The Best Care Possible

A Physician's Quest to Transform Care Through the End of Life *Penguin*

A doctor on the front lines of hospital care illuminates one of the most important and controversial social issues of our time. It is harder to die in this country than ever before. Though the vast majority of Americans would prefer to die at home—which hospice care provides—many of us spend our last days fearful and in pain in a healthcare system ruled by high-tech procedures and a philosophy to “fight disease and illness at all cost.” Dr. Ira Byock, one of the foremost palliative-care physicians in the country, argues that how we die represents a national crisis today.

To ensure the best possible elder care, Dr. Byock explains we must not only remake our healthcare system but also move beyond our cultural aversion to thinking about death. *The Best Care Possible* is a compelling meditation on medicine and ethics told through page-turning life-or-death medical drama. It has the power to lead a new national conversation.

Things That Matter

Three Decades of Passions, Pastimes and Politics *Crown Forum*

From America's preeminent columnist, named by the Financial Times the most influential commentator in the nation, a must-have collection of Charles

Krauthammer's essential, timeless writings. A brilliant stylist known for an uncompromising honesty that challenged conventional wisdom at every turn, Krauthammer dazzled readers for decades with his keen insight into politics and government. His weekly column was a must-read in Washington and across the country. Don't miss the best of Krauthammer's intelligence, erudition and wit collected in one volume. Readers will find here not only the country's leading conservative thinker offering a passionate defense of limited government, but also a highly independent mind whose views—on feminism, evolution

and the death penalty, for example—defy ideological convention. *Things That Matter* also features several of Krauthammer's major path-breaking essays—on bioethics, on Jewish destiny and on America's role as the world's superpower—that have profoundly influenced the nation's thoughts and policies. And finally, the collection presents a trove of always penetrating, often bemused reflections on everything from border collies to Halley's Comet, from Woody Allen to Winston Churchill, from the punishing pleasures of speed chess to the elegance of the perfectly thrown outfield assist. With a special, highly autobiographical introduction in which

Krauthammer reflects on the events that shaped his career and political philosophy, this indispensable chronicle takes the reader on a fascinating journey through the fashions and follies, the tragedies and triumphs, of the last three decades of American life.

Tainted Energy

For seventeen-year-old Lena, living in the trailer park with the rest of town's throwaways isn't exactly paradise. Dealing with a drunken father who can't keep his fists to himself doesn't help matters either. The only good thing in her life, other than track, is the mysterious man who visits her dreams, promising to find her. When a chair burns her

arms, Lena chalks it up to stress-induced crazy. Yet as bizarre incidents escalate, even being crazy can't explain it all away... until one day dream guy does find her. Tarek lost Lena seventeen years ago after she was accused of treason and marked Tainted. He finally discovers her reborn on Earth into a life of suffering as punishment for her crime. However, someone else has already found her... and wants her dead. Willing to sacrifice everything, he fights to keep her safe so she can live the only life she's ever known-even if that life doesn't include him.

Falling for the Ranger Tule Publishing

When Todd Harris makes the move from the mean streets of Chicago to the sleepy roads of Marietta, Montana, it's not just his career that's

changing... it's his entire life. Going from police officer to forest ranger isn't too much of a stretch, but getting used to how things work in a small town is. As he settles in, Todd realizes he loves the slower pace of the countryside, but then... an Olympic gold medalist comes to town and shatters his hard fought peace. But the town's new forest ranger doesn't like attention and he sure as hell isn't looking for any kind of relationship with someone who does. When Molly gets lost in the woods though and Todd is the one who saves her, the spark he's been trying to ignore smolders and ignites. It's then that he realizes there's a lot more to Molly than ambition and public adulation. When Todd

signs up for the Men of Marietta calendar shoot to raise money for Harry's House, a place for children to commemorate a fallen firefighter, Molly realizes the kind of man he is. With the shoot wrapping up, she faces a painful decision—return to her old life, or give her new life with Todd a fighting chance.

Hope Returns *Xulon Press*

On the heels of her mother's death, Hope

Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness,

unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

GRE 4000

The 4000 Words Essential for the

GRE Nova Press

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an

unfamiliar word to answer a question correctly.

Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE!

Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

Flight of the Akero - The Book of Milo

..".In the end, all your legends, your fables, your fantasies, they are all one story. One tale told by different tellers. One song sung by different singers. And all of them are a lie, born to hide a greater truth. Just as this one will become, when your part in it is done." It's the first day of summer. No alarm clocks. No school. No homework. After nine long months of unrelenting torture, Milo can finally do what he's been dreaming of all year... absolutely nothing. With his door closed and his room dark, Milo can finally shut out the noise and hide from the world. Unfortunately for Milo, the world has other plans for him. As lonely and disconnected Milo

Wolfe embarks on an unexpected journey to find a father he's never met, Milo will learn that nothing in his world is as it appears. And no one can be trusted, not the dead Russian wizard who dominates his dreams, not the mysterious green-eyed teen who seems to be stalking him, not even himself. Described as, "A subversively comic, action packed, quirky, coming of age, paranormal, science fiction, fantasy adventure for young adults and adults who still think of themselves as young adults," Douglas Lieblein, one of the writers and Executive Producers of *Hannah Montana* and *Life With Boys*, has created a debut novel full of unorthodox adventures, shocking

surprises and a controversial hypothesis regarding humanity's symbiotic relationship with myth and the supernatural. If you're a fan of the *Artemis Fowl* series, read it again. It's really good. Then after you're done, if you've got nothing to do, read this book.

Lodestone Book One

The Sea of Storms

Virtualbookworm.com Publishing

Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the

Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past.

Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

Shades of Sydney

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer

Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by

morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

Mindful Mosaic

Abstract Doodles to Color

Is that a shell? A pile of rocks? Waves, leaves, clouds? A stained glass window? Or just an inviting group of lines and shapes? And what do you want to do with it? It's all up to you, and it doesn't matter what you decide. This coloring book is a no-pressure invitation - to play, explore, focus, dream, or rest. These abstract, mosaic-style doodles can stimulate your imagination, free you from constraints, and pull you into a whimsical world of color. Color the shapes,

color the spaces between the shapes, or color both. Emphasize patterns or fill spaces randomly. Use ninety-six colors or six, or just one! Get out a fine-tip pen and add to the designs - draw in borders, or shapes within or around the given shapes. There are even some blank pages at the end to fill with your own completely original doodles. As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he

spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as

well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Rest Stop Createspace Independent Pub

Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditions. It tells

of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las

Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second

Nashville - Part One - Ready to Reach

Nineteen-year old CeCe Mackenzie leaves Virginia for Nashville with not much more to her name than a guitar, a Walker Hound named Hank Junior and an old car she'd inherited from her grandma called Gertrude. But Gertrude ends up on the side of I-40 in flames, and Nashville has never seemed farther away. Help arrives in the form of two Georgia football players headed for the Nashville dream as well. When Holden Ashford and Thomas Franklin stop to offer CeCe and Hank Junior a ride, fate may just give a nod to serendipity and meant to be.

All I ever wanted was to be a female fighter. It was in my blood to smack people around. Some girls wore pink dresses and makeup, I wore sneakers and bruises. I was a loner, stuck to myself because I was different, until Camden Steel moved next door. I punched him in the mouth, and he saw me through rose colored glasses from that day on. I had everything I ever wanted. The boy next door, inspiring career... until I didn't. He hates me. I deserve that. They say you have to fight for what you want... What they don't tell you... is it'll cost you more than you're willing to give to reach the top.

The Things that Matter

What Seven Classic Novels Have to Say about the Stages of Life *Anchor*

A noted literary scholar takes a close up look at seven classic English novels by women writers of the

nineteenth and twentieth centuries--Frankenstein, Wuthering Heights, Jane Eyre, Middlemarch, Mrs. Dalloway, To the Lighthouse, and Between the Acts--to explore how the authors portray the major passages and experiences of life. Reprint.

Counseling Across the Lifespan

Prevention and Treatment *SAGE Publications*

Counseling Across the Lifespan by Cindy L. Juntunen and Jonathan P. Schwartz is a practical book that helps readers provide effective mental, emotional, and behavioral health services to clients across the continuum

of care, from health promotion through long-term treatment and remediation. Anchoring each chapter within a life stage—from childhood through older adulthood—the text identifies the nature and origin of various psychological issues and emphasizes the importance of anticipating and responding early to concerns that arise for large portions of the population. The Second Edition features new chapters and expanded coverage of important topics, such as sociocultural contextual factors and interprofessional health perspectives.

