The special storytelling design, relatable characters, and story spins make it a worthwhile enhancement to your bookshelf. So, if you're searching for a fascinating read, What Is The World Cup Book is absolutely worth thinking about.

What Is the World Cup? *Penguin*

GOOOAAAAAL! Get ready for a front-row seat at the world's most-watched sporting event--the World Cup. Every four years, thirty-two of the best men's soccer teams from across the globe compete for the title of FIFA World Cup winner. Over one billion people tuned in worldwide to watch the final game of the 2014 competition, making the World Cup the most widely viewed sporting event in the world, exceeding even the Summer Olympics! This book takes a look back at what has changed since the first tournament in 1930 and what lies ahead for the most popular sport in the world.

The Official History of the Fifa World Cup(tm)

The Official History of the FIFA World Cup Book is an authoritative and comprehensive review of the 20 FIFA World Cups to have taken place since the inaugural tournament in 1930. Packed with stunning photography, exclusive interviews of the biggest stars of each edition, unique official documents and statistics, it is a must read for any football fan around the world. No other event in the sporting world can rival the glamour, impact, fervent following and universal appeal of the FIFA World Cup. This unique book tells the stories behind the scenes, as well as analyzing the most famous incidents. It features the biggest stars and many previously unknown ones too, all with a unique worldwide point of view.

FIFA World Cup Book *Welcome Rain*

Looks at the qualifying World Cup teams for the 1998 World Cup series, and offers brief portraits of some of the star players, including Gabriel Batistuta, Gary McAllister, Paolo Maldini, and Alan Shearer

The Ugly Game *Simon and Schuster*

When FIFA awarded the tiny desert state of Qatar the rights to host the 2022 World Cup, the news was greeted with disbelief and allegations of corruption. How had a country with almost no football infrastructure or tradition, a high terror risk and searing summer temperatures of 50C beaten more established countries with stronger bids? The story behind the Qatari success soon developed into one of the greatest sporting scandals of our time. And when the Sunday TimesInsight team received a cache of hundreds of millions of documents from a whistleblower, the contents of the FIFA Files became a global sensation, unearthing the corruption that lay at the heart of the bidding process. Now in this remarkable new book by the Sunday Timesjournalists at the centre of the investigation, Heidi Blake and Jonathan Calvert, comes the most comprehensive account yet of what happened and who was involved. Above all, it explains why, despite all the evidence, FIFA under Sepp Blatter continues to support Qatar - even to the extent of publishing an edited and abbreviated report into the process that was immediately denounced by its original author. Longlisted for the William Hill prize, The Ugly Gameis undoubtedly the biggest sporting story of the year.

The World Cup as World History *Rowman & Littlefield Publishers*

The World Cup as World History uses football's premier event to analyze modern sports and world history. William D. Bowman traces the history of a tournament that has become a global phenomenon that generates intense political, economic, and cultural interest and profound discussions about racial, ethnic, and gender identity in the contemporary era. By focusing on the World Cup, the book keeps a tight thematic focus that allows for an integrated discussion of the core issues of globalization, money and finance, sport as spectacle, race and gender, and contemporary politics.

FIFA World Cup and Beyond *Routledge*

Soccer, the most popular mass spectator sport in the world, has long been a site which articulates the complexities and diversities of the everyday life of the nation. The imaging and prioritization of the game as a ‘national’ or an ‘international’ event in public opinion and the media also play a critical role in transforming the soccer culture of a nation. In this context, the FIFA World Cup remains the grand spectacle for asserting the identity of the nation. This book intends to offer eclectic perspectives and discourses on the FIFA World Cup, and to throw light on the changing dimensions of football and sports culture in terms of identity, race, ethnicity, gender, fandom, governance, and so on. On the one hand, it focuses on the significance of the FIFA World Cup for nations in terms of hosting, performance, playing style, and identity formation. On the other, it looks beyond the World Cup to highlight the growing importance of a host of perspectives in sport in general and football in particular with reference to art, fandom, gender, media, and governance. The chapters in this book were originally published as a special issue of Sport in Society.

