"Looking For Class" is an indepth look at Cambridge University and as Feiler was a student there, the look is precise, well-focused and entertaining. In addition to entertaining, you will learn much about this institution of learning you probably couldn't have known except from an American, living and

studying inside the sacred walls of Cambridge.

Looking for Class: Days and Nights at Oxford and Cambridge ...

"Looking For Class" reads like a novel, with interesting characters and situations, while illuminating the educational systems of two of the world's most prestigious institutions. For anyone considering college in the near future, any reader who has interest in understanding culture and higher education across the pond, or just an armchair traveller this is a great read.
