What to Expect the First Year *Workman Publishing*

Some things about babies, happily, will never change. They still arrive warm, cuddly, soft, and smelling impossibly sweet. But how moms and dads care for their brand-new bundles of baby joy has changed—and now, so has the new-baby bible. Announcing the completely revised third edition of What to Expect the First Year. With over 10.5 million copies in print, First Year is the world's best-selling, best-loved guide to the instructions that babies don't come with, but should. And now, it's better than ever. Every parent's must-have/go-to is completely updated. Keeping the trademark month-by-month format that allows parents to take the potentially overwhelming first year one step at a time, First Year is easier-to-read, faster-to-flip-through, and new-family-friendlier than ever—packed with even more practical tips, realistic advice, and relatable, accessible information than before. Illustrations are new, too. Among the changes: Baby care

fundamentals—crib and sleep safety, feeding, vitamin supplements—are revised to reflect the most recent guidelines. Breastfeeding gets more coverage, too, from getting started to keeping it going. Hot-button topics and trends are tackled: attachment parenting, sleep training, early potty learning (elimination communication), baby-led weaning, and green parenting (from cloth diapers to non-toxic furniture). An all-new chapter on buying for baby helps parents navigate through today's dizzying gamut of baby products, nursery items, and gear. Also new: tips on preparing homemade baby food, the latest recommendations on starting solids, research on the impact of screen time (TVs, tablets, apps, computers), and "For Parents" boxes that focus on mom's and dad's needs. Throughout, topics are organized more intuitively than ever, for the best user experience possible.

What To Expect The 1st Year [rev Edition] *Simon and Schuster*

With over 7 million copies sold worldwide, WHAT TO EXPECT THE 1st YEAR is one of the world's bestselling books on infant care - and it has now been updated and revised throughout by Heidi Murkoff. This comprehensive and practical month-by-month guide clearly explains everything parents need to know - or might be worrying about - in the first year with a new baby. The book covers monthly growth and development, feeding for every age and stage, and sleep strategies that really work. It is filled with the most practical tips (how to give a bath, decode your baby's crying, what to buy for baby, and when to return to work) and the most up-to-date medical advice (the latest on vaccines, vitamins, illnesses, SIDS, safety, and more). Featuring dozens of Q&A sections, as well as a first-aid guide and charts on monthly growth and development, feeding and sleeping habits, this is the only book on infant care to address both the physical and the emotional needs of the whole family. Covering the most up-to-date knowledge, both medical and developmental, WHAT TO EXPECT THE 1st YEAR is, above all, down-to-earth and reassuring - and an invaluable aid for all parents of new babies.

What to Expect the First Year

Everything new parents need to know about the care and feeding of an infant, from the authors of What to Expect When You're Expecting. The book covers monthly growth and development, feeding for every age and stage, and sleep strategies that really work.

What to Expect When You're Expecting: 5th Edition of the World's Bestselling Pregnancy Book

Totally revised and updated for a new generation of expectant mothers and fathers. The world's favourite pregnancy book just got better. What to Expect When You're Expecting has long been the go-to manual for parents-to-be around the world. With detailed week-by-week explanations of what is happening to mother and baby, and advice backed by the latest research - think preparation, diet, self-care and complications - this book reassures parents while it tackles problems and addresses issues particular to today's technological, multicultural and rapidly changing society - from the use of alternative medicine and assisted conception, to options for labour, delivery and much more. This edition has been revised and adapted to meet best Australian practice.

What to Expect When You're Expected

A Fetus's Guide to the First Three Trimesters *Random House*

This new second edition is filled with the latest, most accurate wombhood information, including comforting answers to hundreds of questions, such as • “My mother just took a sip of white wine. Am I going to end up looking like some Chernobyl baby now?” • “So far Mommy is spending most of her pregnancy in a state of stress, anxiety, and depression. Which one should she focus on?” • “I’m kicking as hard as I can, but Mom says it feels like ‘butterflies fluttering.’ Am I doing something wrong?” • “Why do my parents blast Mozart at me every night right when I’m trying to sleep?!” • “To the nearest hundred, how many people should Mommy invite to my birth?”