Russia and the 2018 FIFA World Cup *Routledge*

Despite many negative expectations of the 2018 FIFA World Cup, Russia delivered one of the best World Cups in living memory. This book brings together leading scholars working in Russian studies, sociology and political science to analyse the 2018 World Cup and assess its significance for sport, Russia and the world. The book explores the connections between sport, soft power, populism, protest, and international politics, and investigates topics including security, surveillance, social media and patriotic mobilization, shining new light on key contemporary themes in the social sciences. It reflects upon the importance of sporting mega-events for public diplomacy, and considers what the 2018 World Cup can tell us about the current condition of Russian society and the Russian state. This is fascinating reading for anybody with an interest in soccer, sport and society, Russia, international politics, events, or post-Soviet societies.

The World Cup

"Amazing photography accompanies engaging information about the World Cup. The combination of high-interest subject matter and light text is intended for students in grades 3 through 7"--

Mammoth Book Of The World Cup *Robinson*

An all-encompassing, chronological guide to football's World Cup, one of the world's few truly international events, in good time for the June 2018 kick-off in Russia. From its beginnings in 1930 to the modern all-singing, all-dancing self-styled 'greatest show on Earth', every tournament is covered with features on major stars and great games, as well as stories about some less celebrated names and quirky stats and intriguing essays. Holt's focus is very much on what takes place on the field, rather than how football is a mirror for economic corruption, or how a nation's style of play represents a profound statement about its people, or how a passion for football can lift underpaid, socially marginalised people out of poverty. From the best World Cups, in 1958 and 1970, to the worst, in 1962 and 2010, he looks behind the facts and the technical observations to the stories: the

mysterious sins of omission; critical injuries to key players; and coaching U-turns. He explains how England's World Cup achievements under Sven-Göran Eriksson, far from being a national disgrace, were actually quite impressive, and looks at why Alf Ramsey didn't take Bobby Charlton off in 1970, but this is no parochial, jingoistic account. The book also asks why Brazil did not contribute in 1966, despite having won the previous two tournaments and going on to win the next one? Why the greatest players of their day did not always shine at the World Cup - George Best and Alfredo Di Stefano, for example, never even made it to the Finals. Why did Johann Cruyff not go to the 1978 World Cup? And why did one of Germany's greatest players never play in the World Cup? There are lots of tables, some filled with obvious, but necessary information, but others with more quirky observations. Alongside accounts of epic games, there are also brief biographies of all the great heroes of the World Cup.

Why the U.S. Men Will Never Win the World Cup *Rowman & Littlefield Publishers*

October 10, 2017. The U.S. men’s soccer team loses in Trinidad and Tobago, and fails to qualify for the 2018 World Cup. Winning soccer’s greatest prize never seemed more distant. Immediate fixes—a new coach, a revamped professional league, a commitment to coaching education—won’t put the USA in the global elite. The nation is too fractious, too litigious, too wrapped up in other sports, and too late to the game. In Why the U.S. Men Will Never Win the World Cup: A Historical and Cultural Reality Check, Beau Dure shows what American soccer is really up against. Using hundreds of sources to trace more than 100 years of history, Dure delves into the culture that only recently lost its disdain for the global game and still doesn’t have the depth of soccer insight and passion that much of the world has had for generations. The difficulty isn’t any single thing—the mismanagement of failed leagues, the inability to agree on a path forward, the lawsuits that stem from an inability to agree, or the unique American culture that treasures its homegrown sports. It’s everything. And yet, Why the U.S. Men Will Never Win the World Cup is ultimately optimistic. Dure argues that with the right long-term changes, the U.S. can build a soccer environment that consistently produces quality players, strong results, and a lot more fun on the international stage. Soccer fans and skeptics alike will find this a fascinating examination of America’s past, present, and future in the beautiful game.

Foundations of Managing Sporting Events *Routledge*

2016 marks the 50th anniversary of the 1966 FIFA World Cup, hosted in England. Unlike previous literature, which has tended to focus activities on the field, this book brings an institutional level approach to organizing the 1966 FIFA World Cup and examines the management process in the buildup and execution of the event. This intriguing new volume looks at the first significant UK government intervention in football and how this created a significant legacy as the government started to take a real interest in leisure facilities and stadium safety as policy areas after this competition. Foundations of Managing Sporting Events will be of considerable interest to research academics working on aspects of post war British, Imperial, and World history including sport, social, business, economic, and political history.

