What Happened: Inside the Bush White House and Washington's Culture of Deception is an autobiographical bestseller by Scott McClellan, who served as White House Press Secretary from 2003 until 2006 under President George W. Bush. The book was scheduled to be released on June 2, 2008; however, excerpts were released to the press a week before publication. The book quickly became a media sensation for its candid, insider's critique of the Bush administration and ran as a leading story on most top

What Happened (McClellan book) - Wikipedia

He originally believed Bush's campaign promise that he would change the culture in Washington D.C., but he was completely disappointed. His book What Happened, Inside the Bush White House and Washington's Culture of Deception was a criticism of what he felt went wrong with the Bush presidency. He wrote that Bush was not truthful with the public, was incapable of changing his mind after he made a decision and approached everything like it was a political campaign where winning the debate ...
