### **Supersport - Honda**

The Honda CB750F  
Super Sport was born  
out of Honda's desire  
to regain its position as  
a motorcycle  
pacemaker. When  
Henry Ford launched  
the Model T in 1908,  
there was nothing else  
like it, and the T  
established a design  
template that defined  
the automobile for  
more than a decade.
