word proves that the CIA, operating through a secret small group, prepared all credentials for Secret Service agents in Dallas for the two days that Kennedy was going to be there—conclusive evidence of the CIA’s involvement in the assassination.

Corporate Conspiracies

How Wall Street Took Over Washington *Skyhorse*

From New York Times bestselling authors Richard Belzer and David Wayne comes a hard look at the wrongs done to us all by big business in America. Here is an explosive account of wrongful acts perpetrated, and the ensuing cover-ups inflicted upon us, by American corporations. The bestselling author team of Richard Belzer and David Wayne exposes the ways that the capitalist regime has got us under their thumbs—from the mainstream media and its control over us, to the trillions stolen by big banks and mortgage companies during the mortgage crisis, to the scams perpetrated by Big Oil and Big Pharma. The one common victim of all that corruption is the American public, and Corporate Conspiracies wants to do something about it. Corporate Conspiracies takes dead aim at those who take advantage of us little guys. Probably most disturbing is the book's examination of politics and capitalism teaming up against us—how politicians and lobbyists all have their hands in each other's pockets while stabbing us in the back, and how the well-established energy lobby—which is petroleum, natural gas, and coal—has played a dominant role in the shaping of US foreign policy for decades. Did you know that companies at times know that their products will

kill people, but they do nothing, because it is actually cheaper to compensate the victims than it is to correct the problem? And did you know that the Pentagon is sending \$1.5 trillion of our tax dollars to their corporate buddies for a new fighter jet that is already superfluous? This book is guaranteed to make us all think twice about being enslaved and cheated by corporate America. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Interview with History

The JFK Assassination *AuthorHouse*

looks behind the scenes at some of the most shocking and horrific things going on here in America starting with the daytime assassination of President John F. Kennedy and the implications it serves up to the citizens of a "free country." The author, Pamela Ray, along with James Files, former CIA/Mob hit man, the infamous "grassy knoll shooter" explore the truths behind some basic questions still lingering decades after the JFK assassination: Why was President Kennedy killed? Who benefited? Who had the power to cover it up? And more specifically... Did Lee Harvey

Oswald spend time with James Files the week before November 22, 1963? Why? Did Files and Oswald have the same CIA controller, David A. Phillips? Was there a military and CIA presence in Dealey Plaza when the fatal shots were fired? What is the "Military-Industrial-Complex" and why were American citizens warned about it by President Eisenhower in his farewell address to the nation? Are some of the same players from 1963 involved in today's headlines? What does all this indicate? These questions and more will be looked at as Ray and Files discuss the events surrounding the fateful day in Dallas when "a whole new form of government took over." During the course of Interview with History, the authors delve into other related shadowy underworld subjects where it is hard to tell where Organized Crime stops and the CIA (and other U.S. government agencies) begin.

Blood, Money, & Power

How LBJ Killed JFK *Skyhorse*

Blood, Money, & Power exposes the secret, high-level conspiracy in Texas that led to President John F. Kennedy's death and the succession of Lyndon B. Johnson as president in 1963. Attorney Barr McClellan, a former member of L.B.J.'s legal team, uses hundreds of newly released documents, including insider interviews, court papers, and the Warren Commission, to illuminate the maneuvers, payoffs, and power plays that revolved around the assassination of Kennedy and to expose L.B.J.'s involvement in the murder plot. In addition to revealing new information, McClellan answers common questions surrounding the assassination of our thirty-fifth president. Who had the

opportunity, motive, and means to assassinate J.F.K.? Who controlled the investigation and findings of the Warren Commission? This historically significant book is proof that absolute power, money, blood, corruption, and deception were at the heart of politics in the early 1960s, and it represents the very best investigative journalism has to offer.

Crossfire

The Plot That Killed Kennedy *Constellation*

What really happened in Dallas on November 22, 1963? Was the assassination of John F. Kennedy simply the work of a warped, solitary young man, or was something more nefarious afoot? Pulling together a wealth of evidence, including rare photos, documents, and interviews, veteran Texas journalist Jim Marrs reveals the truth about that fateful day. Thoroughly revised and updated with the latest findings about the assassination, *Crossfire* is the most comprehensive, convincing explanation of how, why, and by whom our thirty-fifth president was killed.