Encyclopedia of the FIFA World Cup *Scarecrow Press*

The FIFA World Cup is the world’s most-watched sporting event. A cumulative television audience of several billion people tuned in to the 2014 World Cup, and an estimated 700 million watched the finals. The Encyclopedia of the FIFA World Cup provides the most comprehensive and up-to-date information available on the history of this incomparable event. Hundreds of entries cover players, coaches, officials, stadiums, overviews of each major country’s performances, and more. Including an indispensable bibliography on the key World Cup texts, this volume is an essential reference for soccer fans, players, and researchers alike.

2014 Fifa World Cup Brazil(tm) Official Book *Carlton Books Limited*

Presents a guide to the 2014 World Cup held in Brazil, and includes expert analysis of each team and their star players, information on tournament stadiums, and highlights of the host cities.

The Official 2018 FIFA World Cup Russia(tm) Fact File

Nothing beats the sporting spectacle of the World Cup, and this official fact file for kids helps them get ready for the excitement of Russia 2018. Illustrated with more than 120 amazing images, it presents all 32 teams, plus profiles of 36 star players, including Thomas Müller, Antoine Griezmann, Lionel Messi, Neymar, and Cristiano Ronaldo. Along with special features, there's a fill-in match chart for fans to complete as the drama unfolds.

The Treasures of the World Cup *Carlton Books Limited*

Just 13 teams contested the inaugural tournament in 1930, and the hosts Uruguay emerged as winners. From these tentative beginnings, the World Cup has grown exponentially into a truly all embracing international competition, involving more than 200 countries. It has provided the stage for such footballing legends as Bobby Charlton, Eusebio, Franz Beckenbauer, Johan Cruyff, Diego Maradona, Zinedine Zidane, Ronaldo, Lionel Messi and the incomparable Pele, and has furnished many football fans with their most cherished sporting memories. It is the biggest prize in competitive team sport. The Treasures of the World Cup tells the story of the quadrennial festival of world football. It comprises an authoritative narrative account of all 19 tournaments played to date and a preview of Brazil 2014. The reportage is complemented by features on the superstars and the memorable moments for each of the finals, as well as maps of the venues and results boxes. It also contains more than 30 facsimile items of rare football memorabilia integrated into the pages of the book. The reader can relive the dramatic events that have entranced the watching millions by holding and examining football programmes, match tickets, posters, stickers, postcards and items of correspondence, filed or exhibited in the National Football Museum and other private collections around the world.

Africa's World Cup *University of Michigan Press*

A collection of essays reflecting on the 2010 World Cup by noted journalists, academics, and experts

Japan, Korea and the 2002 World Cup *Routledge*

The football World Cup is unquestionably the biggest sporting event in the world. This fascinating collection of papers examines the background to the 2002 World Cup Finals, held in Korea and Japan, and explores the event's profound social, cultural, political and economic significance. The book offers important insight into topics such as: * the development of professional football in Korea and Japan * the political and diplomatic significance of the first co-hosted World Cup * FIFA and the 'back stage' dealing behind the World Cup * football as a global culture and its impact on 'traditional' East Asian structures. This book is essential reading for anybody looking to understand the power of sporting 'mega-events' and the increasingly complex relationship between sport and society. It is also an absorbing read for all serious fans of world football.

The FIFA World Cup *Rowman & Littlefield*

The first complete history of the FIFA World Cup with a preview of the 2022 event in Qatar. Every four years, the world’s best national soccer teams compete for the FIFA World Cup. Billions of people tune in from around the world to experience the remarkable events unfolding live, both on and off the field. From Diego Maradona’s first goal against England at the 1986 World Cup to Nelson Mandela’s surprise appearance at the 2010 final in South Africa, these unforgettable World Cup moments have helped to create a global phenomenon. In The FIFA World Cup: A History of the Planet's Biggest Sporting Event, veteran soccer reporter Clemente A. Lisi chronicles the tournament from 1930 to today, including a preview of the 2022 World Cup in Qatar. Lisi provides vivid accounts of individual games, details the innovations that impacted the sport across the decades, and offers biographical sketches of greats such as Pelé, Diego Maradona, and Lionel Messi. In addition, Lisi includes needed, objective coverage of off-field controversies such as the FIFA corruption case, making this book the only complete and impartial history of the tournament. Featuring personal interviews and behind-the-scenes stories from the author's many years attending and covering the World Cup, as well as stunning color photography, The FIFA World Cup is the definitive history of this global event.

