If You Want a Friend in Washington

Wacky, Wild & Wonderful Presidential Pets *Schwartz & Wade*

A clever, funny, and informative look at the pets--from Calvin Coolidge's wallaby to Teddy Roosevelt's flying squirrels--that have passed through the White House gates. Perfect for fans of I Am George Washington and So You Want to Be President? President Truman famously said,

"If you want a friend in Washington, get a dog." And a dog is what many presidents got. From James Garfield to Calvin Coolidge to Richard Nixon, presidents often found a friend in Fido (in fact, Abe Lincoln's pup was actually named Fido). Others preferred cats, horses, small critters, or even big, ferocious animals like bears and alligators. With a catchy refrain ("If you want a friend in Washington . . . ,"), this is a funny, educational book about the animals that have passed through the White House. Whether it's favorite dogs like Barbara Bush's Millie or the Obamas' Bo; Abraham Lincoln's cat, Dixie; Calvin Coolidge's hippo, Billy; or Andrew Jackson's foul-mouthed

parrot, Poll, Erin McGill brings to life a menagerie of presidential pets in this entertaining, whimsical, and carefully researched picture book that's perfect for animal lovers and history buffs alike.

"You've Got a Friend" is a song from 1971, originally written and performed by Carole King. It was included in her album *Tapestry* of 1971, but was made famous by James Taylor's cover version the same year. Taylor's rendition, released as a single from his own 1971 album *Mud Slide Slim and the Blue Horizon*, reached number 1 on the *Billboard* Hot 100 and number 4 on the UK Singles Chart. The James Taylor version also spent one week at the top of the *Easy Listening* charts. "You've Got a Friend" won Grammy Awards both for Taylor (Best Male Pop Vocal Performance) and King (Song of the Year). Joni Mitchell sings harmony. The song was recorded also

during 1971 by Dusty Springfield, a recording that predates Taylor's version. It was recorded for her third album for Atlantic Records, but a dispute with the company meant the album was unreleased. The song was left unissued until 1999, when it was issued as a bonus track for the Rhino Records deluxe re-release of *Dusty in Memphis*. Another live version was recorded by Donny Hathaway on his 1972 Live album and the posthumously released *These Songs for You, Live!*. Outside the Jukebox

How I Turned My Vintage Music Obsession into My Dream Gig *Hachette UK*

From the creator of the sensation Postmodern Jukebox -- with millions of fans globally -- comes an inspirational memoir about discovering what you love and turning it into a creative movement. With student loan debt piling up and no lucrative gigs around the corner, Scott Bradlee found himself in a situation all too

familiar to struggling musicians and creative professionals, unsure whether he should use the little income he had to pay his rent or to avoid defaulting on his loans. It was under these desperate circumstances that Bradlee began experimenting, applying his passion for jazz, ragtime, and doo wop styles to contemporary hits by singers like Macklemore and Miley Cyrus--and suddenly an idea was born. Today, Postmodern Jukebox -- the rotating supergroup devoted to period covers of pop songs, which Bradlee created in a basement apartment in Queens, New York--is a bona fide global sensation, having collected more than three million subscribers on

YouTube while selling out major venues around the world and developing previously unknown talent into superstar singers. From its Etta James-inspired rendition of Radiohead's "Creep" to its New Orleans jazz interpretation of Meghan Trainor's "All About That Bass," the group has established a sound like no other, crafting hits as exquisitely sublime as they are humorously absurd. But it wasn't always as easy as the YouTube videos make it look. As he worked to establish Postmodern Jukebox, Bradlee struggled through the obstacles that every self-employed artist or entrepreneur with a vision faces: how to collaborate successfully on teams with divergent visions,

how to outrun the naysayers, how to chase the next innovation when your reputation makes others start to pigeonhole you, and so many of the other challenges lining the path to success. Taking readers through the false starts, hilarious backstage antics, and unexpected breakthroughs of Bradlee's journey from a lost musician to a musical kingmaker -- and presenting all the entrepreneurial insights he learned along the way -- Outside the Jukebox is an inspiring memoir about how one musician found his rhythm and launched a movement that would forever change our relationships to our favorite songs.
