Digital Learning & Online Textbooks - Cengage

Since its inception, William Baumol and Alan Blinder's Economics: Principles and Policy has been the choice of instructors who, where appropriate, want to teach introductory concepts in the context of real world policy. At no time since the first edition has this approach been more relevant and important.

Dear Instructors - Cengage

A new book, “A Crisis of Beliefs: Investor Psychology and Financial Fragility,” puts expectations at the center of thinking about economic fluctuations and financial crises.

The financial crisis and the foundations for macroeconomics

Macroeconomics helps us measure the

effects inflation has on an economy and the standard of living when it distinguishes between nominal income (the dollar amount received), and real income (the amount of goods and services the income can buy). Secondly, consider the different types of employment.
