And if you ever require assistance discovering the best book, our well-informed staff is here to offer tailored suggestions.

Finding Meaning in the Second Half of Life *Penguin*

What does it really mean to be a grown up in today's world? We assume that once we "get it together" with the right job, marry the right person, have children, and buy a home, all is settled

and well. But adulthood presents varying levels of growth, and is rarely the respite of stability we expected. Turbulent emotional shifts can take place anywhere between the age of thirty-five and seventy when we question the choices we've made, realize our limitations, and feel stuck—commonly known as the "midlife crisis." Jungian psycho-analyst James Hollis believes it is only in the second half of life that we can truly come to know who we are and thus create a life that has meaning. In *Finding Meaning in the Second Half of Life*, Hollis explores the ways we can grow and evolve to fully become ourselves when the traditional roles of adulthood aren't quite working for us, revealing a new way of uncovering and embracing our authentic selves. Offering wisdom to

anyone facing a career that no longer seems fulfilling, a long-term relationship that has shifted, or family transitions that raise issues of aging and mortality, *Finding Meaning in the Second Half of Life* provides a reassuring message and a crucial bridge across this critical passage of adult development.

Purpose and a Paycheck *AMACOM*

Purpose and a Paycheck tells the compelling story of how a growing movement of older entrepreneurs and part-time workers are creating a stronger and more vibrant economy. Whether you're a corporate executive, business owner, policymaker, or moving into the later season of your career, the stakes for America's aging population are high. People 65 and older will

account for 20 percent of the population in 2030, up from 13 percent in 2000. Many prognosticators blame the aging population for the stagnating economy, citing that as more and more people retire, they will stop working as relatively fewer working people have to support growing numbers of dependent elderly. Purpose and a Paycheck debunks this line of thought by showing how a growing movement of elderly entrepreneurs and part time workers are creating conditions for a stronger and more vibrant economy. Growing numbers of Americans are no longer retiring in the traditional sense. The numbers are striking and largely unappreciated. The labor force participation rate of men 60 years and over has risen nearly one-third from a

low of 26 percent in 1996 to 35 percent in 2014. The comparable rate for women is from 15 percent to 25 percent. Even more impressive, 25.5 percent of new business ventures in 2016 were started by the 55-to-64-year-old age group, up from 14.8 percent in 1996. People in their 50s and 60s are launching new businesses at nearly twice the rate of people in their 20s. America's aging society and workforce is redefining work for all generations and is among the most significant long-term forces shaping the U.S. economy and society, alongside globalization, automation and climate change. Instead of an economic deadweight, America's aging population holds the promise of getting back the economy mojo. Reframing aging will result in faster rates of economic growth

and higher living standards for all of us in addition to a more fulfilling and financially secure second half of life for our aging population.

Finding Meaning *Scribner*

In this groundbreaking new work, David Kessler—an expert on grief and the coauthor with Elisabeth Kübler-Ross of the iconic *On Grief and Grieving*—journeys beyond the classic five stages to discover a sixth stage: meaning. In 1969, Elisabeth Kübler Ross first identified the stages of dying in her transformative book *On Death and Dying*. Decades later, she and David Kessler wrote the classic *On Grief and Grieving*, introducing the stages of grief with the same transformative pragmatism and compassion. Now,

based on hard-earned personal experiences, as well as knowledge and wisdom earned through decades of work with the grieving, Kessler introduces a critical sixth stage. Many people look for “closure” after a loss. Kessler argues that it’s finding meaning beyond the stages of grief most of us are familiar with—denial, anger, bargaining, depression, and acceptance—that can transform grief into a more peaceful and hopeful experience. In this book, Kessler gives readers a roadmap to remembering those who have died with more love than pain; he shows us how to move forward in a way that honors our loved ones. Kessler’s insight is both professional and intensely personal. His journey with grief began when, as a child, he witnessed a mass shooting at

the same time his mother was dying. For most of his life, Kessler taught physicians, nurses, counselors, police, and first responders about end of life, trauma, and grief, as well as leading talks and retreats for those experiencing grief. Despite his knowledge, his life was upended by the sudden death of his twenty-one-year-old son. How does the grief expert handle such a tragic loss? He knew he had to find a way through this unexpected, devastating loss, a way that would honor his son. That, ultimately, was the sixth state of grief—meaning. In *Finding Meaning*, Kessler shares the insights, collective wisdom, and powerful tools that will help those experiencing loss. *Finding Meaning* is a necessary addition to grief literature and a vital guide to healing from

tremendous loss. This is an inspiring, deeply intelligent must-read for anyone looking to journey away from suffering, through loss, and towards meaning.

