Thanks for selecting our system for your PDF downloads. We anticipate providing you with superb solution and varied alternatives for years to find.

### **When a Nation Forgets God** *Moody Publishers*

This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall

from grace and the beginning of our own fall. - Eric Metaxas, author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy* In *When A Nation Forgets God*, Erwin Lutzer studies seven similarities between Nazi Germany and America today—some of them chilling—and cautions us to respond accordingly. Engaging, well-researched, and easy to understand, Lutzer's writing is that of a realist, one alarmed but unafraid. Amidst describing the messes of our nation's government, economy, legal pitfalls, propaganda, and more, Lutzer points to the God who always has a plan. At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. *When a Nation Forgets God* uses history to warn us of a future that none of us wants to see. It urges us to be ordinary heroes who speak up and take action.

#### **When a Nation Forgets God** *Moody Publishers*

HEADLINE: Bread Over Freedom? The people of Germany weren't any more barbaric, uncivilized, or depraved than any other Western nation of the early Twentieth Century, yet the Nazi regime will forever serve as an example of brutality and extreme racism run amok. What led so many people to such extreme ends? According to Dr. Lutzer, the German people's progression from civility to barbarity was not extraordinary, and more than a few benchmarks from their transition can be observed in present day American society: the Church is silenced, the economy is king, the lawmakers determine behaviors, the media controls beliefs, the Gospel and nationalism become inextricably tied to each other, and yet, heroes still have power. This is

not to suggest the United States is marching toward authoritarian oblivion, but that we — especially we Believers — must be vigilant in our stand for truth, justice, and righteousness. We must take note of these lessons from history. The parallels are real, but the conclusion is not a foregone one.

#### **When a Nation Forgets God**

This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall from grace and the beginning of our own fall. - Eric Metaxas, author of *"Bonhoeffer: Pastor, Martyr, Prophet, Spy"* In *"When A Nation Forgets God"*, "Erwin W. Lutzer studies seven similarities between Nazi Germany and America today, cautioning us to respond accordingly. Engaging, well-researched, and easy to understand, it describes the messes of our nation's economy, legal pitfalls, propaganda, and more, all the while pointing to the God who always has a plan. At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. *"When a Nation Forgets God"* uses history to warn us of a future that none of us wants to see, and it urges us to be ordinary heroes who speak up and take action."

#### **Hitler's Cross** *Moody Publishers*

The story of Nazi Germany is one of conflict between two saviors and two crosses. "Deine Reich komme," Hitler prayed publicly—"Thy Kingdom come." But to whose kingdom was he referring? When Germany truly needed a savior, Adolf Hitler falsely assumed the role. He directed his countrymen to a cross, but he bent and hammered the true cross into a horrific substitute: a swastika.

Where was the church through all of this? With a few exceptions, the German church looked away while Hitler inflicted his “Final Solution” upon the Jews. Hitler’s Cross is a chilling historical account of what happens when evil meets a silent, shrinking church, and an intriguing and convicting exposé of modern America’s own hidden crosses. Erwin W. Lutzer extracts a number of lessons from this dark chapter in world history, such as: The dangers of confusing church and state The role of God in human tragedy The parameters of Satan’s freedom Hitler’s Cross is the story of a nation whose church forgot its call and discovered its failure way too late. It is a cautionary tale for every church and Christian to remember who the true King is.

**The Cross in the Shadow of the Crescent** *Harvest House Publishers*

Islam is on the rise all over the West, including America. In this compelling new book, bestselling author Erwin Lutzer urges Christians to see this as both an opportunity to share the gospel and a reason for concern. We have now reached a tipping point—the spread of Islam is rapidly altering the way we live. These changes are cause for alarm, for they endanger our freedoms of speech and religion. At the same time, this opens an incredible door of ministry for Christians, for Muslims normally do not have access to the gospel in their own lands. In *The Cross in the Shadow of the Crescent*, readers will discover helpful answers to these questions and more: How does Islam’s growing influence affect me personally? In what ways are our freedoms of speech and religion in danger? How can I extend Christ’s love to Muslims around me? A sensitive, responsible, and highly informative

must-read!