Betrayal in Dallas

LBJ, the Pearl Street Mafia, and the Murder of President Kennedy *Skyhorse*

John F. Kennedy was assassinated in Dallas by Mafia contract killers hired by Louisiana mob boss Carlos Marcello. Longtime local district attorney Henry Wade, an LBJ crony who would have sole jurisdiction over the prosecution of those responsible, had been corrupted by the local Civello crime family. Lyndon B.

Johnson, while a US senator during the 1950s, had accepted bribes from the same mobsters so that they could avoid deportation. With incredible detail and documentation, Mark North pieces the puzzle together to reveal how, in late 1961, US Attorney General Robert Kennedy and his brother John, who hated LBJ, initiated a covert Organized Crime Task Force investigation of the Civello mob in Dallas. Johnson, through Wade and local federal officials he had placed in power, learned of the plan and cooperated with the Civello mob to have JFK killed. Johnson did this, in part, because he had the power to control any subsequent federal investigation via FBI director J. Edgar Hoover. After the Mafia killed JFK, Johnson stopped Robert Kennedy's prosecution of the Dallas Mafia. Betrayal in Dallas is unlike any book written on the JFK assassination. Because its conclusions are based on classified federal documents unknown to the public and research community, it will startle and convince all those who read it. Betrayal in Dallas is what the American people have been waiting for since November 22, 1963.

Survivor's Guilt

The Secret Service and the Failure to Protect President Kennedy *Trine Day*

Painstakingly researched by an authority on the history of the Secret Service and based on primary, firsthand accounts from more than 80 former agents, White House aides, and family members, this is the definitive account of what went wrong with John F. Kennedy's security detail on the day he was assassinated. The work provides a detailed look at how JFK could and should

have been protected and debunks numerous fraudulent notions that persist about the day in question, including that JFK ordered agents off the rear of his limousine; demanded the removal of the bubble top that covered the vehicle; and was difficult to protect and somehow, directly or indirectly, made his own tragic death easier for an assassin or assassins. This book also thoroughly investigates the threats on the president's life before traveling to Texas; the presence of unauthorized Secret Service agents in Dealey Plaza, the site of the assassination; the failure of the Secret Service in monitoring and securing the surrounding buildings, overhangs, and rooftops; and the surprising conspiratorial beliefs of several former agents. An important addition to the canon of works on JFK and his assassination, this study sheds light on the gross negligence and, in some cases, seeming culpability, of those sworn to protect the president.

JFK: The Smoking Gun *Hachette Australia*

Assassination? Conspiracy? Evidence of the shocking truth is finally revealed. 'Shocking new details' - Herald Sun On 22nd November 1963, the 35th president of the United States, John Fitzgerald Kennedy, and his wife Jackie were taking part in a presidential motorcade through Dallas. Thousands lined the streets cheering; others hung out of windows to catch a glimpse of the much-loved First Lady and President. Suddenly, the unthinkable: three shots - bang...bang, bang - rang out. In front of the world, John F Kennedy was fatally wounded. Lee Harvey Oswald was caught. But did he fire the fatal bullet? Who REALLY killed JFK? Fifty years after the tragic events in Dallas, JFK: The Smoking Gun solves the ultimate cold case. With the forensic eye

of a highly regarded ex-cop, Colin McLaren gathered the evidence, studied 10,000 pages of transcripts, discovered the witnesses the Warren Commission failed to call, and uncovered the exhibits and testimonies that were hidden until now. What he found is far more outrageous than any fanciful conspiracy theory could ever be. JFK: The Smoking Gun proves, once and for all, who did kill the President. 'A compelling case' - The Australian 'Comprehensive and compelling' - Newcastle Herald