The Value of Wrinkles

A Young Perspective

on How Loving the Old Will Change Your Life *Moody Publishers*

That Wasn't A White Hair, Was It? We're so afraid of aging that we begin to devalue ourselves and others with each passing year. The phrase "30 years old" incites panic. Seniors live in separate communities and barely interact with young people, while middle-aged people spend millions each year on anti-aging products. But what if we have it all wrong? Isabel Tom grew up living with grandparents and has spent over a decade of her career serving older adults. In *The Value of Wrinkles* she: Teaches you what the elderly offer us that we cannot live without Challenges our cultural

beliefs and practices that affect those who are aging Gives you practical insight on how to care for those older than you

Relevance

The Power to Change Minds and Behavior and Stay Ahead of the Competition

Routledge

Today, when companies and customers are faced with an infinite number of messages, the word "relevance" has taken on a new meaning and dimension. We know that relevance matters, but what does that mean exactly? Andy Coville guides leaders and executives toward the realization that if they can focus on a single, guiding principle--a magnetic

one--that permeates their brand or company, customers will not only engage but change thinking and behavior in turn. Relevance takes us through the dimensions of relevance--both qualitative and quantitative--in order to find the starting point on the Relevance Scale: where we are and where to go from here. The book walks the reader through the elements of staying relevant as well as the circumstances that contribute to establishing a relevance platform. The author offers many examples as well as explaining messaging strategies. Whether you are working with a consumer product, a nonprofit, or a B2B company, Andy Coville

believes you, your brand, or your company have the power to change and influence behavior and make an impact.

Advance Care Planning in End of Life Care *Oxford University Press*

Advance Care Planning (ACP) is an essential part of end of life care in the UK and most developed countries. It enables more people to live well and die as they would choose, and has significant implications for the individual person, their family and carers, and our wider society. In the context of an ageing population and increasing possibilities for medical interventions, ACP is a particularly important aspect of quality care. Expanded and fully

updated throughout, this new edition gives a comprehensive overview of ACP and explores a wide range of issues and practicalities in providing end of life care. Written by experts from around the world, the book takes a comprehensive look at the subject by exploring the wide range of issues and practicalities in providing ACP; framing the purpose, process, and outcomes of these plans; and providing an important update on national and international research, policy and practice. Chapters also discuss values, goals and priorities, and include detailed case examples to aid best practice. This book is an invaluable resource for all clinicians involved in

the caring for people in their final stages of life. It is of particular value to GPs, palliative care specialists, geriatricians, social care teams, researchers and policy leads interested in improving end of life care.

Making Tough Decisions about End-of-Life Care in Dementia *JHU Press*

Each year, more than 500,000 people are diagnosed with dementia in the United States. As stunning as that figure is, countless family members and caregivers are also affected by each diagnosis. Families are faced with the need to make vital end-of-life decisions about medical treatment, legal and financial matters, and living

situations for those who no longer can; no one is prepared for this process. And many caregivers grapple with sadness, confusion, guilt, anger, and physical and mental exhaustion as dementia enters its final stage. In *Making Tough Decisions about End-of-Life Care in Dementia*, Dr. Anne Kenny, a skilled palliative care physician, describes how to navigate the difficult journey of late-stage dementia with sensitivity, compassion, and common sense. Combining her personal experience caring for a mother with dementia with her medical expertise in both dementia and end-of-life care, Dr. Kenny helps the reader prepare for a family

member's death while managing their own emotional health. Drawing on stories of families that Dr. Kenny has worked with to illustrate common issues, concerns, and situations that occurs in late-stage dementia, this book includes practical advice about

- making life-altering decisions while preparing for a loved one's inevitable death
- medical care, pain, insomnia, medication, and eating
- caring for the caregiver
- having conversations about difficult topics with other family members and with health care, legal, and financial professionals

Concrete to-do lists and lists of important points provide information at a glance for busy caregivers. Each chapter concludes with

a list of additional resources for more information and help. Making Tough Decisions about End-of-Life Care in Dementia is a lifeline, an invaluable guide to assist in the late stage of dementia.

Oxford Textbook of Palliative Social Work *Oxford University Press*

The Oxford Textbook of Palliative Social Work is a comprehensive, evidence-informed text that addresses the needs of professionals who provide interdisciplinary, culturally sensitive, biopsychosocial-spiritual care for patients and families living with life-threatening illness. Social workers from diverse settings will benefit from its

international scope and wealth of patient and family narratives. Unique to this scholarly text is its emphasis on the collaborative nature inherent in palliative care. This definitive resource is edited by two leading palliative social work pioneers who bring together an array of international authors who provide clinicians, researchers, policy-makers, and academics with a broad range of content to enrich the guidelines recommended by the National Consensus Project for Quality Palliative Care.