**Life-Changing Bible Verses You Should Know** *Harvest House Publishers*

After Erwin Lutzer, senior pastor of the Moody Church, and his wife, Rebecca, realized that memorizing Scripture has nearly become a lost pursuit today, they decided to create this practical, relevant resource filled with powerful verses and insightful explanations to help stimulate a spiritual hunger in readers’ own lives. With more than 35 topics and questions for reflection and further study, readers will discover how God’s Word will: sustain them in times of need comfort them in seasons of sorrow strengthen their hearts in times and areas of weakness direct their steps and decisions toward God’s will These handpicked verses provide a foundation of wisdom and hope to show readers who God is and what He has done for them, as well as who they are and how they can successfully live the Christian life.

**We Will Not Be Silenced** *Harvest House Publishers*

“If I could, I would put this book into the hands of every Christian in America.” —Dr. David Jeremiah “Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go” (Joshua 1:9). Each day, you watch America turn further from Christian values and the core principles of liberty. It’s frustrating to feel you can’t assert biblical truth without facing condemnation, and fearful to witness outrage and victimhood replace respect and reason. Amidst this dissent, how can you not only stay rooted in your own faith, but continue publicly testifying for Jesus? In *We Will Not Be Silenced*, Dr.

Erwin W. Lutzer prepares you to live out your convictions against a growing tide of hostility. Gain a better understanding of nonbelievers' legitimate hurts and concerns regarding issues like racism, sexism, and poverty—and identify the toxic responses secular culture disguises as solutions. In the process, you'll see how you can show compassion and gentleness to those outside of the faith without affirming their beliefs. *We Will Not Be Silenced* will ready you to move beyond fear and boldly accept the challenge of representing Christ to a watching world that needs Him now more than ever before.

**Who Are You To Judge?** *Moody Publishers*

A church that has made its peace with the world can no longer affect it! As 21st century Christians, we have settled down to a complacent form of faith that demands very little of us, and thus makes very little impact on the world. When secular values infiltrate the church, we accept them without a twinge of conscience and congratulate ourselves on our tolerance. We believe that we no longer have the right to challenge secular trends and decisions, in or out of the church. Erwin Lutzer looks at today's world, and confronts us with our responsibility, as believers in the church of Jesus Christ, to again be a force for what is right...not easy.

**Where Was God?** *Tyndale House Publishers, Inc.*

When natural disaster strikes, survivors and onlookers alike face questions about whether God is in control or how he could allow such tragedy to occur. Respected Bible teacher Erwin Lutzer offers answers about God's purposes, his goodness, and his ultimate plan. Without

pretending to know the mind of God, Lutzer's answers assure the reader that God is still sovereign, and his plan is still best.

**The Power of a Clear Conscience** *Harvest House Publishers*

*Exchange Your Guilt for True Freedom and Forgiveness* Do you struggle with feelings of guilt about your past? Or are you bogged down by a conscience that haunts or imprisons you? This is not how God intends for you to live. Your conscience was not created to hold you prisoner, but to guide you and point you to freedom from guilt and bad habits. It's designed to tell you the truth so you are not held in bondage to lies or sin. A clear conscience enables you to live in the present without being distracted, both mentally and emotionally, by your past. Longtime pastor and bestselling author Erwin W. Lutzer shares what it means to live in the power of a clear conscience as you learn how to deal with guilt and replace it with joy discover how the truth that can hurt you can also heal you realize the incredible extent of God's forgiveness and love for you You'll find yourself encouraged by the truths that no failure is permanent and no life is beyond God's power to bring about change.

**How You Can Be Sure You Will Spend Eternity with God** *Moody Publishers*

"Be wrong about social security, be wrong about baseball, be wrong about your career choice, but don't be wrong about where you will spend eternity." *How You Can Be Sure You Will Spend Eternity with God*—it's a big promise, but this short book delivers. It answers a host of questions, such as: Will good deeds help me get into heaven? Who

goes to heaven and who doesn't? What role do I have in my own salvation? Can I lose my salvation if I commit a serious sin? Is it wrong to doubt my salvation, and what should I do if I doubt? Dr. Lutzer takes many scriptural teachings and siphons them into clear, cohesive truths. The result is a concise, accessible book about how to be saved and be sure you are saved. It is straight gospel—applicable to the skeptic, newly saved, and long-time believer alike.

