Building regulations. Any renovation project must comply with building regulations, regardless of planning permission. Building regulations are the minimum standard for design, construction and alterations to every building. You can apply to any local building control department or approved inspector for building regulations approval.

Building regulations and planning permission - Which?

Building regulations set standards for the design and construction of buildings to ensure the safety and health for people in or about those buildings. They also include requirements to ensure that fuel and power is conserved and facilities are provided for people, including those with disabilities, to access and move around inside buildings.

Difference between building regulations and planning ...

You should also bear in mind that if you are the owner of the building, it is ultimately you who may be served with an enforcement notice if the work does not comply with the regulations. Some kinds of building projects are exempt from the regulations, however generally if you are planning to carry out 'building work' as defined in regulation 3 of the building regulations, then it must comply with the building regulations. This means that the regulations will probably apply if you want to:

When you need approval | Building Regulations | Planning ...

First, if a person carrying out building work contravenes the Building Regulations, the local authority may prosecute them in the Magistrates' Court where an unlimited fine may be imposed (sections 35 and 35A of the Building Act 1984). Prosecution is possible up to two years after the completion of the offending work.

Building Regulations - Planning Portal

The Approved Documents have been compiled by Government to provide guidance for how each 'Part' of the Building Regulations can be complied with when undertaking building work (including plumbing, electrics, extensions, etc.). Part A - Structure. Part B - Fire Safety. Part C - Site preparation and resistance to contaminants and moisture.
