Warrior: Audrey Hepburn completes the story arc of Robert Matzen's *Dutch Girl*: Audrey Hepburn and

World War II. Hepburn's experiences in wartime, including the murder of family members, her survival through combat and starvation conditions, and work on behalf of the Dutch Resistance, gave her the determination to become a humanitarian for UNICEF and the fearlessness to charge into war-torn countries in the Third World on behalf of children and their mothers in desperate need. She set the standard for celebrity humanitarians and--according to her son Luca Dotti--ultimately gave her life for the causes she espoused.

Dutch Girl

Audrey Hepburn and World War II *Paladin Communications*

Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like *Roman Holiday* and *Breakfast at Tiffany's*. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, "The war made my

mother who she was." Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the "Bridge Too Far" battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold

story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

Audrey Hepburn *Taj Books*

Just a few short years after WWII ended, Audrey Hepburn was discovered in a Monte Carlo hotel lobby by the French novelist Colette to assume the title role in the Broadway production of Gigi. Having barely survived the war in her home in Arnhem, Netherlands, Audrey was forced to give up her dream of being a prima ballerina because she was both too tall and too

malnourished from the starvation and deprivation she suffered during the war years. An immediate success as Gigi, Audrey was whisked away to Rome to film Roman Holiday with Gregory Peck. The role of Princess Anne would win her an Oscar for Best Actress, the first of five nominations throughout her career. This book tells the story of Audrey Hepburn, one of only ten actors to win a competitive Oscar, Tony, Emmy, and Grammy. But, in her eyes, possibly the best role of her career was that of Goodwill Ambassador for UNICEF. Her firsthand experiences in the Netherlands during WWII uniquely qualified her to relate to children devastated by

war and famine and to convincingly advocate on their behalf to the most powerful men and women of the 1980s and 1990s.

Enchantment

"The Life of Audrey Hepburn *Crown Archetype*

While her name is synonymous with elegance, style and grace, this poignant, funny and deeply moving biography, reveals the private Audrey Hepburn and invites readers to fall in love with her all over again. Over the course of her extraordinary life and career, Audrey captured hearts around the world and created a public image that stands as one of the most recognizable and beloved in recent memory. But despite her international fame and her tireless efforts on behalf of UNICEF,

Audrey was also known for her intense privacy. With unprecedented access to studio archives, friends and colleagues who knew and loved Audrey, bestselling author Donald Spoto provides an intimate and moving account of this beautiful, elusive and talented woman. Tracing her astonishing rise to stardom, from her harrowing childhood in Nazi-controlled Holland during World War II to her years as a struggling ballet dancer in London and her Tony Award-winning Broadway debut in *Gigi*, Spoto illuminates the origins of Audrey's tenacious spirit and fiercely passionate nature. She would go on to star in some of the most popular movies of the twentieth century, including *Roman Holiday*, *Sabrina*, *Funny Face*, *The Nun's Story*, *Breakfast at Tiffany's* and *My Fair Lady*. A friend and inspiration to renowned designer Hubert de Givenchy, Audrey also emerged as a fashion icon and her influence on women's fashion virtually unparalleled to this day. Behind the glamorous public persona, Audrey was a different and deeper person and a woman who craved love and affection. Donald Spoto offers remarkable insights into her professional and personal relationships with her two husbands, and with celebrities such as Gregory Peck, William Holden, Fred Astaire, Gary Cooper,

Robert Anderson, Cary Grant, Peter O'Toole, Albert Finney and Ben Gazzara. The turbulent romances of her youth, her profound sympathy for the plight of hungry children, and the thrills and terrors of motherhood prepared Audrey for the final chapter in her life, as she devoted herself entirely to the charity efforts of an organization that had once come to her rescue at the end of the war: UNICEF.