**Keep Your Dream Alive** *Kregel Publications*

No story can speak about a life dream better than the biblical story of Joseph, a young man betrayed by his brothers, imprisoned and forgotten, but who still realized God's plan and experienced his dream to the fullest.

**Pandemics, Plagues, and Natural Disasters** *Moody Publishers*

Where is God When We Suffer? God's silence in the midst of human suffering is a great mystery of our existence. Faced with mass suffering, such as pandemics, plagues, and natural disasters, we may wonder whether God actually cares about us or whether He just says that He does. *Pandemics, Plagues, and Natural Disasters: What is God Saying to Us?* helps explain the role of God in suffering. Dr. Erwin Lutzer examines how God uses tragedies throughout the Bible to speak to His people, and that, ultimately, God always has our well-being in mind even when He doesn't relieve our immediate pain. Perhaps most importantly, find lasting joy and relief by learning how times of such widespread trouble reveal God's ultimate plans for our salvation from all temporary and eternal suffering.

**Where Do We Go From Here?** *Moody*

*Publishers*

The America you thought you knew is gone. No longer is this a nation based on godly principles and morality. America is following its leaders willingly into economic, moral, and political decline. What are Christians to do? Erwin Lutzer offers hope and a challenge to Christians. It is not time to despair even as we face these difficult realities. Two thousand years of church history are behind us to show that the church does not need freedom or ease in order to be faithful. God's calling on His people can be fulfilled no matter what. Dr. Lutzer calls Christians to be agents of change in these increasingly secular times, and he offers hope and direction. As the nation morphs, Christians are called to adjust, to be faithful ambassadors for Christ in a country where many are turning away from Him.

**The Church in Babylon** *Moody Publishers*

How do we live faithfully in a country becoming more and more hostile to our faith in Christ? Like the Israelites in Babylon, we must find a way to maintain our faith in the midst of a pagan culture. But that requires we answer two crucial questions: How did we get here? How do we prepare for the dark and difficult days ahead? In *The Church in Babylon*, Dr. Lutzer answers both of these questions. He will walk you through the many parallels between the church in America and God's people in Babylon, and embolden you to be a gospel witness. You'll be encouraged not to compromise your faith even when under constant pressure from all corners of society. And more than all this you will have a fresh encounter with Jesus Christ, as you consider the biblical role of those in exile.

### **One Minute After You Die** *Moody Publishers*

"One minute after you die you will either be elated or terrified. And it will be too late to reroute your travel plans." Death comes to all, and yet death is not the end. For some, death is the beginning of unending bliss, for others, unending despair. In this latest edition of the bestselling book *One Minute After You Die*, Pastor Erwin W. Lutzer weighs the Bible's words on life after death. He considers: Channeling, reincarnation, and near-death experiences What heaven and hell will be like The justice of eternal punishment Trusting in God's providence Preparing for your own final moment Though the afterlife is shrouded in mystery, the Bible does peel back the curtain. Dr. Lutzer will help you understand what is on the other side. May the reality of eternity quicken and comfort you today.

### **The Truth About Same-Sex Marriage** *Moody Publishers*

**HEADLINE:** Is it really that big of a deal? A May 2009 Gallup poll revealed that fifty-seven percent of Americans oppose same-sex marriage, while only forty percent are in favor of it (down from forty-six percent in 2007). This short, easy-to-read book helps shed light on what so many people believe, and why they ought not be at a loss about what to do now. The headlines only tell part of the story. In this revised and updated version of his bestselling book, Dr. Erwin Lutzer clearly and accurately depicts the truth about what is at stake here. By asking the right questions and by pinpointing the very real ramifications of same-sex marriage this handbook will help guide reality back to Truth. Dr. Lutzer expertly answers the questions that so many individuals, parents,

friends, and families are asking: -How did we get to this point? -Why is marriage, as God intended it, better—and healthier? -How can I talk to my kids about this? -How do I responsibly read, watch, and filter the news? -Is there still hope? Let no one say that we have to choose between loving homosexuals and opposing same-sex marriages. Biblically, love is defined not as license to legitimize sinful behavior of any kind, but love helps us see that there is a better way. Obviously, we must be as concerned about our own sins as we are about the sins of the homosexual community. We must be concerned enough to speak out about any action, heterosexual or homosexual, that violates God's intended plan for marriage and the family. This simple, straightforward look at the issue of same-sex marriage will equip you to know what is really happening and, most importantly, why it matters for you.

