**Reading and Writing Across the Curriculum**

Most inservice programs on reading and writing across the curriculum offer teachers a variety of strategies for

integrating reading or writing into their content-based instruction. But such programs rarely ask teachers to examine their own instructional goals and then to consider how well various reading and writing strategies actually support those goals.

### **Reading, Writing, and Understanding - Educational Leadership**

For many years reading and writing were (and sometimes still are) taught separately. Though the two have almost always been taught by the same person (the English/Language Arts teacher) during the Language Arts period or block, educators rarely made explicit connections between the two for their students. Over the last ten years

research has shown that reading and writing are more interdependent than we thought.
