Basque Legends

Basque Mythology and Legends The origins of much mythology and legends started with the human desire to explain phenomena and actions that take place in the world. The Basque mind was rich

with imagination when it came to creating different legends in response to the questions that came from observing nature and immediate surroundings.

Basque Mythology and Legends

The mythology of the ancient Basques largely did not survive the arrival of Christianity in the Basque Country between the 4th and 12th century AD. Most of what is known about elements of this original belief system is based on the analysis of legends, the study of place names and scant historical references to pagan rituals practised by the Basques. One main figure of this belief system was the female goddess Mari. According to legends collected in the area of Ataun, the other main figure was h
