The European Parliament explained

European Union Politics

European Union Politics is an international academic journal for advanced peer reviewed research and scholarship on all aspects of the process of government, politics and policy in the European Union. EUP aims to stimulate debate and provide a forum to bridge the theoretical and empirical analysis on the political unification of Europe.

European Union Politics: SAGE Journals

The politics of the European Union are different from other organisations and states due to the unique nature of the European Union. The EU is similar to a confederation, where many policy areas are federalised into common institutions capable of making law; however the EU does not, unlike most states, control foreign policy, defence policy or the majority of direct taxation policies. These areas are primarily under the control of the EU's member states although a certain amount of structured co