The Middle Passage *Inner City Books*

Title #59. Why do so many go through so much disruption in their middle years? Why then? Why do we consider it to be a crisis? What does the pattern mean and how can we survive it? The Middle Passage shows how we may pass through midlife consciously, rendering our lives more meaningful and the second half of life immeasurably richer.

Finding Meaning in an Imperfect World *Oxford University Press*

Does life have meaning? Is it possible for life to be meaningful when the world is

filled with suffering and when so much depends merely upon chance? Even if there is meaning, is there enough to justify living? These questions are difficult to resolve. There are times in which we face the mundane, the illogically cruel, and the tragic, which leave us to question the value of our lives. However, Iddo Landau argues, our lives often are, or could be made, meaningfulwe've just been setting the bar too high for evaluating what meaning there is. When it comes to meaning in life, Landau explains, we have let perfect become the enemy of the good. We have failed to find life perfectly meaningful, and therefore have failed to see any meaning in our lives. We must attune ourselves to enhancing and appreciating the meaning in our

lives, and Landau shows us how to do that. In this warmly written book, rich with examples from the author's life, film, literature, and history, Landau offers new theories and practical advice that awaken us to the meaning already present in our lives and demonstrates how we can enhance it. He confronts prevailing nihilist ideas that undermine our existence, and the questions that dog us no matter what we believe. While exposing the weaknesses of ideas that lead many to despair, he builds a strong case for maintaining more hope. Along the way, he faces provocative questions: Would we choose to live forever if we could? Does death render life meaningless? If we examine it in the context of the immensity of the whole universe, can we consider life

meaningful? If we feel empty once we achieve our goals, and the pursuit of these goals is what gives us a sense of meaning, then what can we do? Finding Meaning in an Imperfect World is likely to alter the way you understand your life.

What Matters Most *Penguin*

Outlines an approach to achieving happiness that counsels on ways to overcome fear-based hurdles, explains how to evaluate one's internal beliefs, and reveals the importance of pursuing growth rather than security.

From Strength to Strength *Penguin*

The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor,

and the Atlantic's happiness columnist Arthur Brooks. Many of us assume that the more successful we are, the less susceptible we become to the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs. What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. From Strength to Strength is the result, a practical roadmap for the rest of your

life. Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness. Read this book and you, too, can go from strength to strength.

The Power of Purpose *Berrett-Koehler Publishers*

Purpose is fundamental and gives life meaning. It gives us the will to live and to live long and well. In this new edition

of his bestselling classic, legendary personal coach Richard Leider offers brand-new tools and techniques for unlocking it. Purpose is an active expression of our values and our compassion for others—it makes us want to get up in the morning and add value to the world. The Power of Purpose details a graceful, practical, and ultimately spiritual process for making it central to your life. This revitalized guide will help you integrate it into everything you do. This third edition has been completely revised and updated. In addition to new stories, examples, and resources, it features four new chapters. “Purpose across the Ages” looks at how purpose can evolve during our lives. “The 24-Hour Purpose Retreat” includes seven mind-opening questions to help

you unlock your purpose. “The Purpose Checkup” offers a new tool for periodically evaluating the health of your purpose. And in “Can Science Explain Purpose?” we learn what researchers are discovering about how an increased sense of purpose can improve our health, healing, happiness, longevity, and productivity.

Finding Meaning, Facing Fears *Impact Publishers*

Autumn is a time of bright colors and full harvest moons; a time to reap and savor what we’ve sown. Our autumn years are the ideal time to reexamine our lives. Often spurred on by a 50th birthday or the last child leaving home, it becomes important to question who we are in the larger scheme of things, to wonder what

we really want from our lives. Finding Meaning, Facing Fears (Winner of the Alpha Sigma Nu Book Awards 2013) invites us to explore the many opportunities this time of life presents: opportunities to stretch in our capacities, to face and conquer old demons, and to meet new challenges with greater resources than were available to us before. We will also have a greater opportunity to give back to the world the benefit of our experiences and to think about and implement our personal legacies. Dr. Shapiro helps us discover which alternatives will serve best in our relationships, career, even spiritual quests, and offers answers to the inevitable questions we face as we get older, such as: “Is that all there is?” “Is it too late to change my life?” “Where do I

go from here?” and, “I’ve got everything I thought I wanted; why aren’t I happy?”

