Moon Over Soho is an enjoyable, satisfying sophomore entry into the Peter Grant series about a London constable who is now working in magical law enforcement. Peter calls on Leslie after the brutal ending of the first book. As he leaves, he's called to the morgue where Dr. Walid wants Peter to note the definite vestigia about a dead man. Peter gets a clear sound of jazz sax, the kind of clue that only comes with strong magic.

Excellent second book that builds superbly on the first. Some old faces make a brief return but there is plenty of new blood to keep the story moving at a steady pace. At this rate book three should be an absolute cracker, but the wait is going to be