Conversations with Jerry Lewis *Weinstein Publishing*

In Conversations with Jerry Lewis, Hollywood's legendary, beloved, and polarizing comedian talks extensively about his life and work with comedian and actor Richard Belzer, best known for his roles on TV's Law & Order and Homicide. This extraordinary book includes a preface by Lewis himself, as well as dozens of his own personal photographs and memorabilia. The eighty-six-year-old icon discusses his life and career, the current generation of comics ("We've got some marvelous people out there. But then we have a breed of young comic that I wanna smack in the mouth"); the craft of comedy ("We're supposed to be nuts, and we better be"); Dean Martin ("The greatest straight man that ever lived"); the genesis of his muscular dystrophy telethon; and his many technical achievements in film (including the invention of the digital assist camera, which became an industry standard); all with the humor, earnestness, and unfiltered wisdom that audiences have grown to expect from one of the all-time masters of entertainment. Through his personal relationship with Lewis, Belzer is able to deliver the definitive almanac of the man behind the icon. The book is a must-read for fans of Jerry Lewis, of

comedy, and of the history of film.

The Reporter Who Knew Too Much

The Mysterious Death of What's My Line TV Star and Media Icon Dorothy Kilgallen *Simon and Schuster*

Was journalist Dorothy Kilgallen murdered for writing a tell-all book about the JFK assassination? Or was her death from an overdose of barbiturates combined with alcohol, as reported? Shaw believes Kilgallen's death has always been suspect, and unfolds a list of suspects ranging from Frank Sinatra to a Mafia don, while speculating on the possibilities of reopening the case.

How to Be a Stand-Up Comic *Citadel Press*

Comedian Richard Belzer promises that he can turn anyone into a stand-up comedian. Here he makes good on that promise and provides a generous helping of laughs in the process. This irreverent and informative book prepares wannabe comedians with tips and inside information from a seasoned veteran. Photographs.

JFK and the Unspeakable

Why He Died and Why It Matters *Simon and Schuster*

SSuggests that John F. Kennedy was assassinated because military leaders feared his dedication to peace would result in the United States falling to Russia

Death of a Dissident

The Poisoning of Alexander Litvinenko and the Return of the KGB *Simon and Schuster*

The first reports seemed absurd. A Russian dissident, formerly an employee of the KGB and its successor, the FSB, had seemingly been poisoned in a London hotel. As Alexander Litvinenko's condition worsened, however, and he was transferred to hospital and placed under armed guard, the story took a sinister turn. On 23 November 2006, Litvinenko died, apparently from polonium-210 radiation poisoning. He himself, in a dramatic statement from his deathbed, accused his former employers at the Kremlin of being responsible for his murder. Who was Alexander Litvinenko? What had happened in Russia since the end of the Cold War to make his life there untenable, and even in severe jeopardy in Britain? How did he really die, and who killed him? In his spokesman and close friend, Alex Goldfarb, and widow Marina, we have two people who know more than anyone about the real Sasha Litvinenko, and about his murder. Their riveting book sheds astonishing light not just on these strange and troubling events but also on the biggest crisis in relations with Russia since the fall of the Berlin Wall.

Whitewash

The Report on the Warren Report *Simon and Schuster*

Harold Weisberg's *Whitewash* was originally self-published in 1965, at a time when few publishing houses would consider a book challenging the Warren Report. Written in Harold's fiercely passionate yet scrupulously honest style, and relying on the government's own evidence and documentation, *Whitewash*

destroys the Warren Commission's claims about Oswald and shows that the Commission knowingly engaged in a cover-up. Weisberg diligently researched the government's unpublished evidence and played a major role in forcing disclosures via the Freedom of Information Act. A watershed publication and one that established the author as one of the premier JFK assassination researchers, *Whitewash* (as well as the subsequent books in the *Whitewash* series) has become one of the essential assassination publications, and nearly five decades later his work has lost none of its bite.

Collateral Damage

The Mysterious Deaths of Marilyn Monroe and Dorothy Kilgallen, and the Ties that Bind Them to Robert Kennedy and the JFK Assassination *Simon and Schuster*