Leading a Worthy Life *Encounter Books*

Most American young people, like their ancestors, harbor desires for a worthy life: a life of meaning, a life that makes sense. But they are increasingly confused about what such a life might look like, and how they might, in the present age, be able to live one. With a once confident culture no longer offering authoritative guidance, the young are now at sea—regarding work, family, religion, and civic identity. The true, the good, and the beautiful have few defenders, and the higher cynicism mocks any innocent love of wisdom or love of country. We are supercompetent

regarding efficiency and convenience; we are at a loss regarding what it's all for. Yet because the old orthodoxies have crumbled, our "interesting time" paradoxically offers genuine opportunities for renewal and growth. The old Socratic question "How to live?" suddenly commands serious attention. Young Americans, if liberated from the prevailing cynicism, will readily embrace weighty questions and undertake serious quests for a flourishing life. All they (and we) need is encouragement. This book provides that necessary encouragement by illuminating crucial—and still available—aspects of a worthy life, and by defending them against their enemies. With chapters on love, family, and friendship; human excellence and human dignity; teaching, learning, and

truth; and the great human aspirations of Western civilization, it offers help to both secular and religious readers, to people who are looking on their own for meaning and to people who are looking to deepen what they have been taught or to square it with the spirit of our times.

Living an Examined Life *Sounds True*

How do you define "growing up"? Does it mean you achieve certain cultural benchmarks—a steady income, paying taxes, marriage, and children? Or does it mean leaving behind the expectations of others and growing into the person you were meant to be? If you find yourself in a career, place, relationship, or crisis you never foresaw and that seems at odds with your beliefs about who you are, it

means your soul is calling on you to reexamine your path. With *Living an Examined Life*, James Hollis offers an essential guidebook for anyone at a crossroads in life. Here this acclaimed author guides you through 21 areas for self-inquiry and growth—such as how to exorcise the ghosts of your past, when to choose meaning over happiness, how to construct a mature spirituality, and how to seize permission to be who you really are. With his trademark eloquence and insight, Dr. Hollis offers a potent resource you'll return to time and again to energize and inspire you on your journey to create a life of personal authority, integrity, and fulfillment.

The Four Purposes of Life *H J Kramer*

For many of us, life seems like a puzzle

with missing pieces. We form plans and change them; we choose one path then another, trying to find the right mate and career, hoping that we've made the right decision and that it will all work out. At some point, we ask ourselves the central question: What is the purpose of my life? Few writers approach the topic of life purpose with the clarity of Dan Millman, whose prior book *The Life You Were Born to Live* has reached more than a million readers worldwide. In *The Four Purposes of Life*, Millman distills decades of exploration and experience into a concise map of what we're here to accomplish on our life's journey. This book is for anyone seeking deeper insight into themselves and their lives, but especially for those at a crossroads, facing a challenge or change, when past

approaches no longer work.

The Second Half of Life

ReadHowYouWant.com

When you find the courage to change at midlife, Angeles Arrien teaches, "a miracle happens." Your character is opened, deepened, strengthened, softened. You return to your souls highest values. You are now prepared to create your legacy: an imprint of your dream for our world - a dream that can fully come true in *The Second Half of Life*. Working with images, poetry, metaphors, and other forms of symbolic language from diverse world cultures, Dr. Arrien introduces us to the Eight Gates of Initiation. By mastering their lessons and gifts, you harvest the meaning and purpose of your life and

come into spiritual maturity. With *The Second Half of Life*, she takes you step-by-step through each gate to deepen your most valuable relationships, reclaim your untended creative talents, and shift your focus from ambition to meaning to grow into the exceptional elder you've always imagined you would one day become.

Man's Search For Meaning *Random House*

Over 16 million copies sold worldwide
'Every human being should read this book' Simon Sinek
One of the outstanding classics to emerge from the Holocaust, *Man's Search for Meaning* is Viktor Frankl's story of his struggle for survival in Auschwitz and other Nazi concentration camps. Today, this

remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives.