What to Expect for First-Time Moms

The Post-Pregnancy Handbook

The Only Book That Tells What the First Year After Childbirth Is Really All About---Physically, Emotionally, Sexually *St. Martin's Press*

While a number of books exist which deal with various aspects of the postnatal experience - breastfeeding, exercise, motherhood, post-partum depression - this is the first complete source of information on what a woman experiences both physically and emotionally in the days, weeks and months after childbirth. It is also the only book in its field which balances medical advice with practical tips and numerous references to alternative remedies. From Sylvia Brown, a mother, and Mary Dowd Struck,

RN,MS,CNM, a nurse/midwife, comes *The Post-Pregnancy Handbook*, a wonderfully comprehensive, honest self-help guide which every new (and repeat) mother should keep by her bedside. Brown and Struck give detailed guidance on: The First Few Days - alleviating discomfort from the after-effects of labor or a cesarian - making the hospital stay more pleasant - coping with possible medical complications The First Few Weeks - organizing home life with a new baby - surviving fatigue - breastfeeding successfully - managing older siblings, parents and friends - introducing a new dimension to the couple (returning to sex after childbirth) - navigating the new mother's dietary needs - identifying and overcoming a range of emotional difficulties from "baby blues" to severe postnatal depression - dealing with stress, guilt and that elusive maternal instinct The First Year - achieving a complete physical recovery: how to get back into shape from the inside out - restoring strength and tone to the pelvic floor - countering the legacies of pregnancy: problems with hair, skin, and varicose veins A thorough, straightforward guide to helping the new mother achieve an effective and harmonious recovery.

Your Baby's First Year *Bantam*

Provides advice on all aspects of infant care from the members of the American Academy of Pediatrics, discussing such topics as behavior, growth, immunizations, and safety.

What to Expect: The Toddler Years 2nd Edition *Simon and Schuster*

Overflowing with intelligence and good common sense, this comprehensive guide provides clear explanations and useful guidelines on everything a parent might want to know about the second and third years of their child's life. On a month-by-month basis, WHAT TO EXPECT THE TODDLER YEARS explains what a toddler will be able to do at that age, and what to expect in the months ahead. Featuring topics from potty-training to sleeping problems, disciplining to how to encourage learning and thinking, this book covers it all - including invaluable advice on how parents can make time for themselves in the midst of it all. Answering parents' questions such as 'How can I get my toddler talking?' and 'My toddler is a fussy eater - how can I be sure he's eating what he should?', WHAT TO EXPECT THE TODDLER YEARS is an essential guide to keeping a toddler safe, healthy and - above all - happy.

Mayo Clinic Guide to Your Baby's First Years

2nd Edition Revised and Updated *Mayo Clinic Press*

A complete guide with practical information and support for parents of children from newborn to three years old, by childcare experts at the renowned Mayo Clinic. Written by doctors who are also parents. Updated and Revised 2nd edition. Mayo Clinic Guide to Your Baby's First Years is a trusted and essential resource for new and experienced parents alike. In this fully reviewed and updated second edition, you'll find practical guidance on caring for the new little one in your family, from birth to age 3. Inside you'll find evidence-based advice on giving your baby the best nutrition and introducing your toddler to solids, tips for forming healthy sleep habits, strategies for dealing with fussiness and tantrums, advice on establishing a secure bond with your child, monthly updates on your child's growth and development, and much more.

New Parents' Survival Guide

The First Three Months *Summersdale Publishers LTD*

No matter how much you long for and plan for a baby, no one is

quite prepared for the impact their new arrival has on their life. Babies have a habit of not behaving the way the textbooks say they should. The New Parents' Survival Guide is packed with practical advice and bite-sized tips on how to deal with common problems you are likely to encounter, including how to care for your newborn, solve the breast versus bottle dilemma, overcome breastfeeding woes, calm your crying baby, solve sleep issues, manage minor ailments, and take good care of yourself.

