Basis for AMI/Rowe Serial Numbering. AMI/Rowe was generally consistent in their serial numbering of Jukeboxes. It appears to be totally chronological based on time of production and they did not intermix jukebox serial numbering with other items such as wallboxes and speakers, though there are two few data points of speakers to make a solid judgement. The chronological numbering system appears to have started with the 1947 Model A, "Mother of Plastic", at 000001.