### **The Power of Knowing God** *WaterBrook*

Do you really know God? You may know about God, but do you truly know what He says about Himself—and what He wants from you? This eye-opening study will help you gain a true understanding of God's character and His ways. As you discover for yourself who He is, you'll be drawn into a deeper, more personal relationship with the God of the universe—a relationship that will enable you to confidently display His strength in life's most challenging circumstances. 40 minutes a week could change your life! The 40-Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter to you. These inductive study guides, designed to be completed in just six 40-minute lessons with no

homework required, help you discover for yourself what God says and how it applies to your life today. With the leader's note and Bible passages included right in the book, each self-contained study is a powerful resource for personal growth and small-group discussion.

### **Chiseled by the Master's Hand**

Popular pastor and best-selling author Erwin W. Lutzer explores Peter's life to demonstrate how God works through sinful people, using trials, challenges, and the unseen battles of the heart to chisel and fashion Christians into Christ's likeness.

### **Preaching in Hitler's Shadow** *Wm. B. Eerdmans Publishing*

What did German preachers opposed to Hitler say in their Sunday sermons? When the truth of Christ could cost a pastor his life, what words encouraged and challenged him and his congregation? This book answers those questions. *Preaching in Hitler's Shadow* begins with a fascinating look at Christian life inside the Third Reich, giving readers a real sense of the danger that pastors faced every time they went into the pulpit. Dean Stroud pays special attention to the role that language played in the battle over the German soul, pointing out the use of Christian language in opposition to Nazi rhetoric. The second part of the book presents thirteen well-translated sermons by various select preachers, including Dietrich Bonhoeffer, Karl Barth, Rudolf Bultmann, and others not as well known but no less courageous. A running commentary offers cultural and historical insights, and each sermon is preceded by a short biography of the preacher.

### **He Will Be the Preacher** *Moody Publishers*

"He will be the preacher." Whether this was just an offhand remark or the woman leaning over his crib was speaking under inspiration from the Holy Spirit, either way, her prediction came to pass. This is the story of a shy, wisecrack kid from rural Canada becoming a well-known American preacher. It's a story of seemingly random events deciding one man's destiny. But most of all, it's a story of God leading one of His dear children along. Join Erwin Lutzer on this tour of his life—from a Saskatchewan farm to a Dallas seminary to the historic Moody Church in Chicago. Hear his personal reflections and tales of pastoral hardship. Meet the people who have shaped him: his parents, professors, family, and even the great evangelist Billy Graham. And see how his many roles—author, speaker, evangelist, historian, and cultural critic—have carried his prophetic voice beyond Moody's pulpit, even abroad. Part story and part reflection, full of heart with a dose of wit, *He Will Be the Preacher* is a personal and engaging witness to the providence of God.

### **The King is Coming** *Moody Publishers*

Begin to explore the end. The end is near. While these often sound like words of insane rambling, they can also be a sensible presentation of truth. Acknowledging that what is yet to come is beyond the scope of our wildest projections, pastor and scholar Erwin Lutzer reminds us that we have not been left completely in the dark. There is much we can know. Within this book are ten events we can be certain of, ten events that will change our future forever. You will be encouraged to renew your expectation of the return of the

Messiah and, in so doing, be motivated to live pure lives for Him. The King is Coming has been written precisely to aid your own exploration of biblical prophecies with sound, sensible, balanced perspectives based on the simple meaning of the biblical texts. Saturated with both humility and a sense of urgency, this book not only provides answers for those questioning what comes next, but also empowerment and instruction to live accordingly in the here and now.

