Why Nations Fail The Origins

Why Nations Fail sets out to answer this question, with a compelling and elegantly argued new theory: that it is not down to climate, geography or culture, but because of institutions. Drawing on an extraordinary range of contemporary and historical examples, from ancient Rome through the Tudors to modern-day China, leading academics Daron Acemoglu and James A. Robinson show that to invest and prosper, people need to know that if they work hard, they can make money and actually keep it - and ...

Why Nations Fail: A Summary - ReviseSociology

Not surprisingly for those familiar with their work, imperialism is one of the main culprits, but far from the only one. These, and other somewhat black and white depictions, will do much to sell Why Nations Fail, but they will also contribute to the book’s arousing strong views, particularly in its absence of nuancing. There is therefore much to commend about this book, and much to take issue with, but even its critics will concede that it is based on serious scholarship, will do much to ...