The Power of Meaning *Crown*

In a culture obsessed with happiness, this wise, stirring book points the way toward a richer, more satisfying life. Too many of us believe that the search for meaning is an esoteric pursuit—that you have to travel to a distant monastery or page through dusty volumes to discover life's secrets. The truth is, there are untapped sources of meaning all around us—right here, right now. To explore how we can craft lives of meaning, Emily Esfahani Smith synthesizes a kaleidoscopic array of sources—from psychologists, sociologists, philosophers, and neuroscientists to figures in

literature and history such as George Eliot, Viktor Frankl, Aristotle, and the Buddha. Drawing on this research, Smith shows us how cultivating connections to others, identifying and working toward a purpose, telling stories about our place in the world, and seeking out mystery can immeasurably deepen our lives. To bring what she calls the four pillars of meaning to life, Smith visits a tight-knit fishing village in the Chesapeake Bay, stargazes in West Texas, attends a dinner where young people gather to share their experiences of profound loss, and more. She also introduces us to compelling seekers of meaning—from the drug kingpin who finds his purpose in helping people get fit to the artist who draws on her Hindu upbringing to create arresting photographs. And she explores

how we might begin to build a culture that leaves space for introspection and awe, cultivates a sense of community, and imbues our lives with meaning. Inspiring and story-driven, *The Power of Meaning* will strike a profound chord in anyone seeking a life that matters.

Making Good *Rodale*

A handbook for navigating the emerging economy shares practical advice for identifying opportunities and building a fulfilling career, sharing real-life success stories and step-by-step exercises that explain how to achieve financial autonomy and capitalize on global changes. Original. 25,000 first printing.

Call It Grace *Penguin*

"Theology is a place and a story.

Theology is the place and story you think of when you ask yourself about the meaning of your life, of the world, and the possibility of God." So begins Serene Jones's epic work of raw truth, fierce love, and spiritual teaching as muscular as the fractured soul of this century demands. From her abiding Oklahoma roots to her historic leadership of a legendary New York seminary, her story illuminates the deep fault lines of this age--and points beyond them. With a voice that is at once frank and poetic, humble and prophetic, intimate and practical, Jones makes complex teachings around hatred, forgiveness, mercy, justice, death, sin, and grace understandable and immediately applicable for modern people. Excavating the wisdom of great

theological voices--Soren Kierkegaard, Reinhold Niebuhr, John Calvin, James Baldwin, James Cone, Luce Irigaray, Saint Teresa of Avila--she brings them to life with an intimacy and vividness that illumines our lives and our culture now. At the same time, and with great beauty, *Call It Grace* reveals Serene Jones as a towering voice of a new, and urgently necessary, public theology for this century.

Called for Life *Rowman & Littlefield*

Called for Life reflects on our calling to serve God and neighbor in the context of retirement. People facing retirement ask a variety of questions, each framed by a different perspective. "Will I ever be interested in retiring?" some baby boomers ask. "Who am I now?" newly

retired clergy ask. "What, if anything, is God calling me to do and be after retirement?" all inquire. This book is built on the assumption that most people don't want to spend the last third of their lives doing nothing. What they want is a life that is worth living, an occupation that will help others, and a retirement in which they can continue to exercise their calling. Clayton uses examples from his own experience and from others, laity and clergy, to explore retirement and the three components of our calling: our identity, our gifts, and our occupation. He also examines the role of community in our calling and retirement, the challenges of the transition into retirement, options for meaningful activity, the importance of identifying our purpose, doing and being in

retirement, and the final call to death. Readers will be encouraged to see retirement as an opportunity to do what they have always wanted to do and to become the kind of person they have wanted to be.

Me to We *Simon and Schuster*

Imagine waking up every morning believing that your actions can make a significant change in the world. For everyone who has ever yearned for a better life and a better world, the authors share a blueprint for personal and social change that has the power to transform lives, one act at a time. Through inspirational stories from all walks of life, the Kielburgers reveal that a more fulfilling path is ours for the taking when we find the courage to

reach out. This book describes an approach to life that leads us to recognize what is truly valuable, make new decisions about the way we want to live, and redefine the goals we set for ourselves and the legacy we want to leave. Above all, it creates new ways of measuring meaning, happiness, and success in our lives, and makes these elusive goals attainable.--From publisher description.

I Matter

YOU MATTER! How do people find purpose in life at any age and stage of life. How can life, ultimately, Matter? When looking back and forward on one's life, did I mean something? What was my purpose? This book is a collection of short essays that reflect on these

questions and cover the different stages of life, from childhood to retirement. They are written by numerous authors from all walks of life, and mirror the diversity of the American experience. They represent different races, genders, sexual orientations, ages, socioeconomic status, religious preferences, ethnic heritage, and professions. They come from the worlds of sports, entertainment, business, government, espionage, education, social work, and emergency medicine. Some seek meaning in their faith; others in their works; still others in their immediate family, extended family, or family trees.