What to Expect the First Year [Third Edition]; most trusted baby advice book *HarperCollins*

The world's best-selling, best-loved month-by-month guide for parents, comprehensively adapted for Australian readers. At last, the instructions that babies don't come with, but that every new parent needs! This best-loved baby guide - and follow-up to What to Expect When You're Expecting - offers everything you want to know about the care (and feeding) of your infant. What to Expect the First Year covers monthly growth and development, feeding for every age and stage, sleep strategies that really work, and the very best ways to stimulate your baby (and have fun at the same time!). Filled with the most practical tips (how to pump up your milk supply, give a bath, make your own baby food, cope with colic), and the most up-to-date medical advice (car seats, safety around the house, vaccines, vitamins, common illnesses, preventing SIDS), this bestselling guide is a must-have for new parents. With over 10.5 million copies in print, What to Expect the First Year is the world's most popular baby guide. 'Packed with helpful information for all parents, What to Expect the First Year is an invaluable companion to parents as they navigate the first 12 months of their child's life.' Dr Jonny Taitz, MBChB, FRACP, FCP(SA), FAAQHC, AFRACMA, Consultant Paediatrician

The Sh!t No One Tells You

A Guide to Surviving Your Baby's First Year *Seal Press*

A humorous, realistic, and supportive guide to the first 52 weeks with a baby, The Sh!t No One Tells You is the first book in Dawn Dais's popular parenting series, followed by The Sh!t No One Tells You About Toddlers and The Sh!t No One Tells You About Baby #2. There comes a time in every new mother's life when she finds herself staring at her screaming, smelly "bundle of joy" and wishing someone had told her that her house would reek of vomit, or that she shouldn't buy the cute onesies with a thousand impossible buttons, or that she might cry more than the baby. Best-selling author Dawn Dais, mother of two tiny terrors, is convinced that there is a reason for this lack of preparedness. She believes that a vast conspiracy exists to hide the horrific truth about parenting from doe-eyed expectant mothers who might otherwise abandon their babies in hospitals and run for it. Eschewing the adorableness that oozes out of other parenting books, Dais offers real advice from real moms—along with hilarious anecdotes, clever tips, and the genuine encouragement every mom needs in order to survive the first year of parenthood. The Sh!t No One Tells You is a must-have companion for every new mother's sleepless nights and poop-filled days.

First-Time Mom

What to Expect When You're Expecting: A New Mom's Survival Guide to Prepare Yourself for Pregnancy, Labor, Childbirth, and New Born Baby

Are you nervous about delivering a baby for the first time? Are you anxious and confused about the changes happening to your body? Then you need to keep reading...As soon as a few weeks after conception, the pregnant body sees drastic changes. Due to

dramatic increases in progesterone, estrogen, and other hormones, women can experience a range of shocking symptoms: hair will become thicker and grow in new areas, bones soften, lung capacity increases, the heart enlarges, and much more. For first-time mothers, learning to differentiate between what's expected and what's abnormal can cause a large amount of needless stress, leaving less time to think about what really matters. In First Time Mom, you'll discover: The EXACT formula for a healthy, joyous pregnancy. (By adopting these lifestyle changes, you can ensure a smooth and stress-free nine months ahead!) Everything you can expect from each trimester and beyond. The warning symptoms that you should never ignore. Pregnancy secrets that no one ever tells you about. Ten crucial facts about newborns that all parents must be aware of. The truth about what to expect in the delivery room. Seven important pieces of advice that all first-time moms MUST know. (Abiding by these tips are a sure path to a happy newborn and mom!) And much, much more... As a FREE bonus, you'll also receive a free chapter from The Mindful Path to Self Compassion because we truly believe that every baby is much happier when mom has learned to be kind to herself. Even if you are clueless about pregnancy, or constantly feel like you don't know what you're doing, the extensive research behind this guide can ensure you'll cultivate unwavering confidence during this important time, and learn all the vital information needed to nurture a happy, healthy baby, paving your way to a promising and soul-enriching motherhood. By relying on the expert research behind this guide, you'll learn exactly what symptoms to expect during each stage of your pregnancy, what they mean, and all the expert tricks to ease any difficulty that arises with your body or your baby. If you want to access this advanced information only known to experienced mothers and midwives, then you should listen to this audiobook!