If there had been no cover-up of Robert Kennedy's complicity in the murder of Marilyn Monroe in 1962 and he had been prosecuted based on compelling evidence at the time, the assassination of JFK by Bobby's enemies would not have happened—changing the course of history and preventing the murder of media icon Dorothy Kilgallen. In a breakthrough book that is sure to be relevant for years to come, bestselling author (The Reporter Who Knew Too Much) and distinguished historian Mark Shaw investigates the connection between the mysterious deaths of motion picture screen siren Marilyn Monroe, President John F. Kennedy, and What's My Line? TV star and crack investigative reporter Dorothy Kilgallen. A former noted criminal defense attorney and network legal analyst, Shaw provides an

illuminating perspective as to how Robert Kennedy's abuse of power during the early 1960s resulted in the murders of Marilyn, JFK, and Dorothy. Praise for Mark Shaw Books The Reporter Who Knew Too Much "The compelling story of Dorothy Kilgallen, the celebrated journalist once called 'the most powerful female voice in America.'" —Nick Pileggi, author of *Wiseguy* and *Casino* Denial of Justice "A worthy sequel to the mysterious whodunit that snuffed out the brave reporter, Denial of Justice is a true crime thriller that seeks to undo the label attached to Ms. Kilgallen's untimely demise. Mark Shaw has done an admirable and exemplary job in his work. Do not miss!" —San Francisco Book Review

The Kennedy Half-Century

The Presidency, Assassination, and Lasting Legacy of John F. Kennedy *Bloomsbury Publishing USA*

An original and illuminating narrative revealing John F. Kennedy's lasting influence on America, by the acclaimed political analyst Larry J. Sabato.

Mary's Mosaic

The CIA Conspiracy to Murder John F. Kennedy, Mary Pinchot Meyer, and Their Vision for World Peace *Simon and Schuster*

Who really murdered Mary Pinchot Meyer in the fall of 1964? Why was there a mad rush by CIA counterintelligence chief James Angleton to immediately locate and confiscate her diary? What in

that diary was so explosive and revealing? Had Mary Meyer finally put together the intricate pieces of a bewildering, conspiratorial mosaic of information that revealed a plan to assassinate her lover, President Kennedy, with the trail ultimately ending at the doorstep of the Central Intelligence Agency? And was it mere coincidence that Mary Meyer was killed less than three weeks after the release of the Warren Commission Report? Based on years of painstaking research and interviews, much of it revealed here for the first time, author Peter Janney traces some of the most important events and influences in the life of Mary Pinchot Meyer—including her first meeting with Jack Kennedy at the Choate School during the winter of 1936, her explorations with psychedelic drugs, and finally how she supported her secret lover, the president of the United States, as he turned away from the Cold War toward the pursuit of world peace. As we approach the fiftieth anniversary of President Kennedy's assassination—and Mary Meyer's—*Mary's Mosaic* adds to our understanding of why both took place. This paperback edition has been updated and revised with a significant postscript that focuses on Meyer's alleged assassin, who the author finally located and confronted in person in August 2012, as well as the ongoing saga of Janney's attempt to reopen the case based on new evidence.

Homicide

A Year on the Killing Streets *Holt Paperbacks*

From the creator of HBO's *The Wire*, the classic book about homicide investigation that became the basis for the hit

television show *The Wire*. The scene is Baltimore. Twice every three days another citizen is shot, stabbed, or bludgeoned to death. At the center of this hurricane of crime is the city's homicide unit, a small brotherhood of hard men who fight for whatever justice is possible in a deadly world. David Simon was the first reporter ever to gain unlimited access to a homicide unit, and this electrifying book tells the true story of a year on the violent streets of an American city. The narrative follows Donald Worden, a veteran investigator; Harry Edgerton, a black detective in a mostly white unit; and Tom Pellegrini, an earnest rookie who takes on the year's most difficult case, the brutal rape and murder of an eleven-year-old girl. Originally published fifteen years ago, *Homicide* became the basis for the acclaimed television show of the same name. This new edition—which includes a new introduction, an afterword, and photographs—revives this classic, riveting tale about the men who work on the dark side of the American experience.

Hear No Evil

Politics, Science, and the Forensic Evidence in the Kennedy Assassination *Skyhorse*

Did a shot from the "grassy knoll" kill President Kennedy? If so, was Oswald part of a conspiracy or an innocent patsy? Why have scientific experts who examined the evidence failed to put such questions to rest? In 2001, scientist Dr. Donald Byron Thomas published a peer-reviewed article that revived the debate over the finding by the House Select Committee on Assassinations that there had indeed been a shot from the grassy knoll, caught on a

police dictabelt recording. The Washington Post said, "The House Assassinations Committee may well have been right after all." In *Hear No Evil*, Thomas explains the acoustics evidence in detail, placing it in the context of an analysis of all the scientific evidence in the Kennedy assassination. Revering no sacred cows, he demolishes myths promulgated by both Warren Commission adherents and conspiracy advocates, and presents a novel and compelling reinterpretation of the "single bullet theory." More than a scientific tome, *Hear No Evil* is a searing indictment of the government's handpicked experts, who failed the public trust to be fair and impartial arbiters of the evidence.