The Smart Woman's Guide to Midlife Horses *Trafalgar Square Books*

Includes bibliographical references (p.

[311]-317) and index.

The Psychology of Meaning in Life *Routledge*

This book offers an inspiring exploration of current findings from the psychology of meaning in life, analysing cutting-edge research to propose practical, evidence-based applications. Schnell draws on psychological, philosophical and cognitive perspectives to explore basic concepts of meaning and introduce a multidimensional model of meaning in life. Written in an accessible style, this book covers a range of topics including the distinction between meaning and happiness, the impact of meaning on health and longevity, meaning in the workplace, and meaning-centred interventions. Each chapter ends with

exercises to encourage self-reflection and measurement tools are presented throughout, including the author's original Sources of Meaning and Meaning in Life Questionnaire (SoMe), to inspire the reader to consider the role of meaning in their own life. The Psychology of Meaning in Life is essential reading for students and practitioners of psychology, sociology, counselling, coaching and related disciplines, and for general readers interested in exploring the role of meaning in life.

New Man Journey *David C Cook*

While retirement can be liberating, it can also feel daunting. For decades a man focuses on building his career, providing for his family, and being a father to his children. But once the career has faded

and the children have grown, what's the his next step? What's his next great challenge? Himself. New Man Journey offers a practical game plan for men seeking purpose, fulfillment, and spiritual growth. Drawing from years of senior men's ministry and his own journey, Steve Silver encourages readers to examine their priorities and plan for the adventure of a lifetime. Warm in tone, conversational in style, New Man Journey is ideal for any retiree who's ready for the next challenge and chapter of his life.

Yes to Life *Beacon Press*

Find hope even in these dark times with this rediscovered masterpiece, a companion to his international bestseller Man's Search for Meaning. Eleven

months after he was liberated from the Nazi concentration camps, Viktor E. Frankl held a series of public lectures in Vienna. The psychiatrist, who would soon become world famous, explained his central thoughts on meaning, resilience, and the importance of embracing life even in the face of great adversity. Published here for the very first time in English, Frankl's words resonate as strongly today—as the world faces a coronavirus pandemic, social isolation, and great economic uncertainty—as they did in 1946. He offers an insightful exploration of the maxim “Live as if you were living for the second time,” and he unfolds his basic conviction that every crisis contains opportunity. Despite the unspeakable horrors of the camps, Frankl learned

from the strength of his fellow inmates that it is always possible to “say yes to life”—a profound and timeless lesson for us all.

Living Between Worlds *Sounds True*

What guides us when our world is changing? Discover the path to deeper meaning and purpose through depth psychology and classical thought. How did we get to this crossroads in history? And will we make it through—individually and as a species? “We all assumed that learning, rationality, and good intentions would prove enough to bring us to the promised land,” says Dr. James Hollis. “But they haven’t and won’t. Yet what we also do not recognize sufficiently is that this human animal is equipped for survival. In time, as we have seen of

life's other insolubles, we grow large enough to contain what threatened to destroy us." Dr. Hollis's readers know him as a penetrating thinker who brings profound insight and sophistication to the inner journey. In *Living Between Worlds*, he broadens his lens to encompass the relationship between our inner struggles and the rapidly shifting realities of modern human existence. You will learn to invoke the tools of depth psychology, classical literature, philosophy, dream work, and myth to gain access to the resources that supported our ancestors through their darkest hours. Through these paths of inner exploration, you will access your "locus of knowing"—an inner wellspring of deep resilience beyond the ego, always available to guide you back to

the imperatives of your soul. Though many of the challenges of our times are unique, the path through for us, personally and collectively, will always rely on our measureless capacity for creativity, wisdom, and connection to a reality larger than ourselves. Here you will find no easy answers or pat reassurances. Yet within the pages of *Living Between Worlds*, you will encounter causes for hope. "We can find what supports us when nothing supports us," Hollis teaches. "By bearing the unbearable, we go through the desert to arrive at a nurturing oasis we did not know was there."

