Constitutional Interpretation: Textual Meaning, Original ...

Originalism is a theory of the interpretation of legal texts, including the text of the Constitution. Originalists believe that the constitutional text ought to be given the original public meaning that it would have had at the time that it became law. The original meaning of constitutional texts can be discerned from dictionaries, grammar books, and from other legal documents from which the text might be borrowed.

Constitutional Interpretation: Textual Meaning, Original ...

Followers of originalism believe that the Constitution should be interpreted at the time that the Framers drafted the document. The originalist interpretation can be further divided into two schools, intent and meaning. Those that follow original intent would interpret an action based on how the constitutional framers would have wanted and reacted.

The 4 Ways To Interpret The Constitution: Originalism ...

Textualism is a formalist theory in which the interpretation of the law is primarily based on the ordinary meaning of the legal text, where no consideration is given to non-textual sources, such as intention of the law when passed, the problem it was intended to remedy, or significant questions regarding the justice or rectitude

of the law.

Textualism - Wikipedia

The textual argument, closely associated in many ways to the doctrine of original intent, concerns whether the judiciary or another is bound by the text of the Constitution and the intentions revealed by that language, or whether it may go beyond the four corners of the constitutional document to ascertain the meaning, a dispute encumbered by the awkward constructions, interpretivism and ...

Constitutional Interpretation. | U.S. Constitution ...

The original meaning theory, which is closely related to textualism, is the view that interpretation of a written constitution or law should be based on what reasonable persons living at the time of its adoption would have understood the ordinary meaning of the text to be.

Originalism - Wikipedia

Strict construction requires a judge to apply the text only as it is written. Once the court has a clear meaning of the text, no further investigation is required. Judges—in this view—should

avoid drawing inferences from a statute or constitution and focus only on the text itself.

Strict constructionism - Wikipedia

The plain meaning rule, also known as the literal rule, is one of three rules of statutory construction traditionally applied by English courts. The other two are the "mischief rule" and the "golden rule".The plain meaning rule dictates that statutes are to be interpreted using the ordinary meaning of the language of the statute.

Plain meaning rule - Wikipedia

Opinion pieces and pundits are arguing back and forth over the legitimacy of “originalism,” a constitutional doctrine that seeks to understand the Constitution in line with the original “public” meaning of the constitutional text. This is far from the first-time constitutional questions have become mixed up in a presidential election.
