I And Thou Martin Buber

In Buber's view, all of our relationships bring us ultimately into relationship with God, who is the Eternal Thou. Buber explains that humans are defined by two word pairs: I-It and I-Thou. The "It" of I-It refers to the world of experience and sensation. I-It describes entities as discrete objects drawn from a defined set (e.g., he, she or any other objective entity defined by what ...

Here Buber establishes his crucial first premise: that man has two distinct ways of engaging the world, one of which the modern age entirely ignores. In the second part of the book, Buber examines human life on the societal level. He investigates both society itself and man as he exists within society. In this section, Buber claims that modern society leaves man unfulfilled and alienated ...

I and Thou: Summary | SparkNotes

I and Thou was a concept introduced by a German theologian, Martin Buber in his book 'Ich und Du' which roughly means I and Thou (You). Buber offered up a new way at looking at communication between individuals by rooting his concept not on the individual or others but rather on the relationships and the relational attitudes between two beings.