The 7 Secrets of Synchronicity *Simon and Schuster*

"When we are alert to the coincidences

in our lives, we experience them more frequently - and they take on greater significance. And once we recognize synchronicities as meaningful, they open us to new information, new possibilities. We suddenly find that we're in the right place at the right time, meet the right people at the right moment, and our lives are changed for the better." --From the Introduction There are signs everywhere, pointing the way to a better life, if you know how to read them. Signs are the stuff that synchronicity is made of - harness the power of synchronicity, and you can transform your life. In this groundbreaking book, bestselling authors Trish and Rob MacGregor reveal the seven secrets that allow you to recognize synchronicity when it happens - and make the most of it. You'll learn to

interpret the meaning of the signs you encounter every day, and use such tools as the tarot, I-Ching, and astrology to understand your past, inform your present, and guide your future. Synchronicity - your key to making magic in your own life! In *The 7 Secrets of Synchronicity*, you'll see why there really is no such thing as coincidence - and how your life can be the better for it. Synchronicity is the universal language of transformation - and its secrets reveal how you can live a life rich in fulfillment and meaning and wonder. With this enlightening guide, you'll learn to read the signs all around you and transform your world - one amazing synchronicity at a time!

Creating the Good Life *Rodale Books*

Professionals and business people in midlife are increasingly asking themselves "what's next?" in their careers and personal lives. Creating the Good Life draws on the wisdom of the ages to help contemporary men and women plan for satisfying, useful, moral, and meaningful second halves of their lives. For centuries, the brightest people in Western societies have looked to Aristotle for guidance on how to lead a good life and how to create a good society. Now James O'Toole--the Mortimer J. Adler Senior Fellow of the Aspen Institute--translates that classical philosophical framework into practical, comprehensible terms to help professionals and business people apply it to their own lives and work. His book helps thoughtful readers address some

of the profound questions they are currently struggling with in planning their futures: • How do I find meaning and satisfaction? • How much money do I need in order to be happy? • What is the right balance between work, family, and leisure? • What are my responsibilities to my community? • How can I create a good society in my own company? Bridging philosophy and self-help, O'Toole's book shows how happiness ultimately is attainable no matter one's level of income, if one uses Aristotle's practical exercises to ask the right questions and to discipline oneself to pursue things that are "good for us." The book is the basis for O'Toole's new "Good Life" seminar, where thoughtful men and women gather to create robust and satisfying life plans.

All Things Shining *Simon and Schuster*

In unrelenting flow of choices confronts us at nearly every moment of our lives, and yet our culture offers us no clear way to choose. This predicament seems inevitable, but in fact it's quite new. In medieval Europe, God's calling was a grounding force. In ancient Greece, a whole pantheon of shining gods stood ready to draw an appropriate action out of you. Like an athlete in "the zone," you were called to a harmonious attunement with the world, so absorbed in it that you couldn't make a "wrong" choice. If our culture no longer takes for granted a belief in God, can we nevertheless get in touch with the Homeric moods of wonder and gratitude, and be guided by the meanings they reveal? *All Things Shining* says we can. Hubert Dreyfus and Sean

Dorrance Kelly illuminate some of the greatest works of the West to reveal how we have lost our passionate engagement with and responsiveness to the world. Their journey takes us from the wonder and openness of Homer's polytheism to the monotheism of Dante; from the autonomy of Kant to the multiple worlds of Melville; and, finally, to the spiritual difficulties evoked by modern authors such as David Foster Wallace and Elizabeth Gilbert. Dreyfus, a philosopher at the University of California, Berkeley, for forty years, is an original thinker who finds in the classic texts of our culture a new relevance for people's everyday lives. His lively, thought-provoking lectures have earned him a podcast audience that often reaches the iTunesU Top 40. Kelly, chair of the philosophy

department at Harvard University, is an eloquent new voice whose sensitivity to the sadness of the culture—and to what remains of the wonder and gratitude that could chase it away—captures a generation adrift. Re-envisioning modern spiritual life through their examination of literature, philosophy, and religious testimony, Dreyfus and Kelly unearth ancient sources of meaning, and teach us how to rediscover the sacred, shining things that surround us every day. This book will change the way we understand our culture, our history, our sacred practices, and ourselves. It offers a new—and very old—way to celebrate and be grateful for our existence in the modern world.

Supersurvivors *Random House India*

A supersurvivor is a person who has dramatically transformed his or her life after surviving a trauma, accomplishing amazing things or transforming the world for the better. When tragedy befalls, many people succumb to trauma and suffer many psychological setbacks such as posttraumatic stress disorder. Many are able to move past the trauma and return to normal life. Some, however, are able to bounce back stronger and tougher than before. This rare species is called the supersurvivor. The scope of suffering may vary, but most people face troubles small or big in their day-to-day lives. Supersurvivors offers astonishing stories of the indomitable human spirit which will put your own life and how you live it into perspective.