**Covering Your Life in Prayer** *Harvest House Publishers*

Every Christian longs for a better and more intimate prayer life. And one of the most effective ways to grow more powerful in prayer is to learn from the prayers of others. In this way they discover new ways to pray—new requests, concerns, and thanksgivings they can bring to God's throne of grace. That's what makes *Covering Your Life in Prayer* so special. It's an opportunity to "listen in" to a wide variety of personal and heartwarming prayers—prayers for... personal peace and faithfulness in difficult situations wisdom when making tough decisions a better understanding of our place in God's plans a willingness to cease struggling and let God be God God's work in the lives of both loved ones and unsaved friends Readers will find this a wonderful resource for expanding their prayer horizons and enriching their relationship with God.

**The Boy Who Dared** *Scholastic Inc.*

A Newbery Honor Book author has written a powerful and gripping novel about a youth in Nazi Germany who tells the truth about Hitler. Susan Campbell Bartoletti has taken one episode from her Newbery Honor Book, *Hitler Youth*,

and fleshed it out into thought-provoking novel. When 16-year-old Helmut Hubner listens to the BBC news on an illegal short-wave radio, he quickly discovers Germany is lying to the people. But when he tries to expose the truth with leaflets, he's tried for treason. Sentenced to death and waiting in a jail cell, Helmut's story emerges in a series of flashbacks that show his growth from a naive child caught up in the patriotism of the times, to a sensitive and mature young man who thinks for himself.

**America's God and Country** *Amerisearch, Inc.*

An Invaluable resource highlighting America's noble heritage, profound quotes from founding fathers, presidents, statesmen, scientists, constitutions, court decisions ... for use in speeches, papers, debates, essays ...

**Is God on America's Side?** *Moody Pub*

Dr. Lutzer thoughtfully navigates the current political climate against the backdrop of biblical history to probe God's role in the affairs of nations—today's United States in particular. He challenges you to consider statements such as: Sometimes God's judgment blots out the light of the gospel It's not our responsibility to "take our country back" Our defense of civil religion makes news, but our proclamation of the gospel does not Provocative questions for individual reflection or group discussion complete each chapter of the book. And his answer to the most provocative question of all— is God on America's side?—may surprise you. This book will not advise you how to vote in the election—but it will help you represent God's interests regardless of who wins.

**God vs. Government** *Harvest House*

### *Publishers*

"Welcome to our peaceful protest." In the spring of 2020, government mandates forced churches across North America to close their doors in response to the COVID-19 pandemic. As societal fear and unrest increased, Christians were forced to grapple with how God wanted them to respond to these state-imposed restrictions. After all, didn't the closure of churches pose a serious threat in a time when people needed spiritual direction more than ever? God vs. Government follows two churches' courageous decisions to reopen despite orders to remain closed. Guided by the command in Hebrews 10:25 that churches not forsake meeting together, pastors John MacArthur and James Coates led their congregations to return to in-person meetings—and were swiftly met by unsympathetic governing authorities ready to shut them down again. The ensuing legal battles raised important questions about religious freedom, and more importantly, illuminated what it looks like to take a stand when Christ and compliance collide. How do we react with wisdom and discernment when the state encroaches upon the church? God vs. Government tells two incredible accounts that affirm our need to be faithful to the Lord's commands no matter the circumstances.

### **The Serpent of Paradise** *Moody Publishers*

How we perceive our enemy will largely determine how we fight against him. Unless we grasp how the devil fits into God's scheme of things, we will find it difficult to stand against his conspiracy against us personally and his influence within our culture. We can have a proper theology of the devil only if we have a

proper theology of God. Only when we stand in awe of God will we find it unnecessary to be in awe of Satan. As Martin Luther once said, 'The devil is God's devil.' God is still in control. The Serpent of Paradise gives an overview of the career of Satan and his interaction with the Almighty. It traces his fall from an exalted position to his demise in everlasting shame and contempt. It shows us that Satan always loses even when 'he wins.' Best of all, it confirms that we who have been translated from the kingdom of darkness into the kingdom of light are able to stand against him. Be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. ~ Ephesians 6:10-11 NIV. The Serpent of Paradise is a book about Satan, but it is also a book about God's power, God's program, and God's purposes in this world.

