Demystifying Creativity. In Your Creative Element is highly practical, packed with case studies, exclusive interviews and and tips from creative experts and organisations including Google, Netflix,

Pixar, the NHS, the United Nations and Twitter. Some of the world’s most successful advertising and PR agencies (including the most awarded creative PR agency in the world 2016 Unity PR) also reveal their secrets to building a culture for creative success.

In Your Creative Element | Now Go Create

In Your Creative Element helps readers identify a personal creativity formula for success, and kick-starts the creative journey. It provides personalised insights so that readers can develop their knowledge and skills and their own formula to unlock creativity and apply it in any context.

In Your Creative Element: The Formula for Creative Success ...

In Your Creative Element does an excellent job at matching art with science but more attention needs to be applied to the creative process of more specific business applications. The book approaches the topic of creative thinking from various angles (convergent thinking, design thinking, incubation, creative briefs, etc.) but these topics are presented briefly without detailed case studies showing businesses from a wide variety of industries using the book’s method.