The Two Faces of Lee Harvey Oswald

A Tale of Deception, Betrayal and Murder *Empire Publications*

Of all the millions of words written in anger or certainty regarding arguably the greatest murder mystery of all time, the assassination of President John Fitzgerald Kennedy, one testimony remains glaringly absent. The deposition of Lee Harvey Oswald, the alleged assassin, was silenced by Jack Ruby's bullet before he could tell his story to a shocked and grieving world. The *Two Faces of Lee Harvey Oswald* is a unique work. No other book in the public domain concentrates on Lee Oswald's point of view; a young man caught up by, then hopelessly trapped in, history. From the moment of his return from the Soviet Union, Oswald became tangled in a web of intrigue, deception and murder. And yet, no amount of speculation or rumour mongering can lend history in general and Oswald in particular, his own words. "I'm

just a patsy!" Oswald screamed, as he was led along a corridor in the Dallas Police Building, shortly after his arrest that fateful weekend. We will never truly know how innocent, or guilty, Oswald was. But his memory deserves a hearing. The most accurate hearing possible. LEE HARVEY OSWALD: LOSER Worked at a top secret Naval base in Atsugi, Japan whilst serving in the US Marine Corps in the late nineteen fifties. It was from this base that the CIA flew their top secret U2 spy planes over Communist China and the Soviet Union. LEE HARVEY OSWALD: LONER Warren Commission member, later President, Gerald R Ford revealed to the world Oswald's secret FBI informant number in his 1965 book, *Portrait of the Assassin*. LEE HARVEY OSWALD: NUT No-one, be it The Warren Commission, The House Select Committee on Assassinations, the US Secret Service, the Federal Bureau of Investigation or the Dallas Police Department, has ever proved beyond a reasonable doubt that Lee Oswald was in that window, with that rifle, at that time, on that day.

The Arrogance of Power

The Secret World of Richard Nixon *Penguin*

The controversial New York Times–bestselling biography of America's most infamous president written by a master of investigative political reporting. Anthony Summers's towering biography of Richard Nixon reveals a tormented figure whose criminal behavior did not begin with Watergate. Drawing on more than a thousand interviews and five years of research, Summers traces Nixon's entire career, revealing a man driven by addiction to power and intrigue. His subversion of democracy during

Watergate was the culmination of years of cynical political manipulation. Evidence suggests the former president had problems with alcohol and prescription drugs, was mentally unstable, and was abusive to his wife, Pat. Summers discloses previously unrevealed facts about Nixon's role in the plots against Fidel Castro and Salvador Allende, his sabotage of the Vietnam peace talks in 1968, and his acceptance of funds from dubious sources. *The Arrogance of Power* shows how the actions of one tormented man influenced 50 years of American history, in ways still reverberating today. "Summers has done an enormous service. . . . The inescapable conclusion, well body-guarded by meticulous research and footnotes, is that in the Nixon era the United States was in essence a 'rogue state.' It had a ruthless, paranoid and unstable leader who did not hesitate to break the laws of his own country."—Christopher Hitchens, *The New York Times Book Review* "A superbly researched and documented account—the last word on this dark and devious man."—Paul Theroux

