The Modern Midwife - For Mothers and Midwives

The modern midwife By Aviva Attias on

24 November 2017 Midwives Magazine
RCM Annual Conference Midwifery This is the first of a four-part series in which we take a closer look at the Question Time-style sessions from this year's RCM annual conference. What does it mean to be a practising midwife in 2017?

The modern midwife - RCM

the modern day midwives are two independent midwives who have chosen to work outside of the NHS. We provide continuity of care to women and their families as they navigate the journey of pregnancy to parenthood. We cover all of London, West Essex and South Hertfordshire.

The Modern Day Midwives | Traditional Midwifery in the ...

The new generation of midwives are plucky and cool, with nothing but you and your baby's wellbeing in mind, explains Summer Litchfield. Clemmie Hooper looks like a pop star. "When I turn up on expectant women's doorsteps and tell them I'm their midwife, the most common reaction is: 'Wow, you're so young!'" Forget the middle-aged and matronly, out-dated midwifery of old; there's a new breed about, and Clemmie is most definitely one of them.

Ruth. Ruth has been working for the NHS for 40 years! She loves it so much in fact that she joined NHS Professionals after retirement so that she could continue working part time.

Nursing & Midwifery - NHS Professionals

Once her books *Call The Midwife*, *In the Midst of Life*, *Shadows of the Workhouse* and *Farewell to the East End* were published, the series followed shortly after giving viewers a glimpse into the integral role of midwives and nurses in the lives of Britons. But the history of midwifery goes back much further; for as long as women have been bearing children, women have attended other women in ...

MIDWIFERY IN THE UK: From Florence Nightingale to Call the ...

The midwives at Modern Midwifery are certified nurse-midwives (CNMs). A CNM is an independent healthcare provider who has received a bachelor's degree in nursing and either a master's or doctorate in midwifery. CNMs take care of women throughout their life span combining complementary and traditional therapies and can prescribe medication when needed.

MODERN MIDWIFERY - HOME

Midwives are trained to handle normal pregnancy, birth, and postpartum processes and to spot complications as they arise and refer appropriately. Increasing research and evidence proves that birth with midwives in an out of hospital environment is not only safe, it is recommended for low-risk mothers. Midwifery care is comprehensive and offers continuity of care.

Modern Midwifery--Midwifery Services in Minneapolis St ...

Across the country, midwives agree that it's challenging to exist in the modern world, especially when it comes to things like acquiring insurance and educating the public about the competency of midwives. In fact, while writing this article, I discovered that the practice I'd used—Midwifery Services, the first autonomous midwifery practice in the United States, which started in 1974—closed its doors just last year.

The NHS may be the proudest achievement of our modern society. It was founded in 1948 in place of fear - the fear that many people had of being unable to afford medical treatment for themselves and their families. And it was

founded in a spirit of optimism at a time of great - uncertainty, coming shortly after the sacrifices of war.

Five Year Forward View - NHS England

The midwifery model of care is first and foremost client-centered. At Modern Midwifery, we have developed a holistic program enabling women to have the birth center style of care combined with the security of a hospital setting. Through education, evidence-based practices, and shared decision making, we give women and their families the opportunity and tools they need to enhance their wellness.

...

Midwifery was an almost exclusively female role until accoucheurs - male midwives - became fashionable in 17th-century France, leading to a much greater involvement of male medical practitioners in childbirth. Quite often, these accoucheurs - such as the celebrated François Mauriceau - were also licensed as surgeons.