### **Ten Lies About God** *Thomas Nelson Inc*

The clearer we see God, the clearer we shall see ourselves. With this conviction firmly in mind, Dr. Erwin Lutzer examines ten lies about our Maker that have crept into spiritual thought in postmodern times. And he notes that these deceptions are prominent not only in non-Christian minds but in the professing church as well. On the surface, each of these lies may appear at least partially true or even harmless. But, as Dr. Lutzer reveals, each harbors a distinct danger: It isn't biblical, so it puts our faith at risk. In *Ten Lies About God* he challenges the accuracy of these beliefs: Lie 1: God is whatever we want him to be. Lie 2: Many paths lead into God's presence. Lie 3: God is more tolerant than He used to be. Lie 4: God has personally never suffered. Lie 5: God is obligated to save followers

of other religions. Lie 6: God takes no responsibility for natural disasters. Lie 7: God does not know our decisions before we make them. Lie 8: The Fall ruined God's plan. Lie 9: We must choose between God's pleasures and our own. Lie 10: God helps those who help themselves. The goal of Dr. Lutzer's study is not only purity of spiritual belief, but an enhanced worship of God.

**The Morality Gap** *Moody Publishers*

With the conviction that "the gap between traditional morality and the avant-garde approach is widening," Erwin W. Lutzer offers this precise, easy-to-understand, and knowledgeable critique of situation ethics. This presentation adds new insights to the discussion of morality and the ethic of love. Lutzer pinpoints the fallacies of the situationalist's philosophy and offers a biblical alternative that clearly recognizes and deals with moral conflicts.

**Don't Forget, God Bless Our Troops**

*Simon and Schuster*

Inspired by her own granddaughter Natalie, Vice President Joe Biden's wife, Jill, tells a story through a child's eyes of what family life is like when a parent is at war across the world in this eBook with audio. When her father leaves for a year of being at war, Natalie knows that she will miss him. Natalie is proud of her father, but there is nothing to stop her from wishing he was home. Some things do help her feel better. Natalie works with her Nana to send her dad and the other service men and women cookies and treats they have made. Natalie, her mom, and her brother can see and talk to Dad over the computer, and the kindness of friends at school and at church help her feel supported and

loved. But there is nothing like the day when her Dad comes home at last.

**On God's Side** *Brazos Press*

"My concern is not whether God is on our side; my greatest concern is to be on God's side."--Abraham Lincoln Lincoln led America through one of the most tumultuous times in our nation's history. Reading his words today, it is clear we still have much to learn concerning what it means to be on God's side. Bestselling author, public theologian, and leading Christian activist Jim Wallis speaks directly into our current context, revealing the spiritual compass we need to effect lasting change in our society. He explains how the good news of Jesus transforms not only our individual lives but also our public lives. Jesus's gospel of the kingdom of God helps us recover a personal and social commitment to the common good and shows us--in concrete ways--how to be both personally responsible and socially just. Working together, we can reshape our churches, society, politics, and economy. In the midst of contentious national debates on gun control, immigration, budget deficits, and more, this book moves the conversations beyond current media and political warfare to bring together a divided country. Wallis explores how Jesus's agenda can serve the common good, what it takes to sustain a lifelong commitment to social justice, and how reading the Bible as well as the culture can shape our lives for genuine transformation.

**The Doctrines That Divide** *Kregel Publications*

Lutzer examines various controversies that exist within the broad spectrum of Christianity, presenting the issue and the biblical understanding of the doctrine.

**The Ultimate Guide to Christian Singleness** *Createspace Independent Publishing Platform*

The Ultimate Guide to Christian Singleness covers a wide range of common questions Christians singles often have. Why am I still single? Is God calling me to a life of singleness? How can I use this season for God's glory? Is God punishing me with singleness because of my past sins? How can I find a godly spouse? This book is divided into four sections which cover the common phases of Christian singleness. It has 30 short chapters, each with three reflection questions meant for small group Bible studies or individual use.