November 22, 1963

Reflections on the Life, Assassination, and Legacy of John F. Kennedy *Skyhorse*

Gripping, personal stories about the life and death of President Kennedy. In November 22, 1963, Dean Owen curates a fascinating collection of interviews and thought-provoking commentaries from notable men and women connected to that notorious Friday afternoon. Those who worked closely with the president, civil rights leaders, celebrities, prominent journalists,

and political allies are among the many voices asked to share their reflections on the significance of that day and the legacy of JFK. A few of the names include: • Tom Brokaw, a young reporter in Omaha in 1963 • Andy Rooney, veteran television and radio newscaster • Letitia Baldrige, former Chief of Staff to First Lady Jacqueline Kennedy • Congressman John Lewis, sole survivor of the "Big Six" black leaders who met the president after the March on Washington in August of 1963 • Cliff Robertson, Academy Award-winning actor who portrayed JFK in *PT 109* With a compelling foreword from renowned author and journalist Helen Thomas, November 22, 1963 investigates not only where we were that day nearly fifty years ago, but where we have been since. A commemorative and insightful read, this book will unite generations. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

David Ferrie

Mafia Pilot, Participant in Anti-Castro Bioweapon Plot, Friend of Lee Harvey Oswald and Key to the JFK Assassination *Trine Day*

Of the all the people surrounding the assassination of President Kennedy, few are more mysterious and enigmatic than David William Ferrie of New Orleans. Author Judyth Vary Baker knew David Ferrie personally and worked with him in a covert project in New Orleans during the summer of 1963, and this book examines his strange and puzzling behavior both before and after the assassination. At the time of the assassination, Ferrie was a 45-year-old New Orleans resident who was acquainted with some of the most notorious names linked to the assassination: Lee Oswald, Clay Shaw, Guy Banister, Jack Ruby, and Carlos Marcello. He possessed assorted talents and eccentricities: he was at one time a senior pilot with Eastern Airlines until he was fired for homosexual activity on the job; he was also a hypnotist; a serious researcher of the origins of cancer; an amateur psychologist; and a victim of a strange disease, alopecia, which made all of his body void of hair. His odd lifestyle was embellished with an equally bizarre appearance featuring a red toupee and false eyebrows. This is the first book focused solely on David Ferrie and his alleged involvement in the conspiracy to assassinate President John F. Kennedy.

Reclaiming History: The Assassination of President John F. Kennedy *W. W. Norton & Company*

An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized.

Fight The Fear: Overcoming Obstacles That Stand In Your Way

Have you ever not done something because you were afraid to try? Have you ever had feelings of not being adequate? Do you find that you engage in self-sabotage, to make sure things don't work out? Have you experienced fear of failure or fear of success? Do you feel that life has burdened you with obstacles you can't overcome? Fear is a bully, and needs to be confronted. It will try and keep you from achieving your goals by telling you limiting thoughts about yourself that aren't true. The problem is that all too often we believe that negative voice that comes from your subconscious mind, but the important thing to know is that your subconscious mind does not know the difference between fact and fiction. It believes whatever you tell it! So if you tell your mind you're a winner that's what you will draw into your life. Conversely if you tell it you're a loser, you will draw THAT into your life. It's the power behind "The Power of Positive Thinking!" In the case of the author of this book, the second of his motivational and inspirational books, Dr. Gurian had to fight fear on a daily basis to overcome many obstacles in his own life, when his fear told him he would never accomplish anything. Besides stuttering, he faced obstacles like severe learning disabilities, Meniere's syndrome, a sleep disorder, depression, feelings of inferiority, the pain of divorce, a heart attack, fear of traveling, Covid 19 double pneumonia, and more. In this book you will learn: How to overcome the fear that's been stopping you from achieving your goals. How to examine your thinking and find the thoughts that are holding you back. How to see if you are engaging in self-sabotage. How to reprogram your mind to think positively. How

to challenge yourself to confront things that make you uncomfortable.?How to find and release negative thoughts you may be holding about yourself.?How to stay positive when it seems that nothing is going right.

The Man Who Killed Kennedy

The Case Against LBJ *Simon and Schuster*

Lyndon Baines Johnson was a man of great ambition and enormous greed, both of which, in 1963, would threaten to destroy him. In the end, President Johnson would use power from his personal connections in Texas and from the underworld and from the government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder President John F. Kennedy on November 22, 1963. In *The Man Who Killed Kennedy*, you will find out how and why he did it. Political consultant, strategist, and Libertarian Roger Stone has gathered documents and used his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination, but was in fact the mastermind. With 2013 being the fiftieth anniversary of JFK's assassination, this is the perfect time for *The Man Who Killed Kennedy* to be available to readers. The research and information in this book is unprecedented, and as Roger Stone lived through it, he's the perfect person to bring it to everyone's attention.