This book is meant to enlighten you more about Qatar and all the things and places you can visit to have a whole lot of fun while simultaneously enjoying the world cup matches!

Circus Maximus *Brookings Institution Press*

Athletes compete for national honor in Olympic and World Cup games. But the road to these mega events is paved by big business. We all know who the winners on the field are—but who wins off the field? The numbers are staggering: China spent \$40 billion to host the 2008 Summer Olympic Games in Beijing and Russia spent \$50 billion for the 2014 Sochi Winter Games. Brazil's total expenditures are thought to have been as much as \$20 billion for the World Cup this summer and Qatar, which will be the site of the 2022 World Cup, is estimating that it will spend \$200 billion. How did we get here? And is it worth it? Those are among the questions noted sports economist Andrew Zimbalist answers in Circus Maximus: The Economic Gamble Behind Hosting the Olympics and the World Cup. Both the Olympics and the World Cup are touted as major economic boons for the countries that host them, and the competition is fierce to win hosting rights. Developing countries especially see the events as a chance to stand in the world's spotlight. Circus Maximus traces the path of the Olympic Games and the World Cup from noble sporting events to exhibits of excess. It exposes the hollowness of the claims made by their private industry boosters and government supporters, all illustrated through a series of case studies ripping open the experiences of Barcelona, Sochi, Rio, and London. Zimbalist finds no net economic gains for the countries that have played host to the Olympics or the World Cup. While the wealthy may profit, those in the middle and lower income brackets do not, and Zimbalist predicts more outbursts of political anger like that seen in Brazil surrounding the 2014 World Cup.

Eight World Cups *Times Books*

On the eve of the 2014 World Cup, New York Times sports columnist George Vecsey offers a personal perspective on the beautiful game Blending witty travelogue with action on the field—and shady dealings in back rooms—George Vecsey offers an eye-opening, globe-trotting account of the last eight World Cups. He immerses himself in the great national leagues, historic clubs, and devoted fans and provides his up-close impressions of charismatic stars like Sócrates, Maradona, Baggio, and Zidane, while also chronicling the rise of the U.S. men's and women's teams. Vecsey shows how each host nation has made the World Cup its own, from the all-night street parties in Spain in 1982 to the roar of vuvuzelas in South Africa in 2010, as the game in the stadium is backed up by the game in the street. But the joy is sometimes undermined by those who style themselves the game's protectors. With his characteristic sharp reporting and eye for detail, Vecsey brings this global event to vivid life and has written a perfect companion for the upcoming 2014 World Cup in Brazil.

A History of the World Cup *Rowman & Littlefield*

This book chronicles the World Cup from its origins in 1930 to the present day. It features highlights from each tournament, photos, player profiles, statistics, and World Cup records. This new edition includes coverage of the FIFA corruption scandal, the use of video technology, a profile of 2018 Golden Ball winner Luka Modric, and much more.

World Cup Women *Simon and Schuster*

This is the illustrated story of 23 soccer players who worked together to become World Cup champions and heroes to millions of men, women, boys, and girls across America and around the world. In July 2019, a record number of people all around the world tuned in to watch the Women's World Cup, which took place in France. Fifty-two games, twenty-four teams, four weeks . . . one winner. Megan Rapinoe had waited for this day since she attended a World Cup game as a teenager, and Alex Morgan had set her sights on a World Cup victory of her own as she watched Mia Hamm, Brandi Chastain, and Team USA win in 1999. Years of hard work, determination, and practice put Megan, Alex, and their teammates in the perfect position, and they took full advantage. Rose Lavelle, Tobin Heath, Alyssa Naeher, Crystal Dunn, Ali Krieger, Julie Ertz, Carli Lloyd, and the rest of the US Women's National Team returned home from France with the title, the trophy, and their nation's pride, becoming the first team in history to win four Women's World Cup titles! New York City threw a parade in their honor, and fans lined the streets, clapping and cheering and chanting their names. These women were on top of the world—they'd come so far. They'd achieved their dreams!World Cup Women highlights Team USA's tournament experience and provides a glimpse into what shot them to the top . . . and what may keep them there a little longer.