The Pregnancy Guide for Men

The Ultimate First-Time Dad's Handbook on What to Expect Having a Baby and Becoming a New Father

With these simple tricks and tactics, you'll get through her pregnancy successfully... and master every step of the way. Are you finding it hard to tell whether you're excited or just scared pantsless? Of course, you're excited, but still, what the heck are you supposed to do now? Relax, and take a deep breath -- all dads have been in your same shoes once before. Finding out that you're going to be a dad is one of the most rewarding moments in life, but yes, it certainly comes with a lot of questions and concerns. But the good news is that you're not alone! And the even better news is that all the information you're ever going to need already exists. The crazy moments you could never see coming... well, now you can prepare for them. The emotional roller coaster your significant other is about to take you on -- we're going to put you in the driver's seat. Those 10 million thoughts bouncing around in your head -- it's time to put some structure to it all and relax into a well-organized plan of attack. This doesn't have to be a stressful and confusing time in your life. In fact, it shouldn't be. With these powerful insights and knowledge from fathers around the world, you'll soon find yourself feeling prepared and ready for your new best friend to enter this beautiful world. Set that confusion aside and step into a position of personal empowerment, knowing that no matter what comes your way, you're going to be ready for it. In The Pregnancy Guide For Men, you'll discover: How to navigate everything that is expected of you -- without feeling overwhelmed and like you're losing it. The biggest challenges you're going to face during pregnancy -- and simple (but effective) ways to overcome them

Month by month guidance -- from the pregnancy test to when she's in that hospital bed, ensure that you never miss a beat Why you need to have a birth plan -- and how you can lead the way into setting one up successfully A deeper look into how your significant other will feel throughout each stage of the process so you can help her through her emotional storms The pros and cons of finding out your baby's sex beforehand -- and how either stance will bring your family a ton of joy What you need to do before labor is induced that'll make everyone's life so much easier ... and much more! Whether her pregnancy caught you by surprise or you've been anticipating it, now is the time for you to step it up. With this awareness and step-by-step guidance, you're going to find yourself prepared and ready for whatever parenthood throws your way. Don't let your doubts and fears stand in the way -- you've got this! If you're ready to set your child up for the most successful life possible, then scroll up and click the "Add to Cart" button right now.

What to Expect: Before You're Expecting *Simon and Schuster*

Announcing the prequel! From Heidi Murkoff, author of the world's bestselling pregnancy and parenting books, comes the must-have guide every expectant couple needs before they even conceive - the first step in What to Expect: What to Expect Before You're Expecting. Medical groups now recommend that all hopeful parents plan for baby-making at least three months before they begin trying. And who better to guide want-to-be mums and dads step-by-step through the preconception (and conception) process than Heidi Murkoff? It's all here. Everything couples need to know before sperm and egg meet. Packed with the same kind of reassuring, empathic and practical information and advice that readers have come to expect from What to Expect, only sooner. Which baby-friendly foods to order up (say yes to yams) and which fertility-busters to avoid (see you later, saturated fat); lifestyle adjustments that you'll want to make (cut back on cocktails and caffeine) and those you can probably skip (that switch to boxer shorts). How to pinpoint ovulation, keep on-demand sex sexy, and separate conception fact from myth. Plus, when to seek help and the latest on fertility treatments - from IVF to surrogacy and more. Complete with a fill-in fertility journal to keep track of the baby-making adventure and special tips throughout for hopeful dads. Next step? What to Expect When You're Expecting, of course.

New First Three Years of Life

Completely Revised and Updated *Simon and Schuster*

The most important guide to the early childhood development of infants and toddlers ever written, from expert Burton L. White. First published in 1975, The First Three Years of Life became an instant classic. Based on Burton White's thirty-seven years of observation and research, this detailed guide to the month-by-month mental, physical, social, and emotional development of infants and toddlers has supported and guided hundreds of thousands of parents. Now completely revised and updated, it contains the most accurate information and advice available on

raising and nurturing the very young child. White gives parents real-world-tested advice on: * Creating a stimulating environment for your infant and toddler * Using effective, age-appropriate discipline techniques * How to handle sleep problems * What toys you should (and should not) buy * How to encourage healthy social development * How and when to toilet-train No parent who cares about a child's well-being can afford to be without this book.