Raids on the Unspeakable *New Directions Publishing*

Essays, meditations, parables, and verse offer insights into the

absurdities and disorders of the modern world, the human crisis, and the benefits of Christian hope

Wired

The Short Life & Fast Times of John Belushi *Simon and Schuster*

This reissue of Bob Woodward's classic book about John Belushi—one of the most interesting performers and personalities in show business history—"is told with the same narrative style that Woodward employed so effectively in *All the President's Men* and *The Final Days*" (Chicago Tribune). John Belushi was found dead of a drug overdose March 5, 1982, in a seedy hotel bungalow off Sunset Boulevard in Hollywood. Belushi's death was the beginning of a trail that led Washington Post reporter Bob Woodward on an investigation that examines the dark side of American show business—TV, rock and roll, and the movie industry. From on-the-record interviews with 217 people, including Belushi's widow, his former partner Dan Aykroyd, Belushi's movie directors including Jack Nicholson and Steven Spielberg, actors Chevy Chase, Robin Williams, and Carrie Fisher, the movie executives, the agents, Belushi's drug dealers, and those who live in the show business underground, the author has written a close portrait of a great American comic talent, and of his struggle to succeed and to survive that ended in tragedy. Using diaries, accountants' records, phone bills, travel records, medical records, and interviews with firsthand witnesses, Woodward has followed Belushi's life from childhood in a small town outside Chicago to his meteoric rise to fame. Bob Woodward

has written a spellbinding account of rise and fall, a cautionary tale for our times, and a poignant and gentle portrait of a young man who had so much, gave so much, and lost so much.

The Darkest Summer

Pusan and Inchon 1950: The Battles That Saved South Korea--and the Marines--from Extinction *Simon & Schuster*

The Darkest Summer is the dramatic story of the first three months of the Korean War as it has never been told before. A narrative studded with gripping eyewitness accounts, it focuses on the fateful days when the Korean War's most decisive battles were fought and the Americans who fought them went—however briefly—from the depths of despair to the exultation of total conquest. Drawing on exclusive interviews with dozens of surviving U.S. veterans, it reveals how one ninety-day period changed the course of modern history and opens a unique and revealing window on an all-but-forgotten war.

Standup Guys

A Generation of Laughs *Booklocker.Com Incorporated*

John DeBellis' STAND-UP GUYS: A Generation of Laughs is a comic's memoir that puts the reader on and off stage with a unique group of young comedians: Larry David, Richard Lewis, Richard Belzer, Bill Maher, Gilbert Gottfried, Elayne Boosler, Rita Rudner, Larry Miller, Joe Piscopo, Robert Wuhl, Paul Reiser, Jerry Seinfeld and several of the most neurotic, lovable characters who survived and thrived due to talent, passion, and, most

importantly, camaraderie. It's a memoir rich in humor, pathos, and insight.

LBJ

The Mastermind of the JFK Assassination *Skyhorse*

LBJ aims to prove that Vice President Johnson played an active role in the assassination of President Kennedy and that he began planning his takeover of the U.S. presidency even before being named the vice presidential nominee in 1960. Lyndon B. Johnson's flawed personality and character traits, formed as a child, grew unchecked for the rest of his life as he suffered severe bouts of manic-depressive illness. He successfully hid this disorder from the public as he bartered, stole, and finessed his way through the corridors of power on Capitol Hill, though it's recorded that some of his aides knew of his struggle with bipolar disorder. After years of researching Johnson and the JFK assassination, Phillip F. Nelson conclusively shows that LBJ had an active role in JFK's assassination, and he includes newly-uncovered photographic evidence proving that Johnson knew when and where Kennedy's assassination would take place. Nelson's careful and meticulous research has led him to uncover secrets from one of the greatest unsolved mysteries in our country's history.

The Pursuit of Oblivion

A Global History of Narcotics *W. W. Norton & Company*

Written with encyclopedic scope, this candid, sober, hard-hitting

history of the global drug trade takes the reader back five centuries to the origins of the modern narcotics industry in the Western world. Reprint. 10,000 first printing.