Brazil's Dance with the Devil *Haymarket Books*

One of the Boston Globe’s Best Sports Books of the Year: “Incisive, heartbreaking, important and even funny” (Jeremy Schaap, New York Times–bestselling author of Cinderella Man). The people of Brazil celebrated when it was announced that they were hosting the World Cup—the world’s most-viewed athletic tournament—in 2014 and the 2016 Summer Olympics. But as the events were approaching, ordinary Brazilians were holding the country’s biggest protest marches in decades. Sports journalist Dave Zirin traveled to Brazil to find out why. In a rollicking read that travels from the favelas of Rio de Janeiro to the fabled Maracanã Stadium to the halls of power in Washington, DC, Zirin examines Brazilians’ objections to the corruption of the games they love; the toll such events take on impoverished citizens; and how taking to the streets opened up an international conversation on the culture, economics, and politics of sports. “Millions will enjoy the World Cup and Olympics, but Zirin justly reminds readers of the real human costs beyond the spectacle.” —Kirkus Reviews

FIFA Women's World Cup France 2019

From 7 June to 7 July 2019, 23 teams from around the world will travel to host nation France to contest the eighth FIFA Women's World Cup. This guide provides an insightful and in-depth preview of women's football's biggest and greatest tournament. The features include: a review of the qualifying campaign; information on each of the tournament's nine venues; an in-depth analysis of all 24 participating teams and their star players; a retrospective look at the first seven FIFA Women's World Cups. In short, the FIFA Women's World Cup France 2019 is essential reading to get the most from this special event.

There's also a comprehensive statistics section covering all the facts and figures for each World Cup tournament so readers can relive the matches they saw, and discover the details about the ones they didn't.

Touched by God *Penguin*

The story of the most remarkable—and controversial—World Cup triumph in history, told in a long-awaited firsthand account from Diego Maradona, its most legendary player. “This is Diego Armando Maradona speaking, the man who scored two goals against England and one of the few Argentines who knows how much the World Cup actually weighs” In June 1986, Diego Maradona—one of soccer’s greatest and most polarizing figures—proudly hoisted the World Cup above his head. Since then, Argentina’s World Cup victory has become the stuff of legend, particularly their infamous victory over England—only four years after the country’s defeat in the Falklands War—which featured arguably the best goal in history (Maradona’s “Goal of the Century”) and the worst (the notorious “Hand of God”). But Argentina’s victory came after months of struggle and discord within the team, including the Argentine government’s attempt to remove the team’s management, a lack of equipment that forced the players to buy their own uniforms, and an argument that caused the team’s captain to quit on the eve of the tournament. Now, thirty years after Argentina’s magical victory, Maradona tells his side of the story, vividly recounting how he led the team to win one of the greatest World Cup triumphs of all time.

The Women's World Cup 2019 Book *Meyer & Meyer Media*

"This book provides all the information you would want to know about the World Cup, including in-depth detail about all the teams--the players, coaches, their histories, and strategies--background information on each French stadium that will host a game, and even information on past World Cups. Not only will you find information on the current teams and playing condition, but you will also gain a bit of insight into the history of the Women's World Cup. Through detailed descriptions and fun anecdotes, author Shane Stay will make you feel as though you are there at the Cup. Even included are Shane's predictions for how each team will perform--giving you that knowledgable edge over your friends"--Page 4 of cover.

France and the 1998 World Cup *Routledge*

The contributions here cover the major socio-economic, political, cultural and sporting dimensions of the 1998 World Cup. It is set within the sporting context of the history and organization of French football and the French tradition of using major sporting events to focus world attention.