A Wrinkle in Time *GENERAL PRESS*

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

What to Expect When You're Expecting *Pocket Books*

We're expecting again! Announcing the COMPLETELY REVISED AND UPDATED FOURTH EDITION of this bestselling pregnancy book. This is a cover-to-cover, chapter-by-chapter, line-by-line revision and update. It's a new book for a new generation of expectant mums, featuring a fresh perspective and a friendlier-than-ever voice. Heidi Murkoff has rewritten every section of the book, answering dozens of new questions and including loads of new asked-for material, such as a detailed week-by-week foetal development section in each of the monthly chapters, an expanded chapter on pre-conception, and a brand new one on carrying multiples. The Fourth Edition incorporates the most recent developments in obstetrics and addresses the most current lifestyle trends (from tattooing and belly piercing to Botox and aromatherapy). There's more than ever on pregnancy matters practical (including an expanded section on workplace concerns), physical (with more symptoms, more solutions), emotional (advice on riding the mood roller coaster), nutritional (from low-carb to vegan, from junk food-dependent to caffeine-addicted), and sexual (what's hot and what's not in pregnant lovemaking), as well as much more support for that very important partner in parenting, the dad-to-be. Overflowing with tips, helpful hints and humour (a pregnant woman's best friend), this new edition is more accessible and easier to use than ever before. It's everything parents-to-be have come to expect from What to Expect...only better.

Baby's First Year

What to Expect: Eating Well When You're Expecting *Simon and Schuster*

EATING WELL WHEN YOU'RE EXPECTING provides mums-to-be with a realistic approach to navigating healthily and deliciously through the nine months of pregnancy - at home, in the office, at Christmas, in restaurants. Thorough chapters are devoted to nutrition, weight gain, food safety, the postpartum diet, and how to eat when trying to conceive again. And the book comes with 150 contemporary, tasty, and healthy recipes that feed mum and baby well, take little time to prepare, and are gentle on queasy tummies. At the heart of the book are hundreds of pressing questions every mother-to-be has: Is it true I shouldn't eat any food cooked with alcohol? Will the caffeine in coffee cross into my baby's bloodstream? I'm entering my second trimester, and I'm losing weight, not gaining - help! Is all sushi off limits? How do I get enough calcium if I'm lactose intolerant? I keep dreaming about a hot fudge sundae - can I indulge? (The answer is yes!)

The First-Time Mom's Pregnancy Handbook

A Week-by-Week Guide from Conception Through Baby's First 3 Months *Rockridge Press*

When you're thinking about pregnancy books for first-time moms, think about this one.

Baby's First Year Milestones *Rockridge Press*

Baby's First Year Milestones is a month-by-month guide filled with activities designed to support your baby's development during their first year of life. In twelve months, your newborn will transform into a child. To celebrate each new development, Baby's First Year Milestones offers a practical month-by-month guide to understanding the major milestones in your child's life. In Baby's First Year Milestones, child development expert Aubrey Hargis offers knowledgeable insight into the changes you can expect during the first year, as well as action-oriented guidance for supporting your baby during these essential periods of growth. Baby's First Year Milestones includes: Clear descriptions of major developmental milestones for every month of the baby's first year, including a checklist of all major milestones to help you track your baby's development Over 150 age-appropriate activities that are specifically designed to encourage learning at each developmental stage during your baby's first year Explanations and solutions for common problems that may arise during the baby's first year, including feeding issues, sleep regressions, "stranger danger," and more With Baby's First Year Milestones you'll learn exactly how to help your child explore their new abilities as they develop, while having fun and strengthening your oh-so important bond.

The Wonder Weeks

How to Stimulate Your Baby's Mental Development and Help Him Turn His 10 Predictable, Great, Fussy Phases Into Magical Leaps Forward

The Wonder Weeks reveals what's going on inside baby's mind. Including a bonus chapter with everything about the relationship between sleep and leaps, as well as unique insight into your baby's sleeping behavior. The book includes: * Week-by-week guide to baby's behavior* When to expect the fussy behavior, what this implies (cranky, clingy, crying (the three C's) behavior) and how to deal with these regression periods (leaps)* A description from your baby's perspective of the world around him and how you can understand the changes he's going through* Fun games and gentle activities you can do with your child* Unique insight into your baby's sleeping behaviour The book is based on the scientific- and parental-world-changing discovery of a phenomenon: all normal, healthy babies appear to be more fussy at very nearly the same ages, regression periods, and sleep less in these phases. These age-related fluctuations in need for body contact and attention (regression periods) are related to

major and quite dramatic changes in the brains of the children. These changes enable a baby to enter a whole new perceptual world and, as a consequence, to learn many new skills. This should be a reason for celebration, but as far as the baby is concerned these changes are bewildering. He's taken aback--everything has changed overnight. It is as if he has woken up on a strange planet. He needs you to guide him and understand what he is going through! Get ready to rediscover the world all over again with your baby... Bonus: Sleep, and the lack of sleep... that's something we all have to deal with when we have a baby. The bonus chapter includes everything about the relationship between sleep and leaps, as well as unique insight into your baby's sleeping behavior. Hint: did you know your baby learns (and there's a lot of brain activity) during those little, 'light' sleeps?