Helping College Students Find Purpose *John Wiley & Sons*

Helping College Students Find Purpose
Today's college students are demanding that their educational experiences address the core questions of meaning and purpose. . . What does it mean to be successful? How will I know what type of career is best for me? Why do I hurt so much when a relationship ends? Why do innocent people have to suffer? Faculty and administrators are in the unique position to make special contributions to their students' search for meaning, and when they work together, everyone on a college campus benefits. Helping College Students Find Purpose provides a theory-to-practice model of meaning-making that enables the entire campus community to participate in the process.

Based on a practical how-to approach, the authors outline a series of concrete steps for applying the theory and practice of meaning-making to teaching, leading, administering, and advising. Filled with real-life vignettes, this guidebook includes the background knowledge and proven tools that will help faculty and administrators act as effective mentors to students. While there is no single solution that can meet everyone's needs, the authors provide a series of classroom and cross-campus strategies that are specifically designed to help students successfully navigate their diverse meaning-making activities and effectively enhance their quest for meaning.

Christian Education and the Search

for Meaning *Baker Academic*

James Wilhoit explores how Christian education can go beyond mere activity to instill a solid perspective and make sense of a perplexing world. He envisions the ideal model of Christian education and integrates the discipline with the social sciences. In the final chapter Wilhoit presents an evangelical theory of biblical instruction.

Building Your Resilience

Christianity and Literature *InterVarsity Press*

"What has Jesus Christ to do with English literature?" ask David Lyle Jeffrey and Gregory Maillet in this insightful survey. First and foremost, they reply, many of the world's best authors of literature in

English were formed--for better or worse--by the Christian tradition. Then too, many of the most recognized aesthetic literary forms derive from biblical exemplars. And finally, many great works of literature demand of readers evaluative judgments of the good, the true and the beautiful that can only rightly be understood within a Christian worldview. In this book Jeffrey and Maillet offer a feast of theoretical and practical discernment. After an examination of literature and truth, theological aesthetics, and the literary character of the Bible, they turn to a brief survey of literature from medieval times to the present, highlighting distinctively Christian themes and judgments. In a concluding chapter they suggest a path for budding literary

critics through the current state of literary studies. Here is a must-read for all who are interested in a Christian perspective on literary studies.

Loving Someone Who Has Dementia

John Wiley & Sons

Research-based advice for people who care for someone with dementia Nearly half of U.S. citizens over the age of 85 are suffering from some kind of dementia and require care. *Loving Someone Who Has Dementia* is a new kind of caregiving book. It's not about the usual techniques, but about how to manage on-going stress and grief. The book is for caregivers, family members, friends, neighbors as well as educators and professionals—anyone touched by the epidemic of dementia. Dr. Boss helps

caregivers find hope in "ambiguous loss"—having a loved one both here and not here, physically present but psychologically absent. Outlines seven guidelines to stay resilient while caring for someone who has dementia Discusses the meaning of relationships with individuals who are cognitively impaired and no longer as they used to be Offers approaches to understand and cope with the emotional strain of caregiving Boss's book builds on research and clinical experience, yet the material is presented as a conversation. She shows you a way to embrace rather than resist the ambiguity in your relationship with someone who has dementia.

Revelation *Canongate Books*

The final book of the Bible, Revelation

prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

What Should I Do with My Life?

Ballantine Books

"Brimming with stories of sacrifice, courage, commitment and, sometimes, failure, the book will support anyone pondering a major life choice or risk without force-feeding them pat solutions."—Publishers Weekly In *What Should I Do with My Life?* Po Bronson tells the inspirational true stories of people who have found the most meaningful answers to that great

question. With humor, empathy, and insight, Bronson writes of remarkable individuals—from young to old, from those just starting out to those in a second career—who have overcome fear and confusion to find a larger truth about their lives and, in doing so, have been transformed by the experience. *What Should I Do with My Life?* struck a powerful, resonant chord on publication, causing a multitude of people to rethink their vocations and priorities and start on the path to finding their true place in the world. For this edition, Bronson has added nine new profiles, to further reflect the range and diversity of those who broke away from the chorus to learn the sound of their own voice.