A Charmed Life *Skyhorse*

"A sumptuous book which will delight idolaters of high fashion and movie

stardom.” —Times Literary Supplement
Audrey Hepburn is a sumptuous celebration of Hepburn as a beloved fashion icon and actress. Karney tells the story of Hepburn’s life, from her childhood in Nazi-occupied Holland, through her early aspirations to become a ballet dancer, the instant and universal acclaim of her onscreen debut and her years as one of Hollywood’s most sought-after stars, to her later life working among the poorest children of the Third World. Karney’s book gives fans a rare view into the life of a beloved star. Hepburn’s acting career began after a series of minor revue and film roles in London. Hepburn was

spotted by the writer Colette, who immediately cast her in the central role of a Broadway adaptation of her story, *Gigi*. Soon afterwards, Hepburn was offered a role alongside Gregory Peck in *Roman Holiday*, for which she collected an Oscar for Best Actress. The book highlights all her success that followed: she won the Tony Award for Best Actress for *Ondine*, captivated audiences as Natasha in *War and Peace*, and was highly praised for her brilliance in a serious role in *The Nun’s Story*. Hepburn’s style was perfection, and her clothes—many of them designed by Givenchy, who dressed her for *Funny Face* in 1957—placed her on the world’s Best-Dressed Women list for

several consecutive years. Her personality and sensuous yet untouchable beauty made her irresistible to the public. On Hepburn's death, Liz Taylor said, "God has a most beautiful new angel now that will know just what to do in heaven." Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also

published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

You’re not me.’ Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off.”—Anna Quindlen, *The New York Times*

Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. “It is the understanding heart revealed just before the final curtain that makes us fall in love

with Katharine Hepburn.”—The New York Times Book Review NOTE: This edition does not include photographs.

The satirical American newspaper the Onion recently ran a story with the headline "College-Aged Female Finds Unlikely Kindred Spirit In Audrey Hepburn," lampooning modern American girls' continued fascination with the star (along with their habits of hanging posters of Breakfast At Tiffany's in their dorm rooms). What gives this slight starlet such staying power? A talented actress, an icon of fashion, a loving mother, and an active humanitarian,

Hepburn remains one of the world's most beloved women even two decades after her death. Ranked as the third greatest screen star of all time by the American Film Institute, she possessed grace and beauty that still enchant us today. The winner of the 1953 Academy Award for her role as Princess Ann in Roman Holiday, she received further Academy Award nominations for Sabrina, Breakfast at Tiffany's, and Wait Until Dark. Her timeless, iconic style, both on and off screen, has long been admired, and she is seen by many as the epitome of grace, class, and elegance. Kate

The Woman Who Was Hepburn

Henry Holt and Company

The first major Katharine Hepburn biography independent of her control reveals the smart, complicated, and sophisticated woman behind the image. Onscreen she played society girls, Spencer Tracy's sidekick, lionesses in winter. But the best character Katharine Hepburn ever created was Katharine Hepburn: a Connecticut Yankee, outspoken and elegant, she wore pants whatever the occasion and bristled at Hollywood glitter. So captivating was her image that she never seemed less than

authentic. But how well did we know her, really? Was there a woman behind the image who was more human, more driven, and ultimately more triumphant because of her vulnerability? William J. Mann—a cultural historian and journalist, a sympathetic admirer but no mere fan—has fashioned an intimate, often revisionist, and truly unique close-up that challenges much of what we think we know about the Great Kate. Previous biographies—mostly products of friends and fans—have recycled the stories she hid behind, taking Hollywood myths at face value. Mann goes deeper, delivering new details from friends and family who have not been previously

interviewed and drawing on materials only available since Hepburn's death. With affection, intelligence, and a voluminous knowledge of Hollywood history, Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all-American as the Statue of Liberty.

Audrey Hepburn in Breakfast at Tiffany's *Aurum*

Before *Breakfast at Tiffany's* Audrey Hepburn was still a little-known actress with few film roles to speak of; after it – indeed, because of it – she was one of the world's most famous fashion, style and screen icons. It was this film that matched her with Hubert de Givenchy's "little black dress". Meanwhile, Truman Capote's original novel is itself a modern classic selling

huge numbers every year, and its high-living author of perennial interest. Now, this little book tells the story of how it all happened: how Audrey got the role (for which at first she wasn't considered, and which she at first didn't want); how long it took to get the script right; how it made Blake Edwards' name as a director after too many trashy films had failed to; and how Henry Mancini's soundtrack with its memorable signature tune 'Moon River' completed the irresistible package. This is the story of how one shy, uncertain, inexperienced young actress was persuaded to take on a role she at first thought too hard-edged and amoral – and how it made Audrey Hepburn into

gamine, elusive Holly Golightly in the little black dress - and a star for the rest of her life.