The Book of Questions for New Parents *Createspace Independent Pub*

The Book of Questions for New Parents is a collection of 300 questions and scenarios that will challenge you to explore yourself and your loved one as new parents of young children.

If I Ran the Zoo *Random House Books for Young Readers*

Gerald tells of the very unusual animals he would add to the zoo, if he were in charge.

First-time Parent *Collins Harvill*

Forget unrealistic childcare manuals—this is the book new parents will really need to help cope brilliantly with the first chaotic days and months. In a humorous style, the book begins with that first mind-blowing day and addresses the issues unique to the first-time parent who stares at their newborn and thinks Where are the instructions? Anticipating the questions and concerns of all new mothers—Why does my baby cry so much? Will I ever lose all this weight? Am I a bad parent because. . ., the book provides practical advice and level-headed reassurance. It addresses the needs of the baby and, very importantly, those of the parent during the first year of their baby's life. Contents include: the equipment and kit new parents really need, how to cope with the first few hours, coming home, bonding, how to survive the first few days, and sleeping. New moms and dads will also learn about the baby's crying, feeding their child, the baby's physical and mental development, health considerations for baby and parent, the changing mother-father relationship, and coping with being at home and with going back to work. This guide also includes information on single parenting, and on adopted, multiple and special needs babies.

The Gospel According to Matthew

Authorized King James Version *Canongate U.S.*

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The First Forty Days

The Essential Art of Nourishing the New Mother *Abrams*

The first 40 days after the birth of a child offer an essential and fleeting period of rest and recovery for the new mother. Based on author Heng Ou's own postpartum experience with *zuo yuezi*, a set period of "confinement," in which a woman remains at home focusing on healing and bonding with her baby, *The First Forty Days* revives the lost art of caring for the mother after birth. As modern mothers are pushed to prematurely "bounce back" after delivering their babies, and are often left alone to face the physical and emotional challenges of this new stage of their lives, the first forty days provide a lifeline—a source of connection, nourishment, and guidance. The book includes 60 simple recipes for healing soups; replenishing meals and snacks; and calming and lactation-boosting teas, all formulated to support the unique needs of the new mother. In addition to the recipes, this warm and encouraging guide offers advice on arranging a system of help during the postpartum period, navigating relationship challenges, and honoring the significance of pregnancy and birth. *The First Forty Days*, fully illustrated to feel both inspiring and soothing, is a practical guide and inspirational read for all new mothers and mothers-to-be—the perfect ally during the first weeks with a new baby.

The First One You Expect

When he's not holding down a dead-end job or lurking in his mother's basement, Tony Anastos spends his time shooting ultra-low-budget horror flicks. After meeting his sexy fame-hungry coworker Anna, he sees an opportunity to launch his career into cult stardom. But when Tony's plan to jolt their next film's Kickstarter into overdrive calls for real blood, he will sacrifice the last bit of his humanity for a shot at recognition. But it makes sense. Look at him. The stuff he makes, I mean, he's the first one you expect. "The First One You Expect is a fast, sexy, fun, dangerous read, and enough of a taste to make me hope Cesare ventures into crime fiction regularly." -*Spinetingler Magazine* "An engaging, contemporary thriller with a cutting-edge narrative, and characters so real they could live next door." -*Rio Youers*, author of *Westlake Soul* and *Point Hollow* "[A] hugely entertaining parable of the be-careful-what-you-wish-for kind." -*Crime Fiction Lover*

Mayo Clinic Guide to a Healthy Pregnancy *Harper Collins*
Book description to come.

Forget the Alamo

The Rise and Fall of an American Myth *Penguin*

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched . . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy

than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

What to Expect the Toddler Years

This comprehensive guide provides clear explanations and useful guidelines on everything a parent might want to know about the second and third years of their child's life, including how to deal with potty training and sleeping problems.

The Ultimate Baby Book for New Dads
