Romans in a New World holds much to interest both classicists

and students of the history and culture of early modern Europe--especially, though not exclusively, historians of Spain. David A. Lupher's concern with the ideology of imperialism and colonization and with cross-cultural negotiations will be useful to students of cultural studies, as well.

Romans In A New World Book - PDF Download

A contrafactual means of getting the Romans to the new world would involve going not south across the Atlantic, but rather the same northern route the Vikings took centuries later. If the Romans had either conquered Britannia or Germania, then they would have had knowledge of the Faroe islands.

Could the Romans have colonised the New World?

Such statements led anthropologist Roman Hristow, formerly of the Southern Methodist University, to conclude that the bust is firm evidence of transatlantic contact between the Old and New World as early as AD 200.(3) Having become interested in the Roman piece, he managed to track it down to a museum in Mexico City, where it had remained since its discovery.

Roman law facilitated the acquisition of wealth by a pro-Roman elite who found their new privileges as citizens to be advantageous. The extension of universal citizenship to all free inhabitants of the Empire in 212 required the uniform application of Roman law, replacing the local law codes that had applied to non-citizens.
