The Forty Rules of Love

A Novel of Rumi *Penguin*

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of The Island of Missing Trees (a Reese's Book Club Pick), incarnates Rumi's timeless message of love The Forty Rules of Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

Love - The Joy That Wounds

The Love Poems of Rumi

An immortal voice speaks on the greatest poetic theme in this English-language selection of the works of Rumi. Enriched by the lush calligraphic illustrations of Arabic artist Lassa Metoui, the poems bear remarkable power and emotional intensity, reflecting on the complexities of love, passion, pain, and faith. These songs of the spirit offer an intimate introduction to the poet's genius, as well as a sublime meditation on the mysteries of love.

The Soul of Rumi

A New Collection of Ecstatic Poems *Harper Collins*

Inside A Lover's Heart There's Another World, And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making

this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights.

Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.

The first collection of poems translated into English from the forbidden volume of the Divan of Rumi

- Presents Rumi's most heretical and free-form poems
- Includes introductions and commentary that provide both 13th-century context and modern interpretation

After his overwhelming and life-altering encounters with Shams of Tabriz, Rumi, the great thirteenth-century mystic, poet, and originator of the whirling dervishes, let go of many of the precepts of formal religion, insisting that only a complete personal dissolving into the larger energies of God could provide the satisfaction that the heart so desperately seeks. He began to speak spontaneously in the language of poetry, and his followers compiled his 44,000 verses into 23 volumes, collectively called the Divan. When Nevit Ergin decided to translate the Divan of Rumi into English, he enlisted the help of the Turkish government, which was happy to participate. The first 22 volumes were published without difficulty, but the government withdrew its support and refused to participate in the publication of the final volume due to its openly heretical nature. Now, in *The Forbidden Rumi*, Will Johnson and Nevit Ergin present for the first time in English Rumi's poems from this forbidden volume. The collection is grouped into three sections: songs to Shams and God, songs of heresy, and songs of advice and admonition. In them Rumi explains that in order to transform our consciousness, we must let go of ingrained habits and embrace new ones. In short, we must become heretics.