**Between the Swastika and the Sickle** *Wm. B. Eerdmans Publishing*

The life, theological contribution, and mysterious disappearance of one of the more important New Testament scholars in the twentieth century On February 15, 1946, the Soviet NKVD raided the home of Ernst Lohmeyer just hours before his inauguration as the president of Greifswald University in Germany. Lohmeyer had survived active duty in both World War I and World War II. A New Testament scholar and theologian, he resisted the rise of Nazi fascism as a member of the Confessing Church. But the Soviet occupation of Germany was even more repressive than Nazi domination. With the exception of correspondence from prison, Lohmeyer was never heard from again. In *Between the Swastika and the Sickle*, James R. Edwards recounts the story of Lohmeyer's life, his theological achievements, his courageous resistance to the forces of political repression, and the events surrounding his death. But the book also includes Edwards's intrepid search for the legacy of this

brilliant and courageous scholar, whose story is made even more compelling by the tumultuous interplay of faith and politics in twenty-first-century America.

**Understanding End Times Prophecy** *Moody Publishers*

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

**America's Expiration Date** *Zondervan*

A warning and a wake-up call to learn history so we are not doomed to repeat it. A must-read for anyone who longs for a promising future for our great nation. What is wrong with America today? Is it possible that America could crumble and our democracy fail? Questions like these plague Americans and cause us to be anxious about the future of the "land

that we love." Individuals may come to different conclusions, but there seems to be a common thread - the deep-seated feeling that we need to improve our country. Our culture is increasingly immoral, the family structure is threatened from all sides, and government programs consistently overreach, creating massive debt. In this powerful and prophetic book, nationally syndicated columnist and trusted political commentator Cal Thomas offers a diagnosis of what exactly is wrong with the United States by drawing parallels to once-great empires and nations that declined into oblivion. Citing the historically proven 250-year pattern of how superpowers rise and fall, he predicts that America's expiration date is just around the corner and shows us how to escape their fate. Through biblical insights and hard-hitting truth, he reminds us that real change comes when America looks to God instead of Washington. Scripture, rather than politics, is the GPS he uses to point readers to the right road - a road of hope, life, and change. Because, he says, if we're willing to seek God first, learn from history, and make changes at the individual and community level, we can not only survive, but thrive, again. This powerful, timely, and much-needed perspective is a must-read for anyone who longs for a promising future for our great nation.

### **Christians Politics and the Cross**

We are living in a time when we desperately need to engage our culture with the only message that has any hope of transforming it. Yet, many Christians have pushed aside the cross in order to fight the world on its own terms and with its own strategies. Instead, Pastor Lutzer says, we must stand on biblical ground.

This fight is not one against our fellow Americans, it's "against the spiritual forces of evil in the heavenly places." Let us not retreat or become silent, but let us remember where our true allegiance lies. This book reminds us that spiritual redemption, not political reformation, is at the heart of God's agenda. Only the church, not a political party, can bear God's message to a hurting world. And the world is watching us. Are we showing them Christ?

### **Martin Luther in His Own Words** *Baker Books*

Though most of the Protestant world can trace its roots back to the Reformation, many people today have only a vague knowledge of Martin Luther's writings. "Didn't he write the Ninety-Five Theses?" Jack Kilcrease and Erwin Lutzer step into this vacuum with a carefully selected collection of Luther's works. Centered around the five solas of the Reformation (sola Scriptura, sola fide, sola gratia, sola Christus, soli Deo gloria), the selections offer readers an accessible primer on works that are foundational to the theology of Protestantism in all its forms. Introductions to each writing include an explanation of the historical context and the theological significance of the piece. Students of the Bible, pastors, teachers, and seminary students will find this collection an enlightening introduction to Luther in his own words and a useful addition to their libraries.

### **Then They Came for Me** *Basic Books*

"First they came for the Communists, and I did not speak out-Because I was not a Communist..." Few today recognize the name Martin Niemöller, though many know his famous confession. In *Then They Came for Me*, Matthew Hockenos traces Niemöller's evolution from a Nazi

supporter to a determined opponent of Hitler, revealing him to be a more complicated figure than previously understood. Born into a traditionalist Prussian family, Niemöller welcomed Hitler's rise to power as an opportunity for national rebirth. Yet when the regime attempted to seize control of the Protestant Church, he helped lead the opposition and was soon arrested. After

spending the war in concentration camps, Niemöller emerged a controversial figure: to his supporters he was a modern Luther, while his critics, including President Harry Truman, saw him as an unrepentant nationalist. A nuanced portrait of courage in the face of evil, *Then They Came for Me* puts the question to us today: What would I have done?