Every Time I Find the Meaning of

Life, They Change It *Simon and Schuster*

"Every time I find the meaning of life, they change it." The words of Reinhold Niebuhr provide the title and set the tone for what is a wryly humorous look at some of the great philosophical pronouncements on the most important question we can face. Daniel Klein's philosophical journey began fifty years ago with just this conundrum; he began an undergraduate degree in philosophy at Harvard University to glean some clue as to what the answer could be. Now in his seventies, Klein looks back at the wise words of the great philosophers and considers how his own life has measured up. Told with the same brilliantly dry sense of humour that made *Travels with Epicurus* a Sunday Times bestseller,

Every Time I Find the Meaning of Life, They Change It is a pithy, dry, and eminently readable commentary on one of the most profound subjects there is.

The Meaning of Life

"What is the meaning of life?" Throughout history, people have spent much of their lives trying to explain how the world works and why. Initially, they seek to live better lives and thrive. Ultimately, they seek to find purpose and significance in their existence. Experience the scientific and philosophical journey billions of years in the making to answer the question that all living beings capable of rational thought will ask themselves: why are we here? Over the course of that journey, you will come to understand how

humans determine their meaning and, with some of your own analysis, discover your own purpose along the way.

Your Life on Purpose *New Harbinger Publications*

So many of us postpone pursuing our goals and dreams because we think we'll get to them later, when we have more time or feel we're worthy of them. As a result, many of us go through life feeling weighed down by daily responsibilities and our own self-doubts, entirely disconnected from a sense of real purpose. Based in acceptance and commitment therapy (ACT) and powerful mindfulness practices, *Your Life on Purpose* is about doing what matters to you every day instead of waiting for the perfect time to feel fulfilled and alive.

With this book as your guide, you'll learn to move past daily distractions, fear of failure, and self-judgment, and zero in on the passions that connect you with your true self. You deserve to live a life of purpose, aligned with your deepest values. It's time. With this book, you'll discover how to:

- Find and do what you are passionate about
- Keep mental obstacles, fears, and daily demands from blocking your path to fulfillment
- Find your way when values conflict
- Focus on what truly matters to make your dreams a reality
- Make a lasting impact on the world

So what are you waiting for? Start changing your life today.

Akata Witch *Penguin*

"Nnedi Okorafor writes glorious futures and fabulous fantasies. Her characters

take your heart and squeeze it; her worlds open your mind to new things." -- Neil Gaiman, author of *The Graveyard Book* and *American Gods* Affectionately dubbed "the Nigerian Harry Potter," Akata Witch weaves together a heart-pounding tale of magic, mystery, and finding one's place in the world. Perfect for fans of *Children of Blood and Bone*! Sunny Nwazue lives in Nigeria, but she was born in New York City. Her features are West African, but she's albino. She's a terrific athlete, but can't go out into the sun to play soccer. There seems to be no place where she fits in. And then she discovers something amazing—she is a "free agent" with latent magical power. And she has a lot of catching up to do. Soon she's part of a quartet of magic students, studying the visible and

invisible, learning to change reality. But as she's finding her footing, Sunny and her friends are asked by the magical authorities to help track down a career criminal who knows magic, too. Will their training be enough to help them combat a threat whose powers greatly outnumber theirs? World Fantasy Award-winning author Nnedi Okorafor blends magic and adventure to create a lush world. Her writing has been called "stunning" by *The New York Times* and her fans include Neil Gaiman, Rick Riordan, John Green, Ursula K. Le Guin, and many more! Raves for Nnedi Okorafor's writing: "There's more imagination on a page of Nnedi Okorafor's work than in whole volumes of ordinary fantasy epics." —Ursula K. Le Guin, award-winning author of *A Wizard*

of Earthsea "The most imaginative, gripping, enchanting fantasy novels I have ever read!" —Laurie Halse Anderson, National Book Award finalist and New York Times bestselling author of *Speak* "I always loved science fiction, but I didn't feel I was part of it—until I read first Octavia Butler, and now Nnedi Okorafor." —Whoopi Goldberg "Highly original stuff, episode after amazing episode, full of color, life, and death.

Nnedi Okorafor's work is wonderful!" —Diana Wynne Jones, award-winning author of *The Chronicles of Chrestomanci* "Jam-packed with mythological wonders." —Rick Riordan, #1 New York Times bestselling author of the *Percy Jackson and the Olympians* series "Okorafor's imagination is stunning." —The New York Times Book Review