Who Is David Beckham? *Penguin*

Whether you call it football or soccer, there's no disputing that David Beckham is one of the best players in the history of the game! Whenever a young David Beckham was asked what he wanted to be when he grew up, he'd always answer with the same response: I want to be a footballer. This English native got his wish when he joined the Manchester United team in 1991. Since then, he has been crossing, bending, and free-kicking his way to stardom. In his twenty-year career as a professional soccer player, he has won nineteen major trophies, and appeared at three FIFA World Cup tournaments. David Beckham has become an international cultural icon for his soccer skills, his charity work, and his fashionable wife and family. Young soccer fans are in for a treat with this Who HQ book.

Get an inside look at the men's and women's soccer World Cup. Explore the phenomenal performances, jaw-dropping goals, and biggest celebrations that have made the World Cup the most popular sports event in the world.

The Ugly Game *Simon and Schuster*

An "account by two ... investigative journalists at Britain's The Sunday Times explains how the 2022 World Cup was secured for Qatar--a key element in the ongoing, international FIFA controversy"--Amazon.com.

Chasing the Game *Da Capo Press*

A tantalizing account of the triumphs and travails of the U.S. men’s soccer team in the run-up to the 2010 World Cup in South Africa, set within the historical context of American soccer on the global stage The U.S. men’s soccer team was a huge disappointment at the World Cup in 2006, but a newly constituted team exceeded all expectations in June 2009 with their inspired play at the Confederations Cup in South Africa—where they upset the number one team in the world, Spain, and lost late in the championship game to a supremely talented Brazilian squad. Their impressive showing gave fans, including the ever-loyal Sam’s Army, a renewed sense of hope that when the team plays up to its capabilities, the Americans can compete with anyone in the world. In Chasing the Game, Filip Bondy describes the U.S. team’s path to qualifying for this year’s World Cup—to be held on the African continent for the first time ever, in South Africa in June 2010. Bondy also reveals the back-and-forth saga that resulted in the hiring of Bob Bradley as the American coach, and serves up engaging profiles of several core players, including the U.S. national team’s all-time leader in scoring and assists, Landon Donovan, acrobatic goalie Tim Howard, hip-hop devotee and opportunistic goal-scorer Clint “Deuce” Dempsey, up-and-comer Jozy Altidore, and the coach’s son, the reticent yet dependable Michael Bradley. Chasing the Game also recounts the glorious highlights of past World Cup matches, like the U.S. men’s team’s stunning 1–0 victory over England in 1950 and the 2002 team’s advance to the quarterfinals, as well as heartbreaks like the fiasco in 2006, when the U.S. mustered only four shots on goal in three games. Finally, Bondy also traces the origin of soccer and the evolution of the game in the U.S., chronicling how soccer academies like the one in Bradenton, Florida, have impacted the game at both the youth and national levels. It’s all here for the first time in one book—the complete story of American soccer on the global stage.

Qatar and the 2022 FIFA World Cup *Palgrave Macmillan*

This book offers the first, full academic analysis of the Qatar 2022 FIFA World Cup. Adopting an international relations perspective, the authors critically interrogate the politics and controversy that has surrounded arguably the most controversial sports event ever. In doing so, this text offers up an imperative examination of Qatar’s desired objectives through their investment in global sport and sports events, as well as provides readers with an academic explanation on why major event hosts – such as Qatar – receive so much international scrutiny in the pre-event stage of the event hosting process. On the back of this international scrutiny, this text also provides the first full analysis on how such negative scrutiny has forced Qatar to implement various social-political changes at home.

Goal! Football World Cup Quiz & Fun Book, 1/e *Popular Prakashan*

FIFA 2022 *Nova Science Publishers*

This book is intended for a diverse audience including football fans from various parts of the world visiting Qatar for the first time. It is estimated that at least one million people will visit Qatar during the FIFA World Cup(tm) 2022. We planned this book to be informative, insightful and holistic. The book covers highly relevant subjects to football, from sport infrastructure, elite athletes' performance, the sport's role in health, media, and climate, to sport enthusiast experience.
