Opel began the 1970s with a model
offensive. The new midsize models that
made their debut in 1970 were called
Ascona and Manta. As a two and four-
door limousine, the Ascona was
positioned exactly between Kadett and
Rekord. The Ascona was also a
trendsetter: the Caravan estate was the
first compact lifestyle estate and
therefore far ahead of its time.

The Year of the Legends: Opel Ascona and Manta are 50 ...

By the mid-'80s, the Manta was the one
machine that got around GM's model-for-
model policy between Opel and
Vauxhall. Starting in 1986, it was
available only in an all-out model known
as the Exclusive, with Recaro seats, an
Irmscher body kit, and the injected two-
liter engine.
