Chiropractic The Superior Alternative

Chiropractic is a treatment where a practitioner called a chiropractor uses their hands to help relieve problems with the bones, muscles and joints. It's considered a type of complementary and alternative medicine (CAM) , which means it's not a conventional medical treatment.

Chiropractic - NHS

In over a century, chiropractic research has produced no evidence to support the postulates of chiropractic theory and little evidence that chiropractic treatments provide objective benefits. Research on spinal manipulation is inherently difficult, because double blind studies are impossible and even single blind studies are problematic; a placebo response is hard to rule out.
