Macbeth (no Fear Shakespeare).

Julius Caesar (No Fear Shakespeare) *Everbind*

King Lear *Standard Ebooks*

King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth's pseudohistorical History of the Kings of Britain (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Is This a Dagger Which I See Before Me? *Penguin UK*

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. Quotes by Theme: Quotes organized by Shakespeare's main themes, such as love, death, tyranny, honor, and fate. Quotes by Character: Quotes organized by the play's main characters, along with interpretations of their meaning.

Othello

The Tragedy of Othello, the Moor of Venice is a tragedy by William Shakespeare, believed to have been written in approximately 1603, and based on the Italian short story Un Capitano Moro ("A Moorish Captain") by Cinthio, a disciple of Boccaccio, first published in 1565. The work revolves around four central characters: Othello, aMoorish general in the Venetian army; his new wife, Desdemona; his lieutenant, Cassio; and his trusted ensign, Iago. Because of its varied and current themes of racism, love, jealousy and betrayal, Othello is still often performed in professional and community theatres alike and has been the basis for numerous operatic, film and literary adaptations. The play opens with Roderigo, a rich and dissolute gentleman, complaining to Iago, an ensign, that Iago has not told him about the secret marriage between Desdemona, the daughter of a Senator namedBrabantio, and Othello, a Moorish general in the Venetian army. He is upset by this development because he loves Desdemona and had previously asked her father for her hand in marriage. Iago hates Othello for promoting a younger man named Michael Cassio above him, and tells Roderigo that he plans to use Othello for his own advantage. Iago is also angry because he believes, or at least gives the pretence of belief, that Othello slept with his wife Emilia. Iago denounces Cassio as a scholarly tactician with no real battle experience; in contrast, Iago is a battle-tested soldier. By emphasizing Roderigo's failed bid for Desdemona, and his own dissatisfaction with serving under Othello, Iago convinces Roderigo to wake Brabantio, Desdemona's father, and tell him about his daughter's elopement. Iago sneaks away to find Othello and warns him that Brabantio is coming for him. Before Brabantio reaches Othello, news arrives in Venice that the Turks are going to attack Cyprus; therefore Othello is summoned to advise the senators. Brabantio arrives and accuses Othello of seducing Desdemona by witchcraft, but Othello defends himself successfully before an assembly that includes the Duke of Venice, Brabantio's kinsmen Lodovico and Gratiano, and various senators. He explains that Desdemona became enamored of him for the sad and compelling stories he told of his life before Venice, not because of any witchcraft. The senate is satisfied, but Brabantio leaves saying that Desdemona will betray Othello. By order of the Duke, Othello leaves Venice to command the Venetian armies against invading Turks on the island of Cyprus, accompanied by his new wife, his new lieutenant Cassio, his ensign Iago, and Iago's wife, Emilia as Desdemona's attendant.

No Fear Shakespeare

A Companion *Spark Publishing Group*

Using selected passages from the "No Fear Shakespeare" translations, offers an introduction to the life and works of William Shakespeare and includes a brief biography, a portrait of life in sixteenth century England, and an overview of Shakespearian-eratheater.

Both a lighthearted comedy and a deeper exploration of social and literary issues, this play features a memorable cast of characters and incomparable poetry.

Macbeth

Official Student Edition with Annotations

Make Shakespeare easier with this student edition featuring Verse by Verse summary and glossary. Macbeth is a play of contradiction and ambition. Driven to becoming King, Macbeth will kill all and any that get in his way. He puts his faith in the words and prophesies of three witches, after their first one (that he will become Thane of Cawdor) comes through. Macbeth's wife, Lady Macbeth, is instrumental in Macbeth's ambition, egging him on when he fears he has gone to far, and scheming of greatness.

Macbeth

Sonnets

Macbeth (Folger Shakespeare Library)

Macbeth (No Fear Shakespeare)

Macbeth (full title The Tragedy of Macbeth) is a tragedy by William Shakespeare; it is thought to have been first performed in 1606.[a] It dramatises the damaging physical and psychological effects of political ambition on those who seek power for its own sake. Of all the plays that Shakespeare wrote during the reign of James I, who was patron of Shakespeare's acting company, Macbeth most clearly reflects the playwright's relationship with his sovereign.[1] It was first published in the Folio of 1623, possibly from a prompt book, and is Shakespeare's shortest tragedy.

Macbeth (Folger Shakespeare Library)

Macbeth (No Fear Shakespeare), Macbeth (Cambridge School Shakespeare), Macbeth: Oxford School Shakespeare (Oxford School Shakespeare Series). Macbeth(the Arden).

The authoritative edition of Macbeth from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers. In 1603, James VI of Scotland ascended the English throne, becoming James I of England. London was alive with an interest in all things Scottish, and Shakespeare turned to Scottish history for material. He found a spectacle of violence and stories of traitors advised by witches and wizards, echoing James's belief in a connection between treason and witchcraft. In depicting a man who murders to become king, Macbeth teases us with huge questions. Is Macbeth tempted by fate, or by his or his wife's ambition? Why does their success turn to ashes? Like other plays, Macbeth speaks to each generation. Its story was once seen as that of a hero who commits an evil act and pays an enormous price. Recently, it has been applied to nations that overreach themselves and to modern alienation. The line is blurred between

Macbeth's evil and his opponents' good, and there are new attitudes toward both witchcraft and gender. The edition includes: -Freshly edited text based on the best early printed version of the play -Newly revised explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An up-to-date annotated guide to further reading

No Fear Shakespeare

Macbeth

Macbeth

No Fear Shakespeare Graphic Novels, Adaptation of Macbeth by William Shakespeare

Macbeth Ernst Klett Sprachen

The Jungian Art. The Jungian Persona in Shakespeare's works

"Thou Must be Thyself". A Jungian Shakespeare GRIN Verlag

Document from the year 2021 in the subject English Language and Literature Studies - Literature, grade: A, , language: English, abstract: This work deals with various characters from Shakespeare's works and analyses them according to the Jungian Art. In the individuation process, Shakespeare sides with Jung related to the role and importance of the concept of free will. None of Shakespeare's heroes follow their fate as an externally imposed, inevitable chain of events which lead to their doom. Rather, it is their lack of self-knowledge and self-control as a sign of their failed individuation that causes their tragic ends. These characters embody a soul which is in many ways great and noble, but which has a fatal flaw which plays the role of fate. In Jungian terms, fate can be interpreted as unrecognized psychological processes or archetypes that are not dealt with, which therefore influence or lead the actions of the ego conscience. Shakespeare explores in depth these flaws to which the tragic hero, after an inner conflict, fails to attempt to deal with the archetypal psychic forces. The result is that the tragic hero loses his soul, the link to the archetype of Self as both the motivator and the goal of the individuation process. In that regard, when we examine, for example, Othello, it is obvious that the cause of his crisis and ruin is psychological and that his intellectual confusion is not the cause but rather the result of the chaos in his psyche. In Jungian terms, Othello, as the ego consciousness, struggles and fails to understand and establish a functioning relationship with both Iago and Desdemona, respectively seen as his shadow and anima. The importance of dealing with these archetypes as a means of reaching psychic balance as one of the indicators of a successfully ongoing individuation process, is described from a Jungian point of view.

A Comparison of 'Macbeth' with Existentialism Dorrance Publishing

A Comparison of “Macbeth” with Existentialism By: Alan Gillett In this different view of the classic tale of Macbeth, Alan Gillett reflects the Christian era of Medieval Europe while existentialism describes a more modern age of atheism and purposeless despair to dispel the myth that Macbeth was written with an existentialist mindset.
